The Yellow Wallpaper And Selected Writings Charlotte Perkins Gilman, 2009-05-07 INTRODUCED BY MAGGIE O FARRELL A great work of literature the product of a questing burning intellect MAGGIE O FARRELL Even if the themes being explored might seem irrelevant that this is not the case GUARDIAN I loved the unnerving sarcastic tone the creepy ending PARIS REVIEW It is stripped off the paper in great patches The colour is repellent In the places where it isn t faded and where the sun is just so I can see a strange provoking formless sort of figure that seems to skulk about Based on the author s own experiences *The Yellow Wallpaper* is the chilling tale of a woman driven to the brink of insanity by the rest cure prescribed after the birth of

her child Isolated in a crumbling colonial mansion in a room with bars on the windows the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century In addition to her masterpiece The Yellow Wallpaper this edition includes a selection of her best short fiction and extracts from her autobiography *The Herland, the Yellow Wall-Paper, and Selected Writings* Charlotte Perkins Gilman, 2009-07-01 A novel for secondary school English classes with great writing and important themes **The Yellow Wall-Paper, Herland, and Selected Writings** Charlotte Gilman, 2018-07-05 Charlotte Perkins Gilman was an American feminist sociologist novelist poet scientific writer teacher and social reformer Gilman became a role model for a future feminists generation Her most famous work The Yellow Wallpaper was written after Gilman's difficult fight with the postpartum psychosis It is a story about a woman who suffers from a mental disease after being captured for three months in a room by her husband for her own sake She gets obsessed with the awful yellow wallpaper in the room Gilman wrote this book to change awareness of people about the woman's role in the society **The Yellow Wall-Paper** Charlotte Perkins Gilman, 2015-02-26 The color is hideous enough and unreliable enough and infuriating enough but the pattern is torturing Written with barely controlled fury after she was confined to her room for nerves and forbidden to write Gilman's pioneering feminist horror story scandalized nineteenth century readers with its portrayal of a woman who loses her mind because she has literally nothing to do Introducing Little Black Classics 80 books for Penguin's 80th birthday Little Black Classics celebrate the huge range and diversity of Penguin Classics with books from around the world and across many centuries They take us from a balloon ride over Victorian London to a garden of blossom in Japan from Tierra del Fuego to 16th century California and the Russian steppe Here are stories lyrical and savage poems epic and intimate essays satirical and inspirational and ideas that have shaped the lives of millions Charlotte Perkins Gilman 1860-1935 Gilman's work is available in Penguin Classics in The Yellow Wall Paper Herland and Selected Writings *Herland, the Yellow Wallpaper, and Selected Writings* Charlotte Perkins Gilman, 2016-08-20 Herland is a utopian women's fiction novel written by feminist Charlotte Perkins Gilman in 1915 The genre fiction classic Herland describes an isolated society composed entirely of women who reproduce via parthenogenesis also known as asexual reproduction The result is an ideal social order free of war conflict and domination Herland is a classic in literature fiction and genre fiction it is also an important feminist work In addition to writing women's fiction Charlotte Perkins Gilman was a prominent American feminist sociologist novelist writer of short stories poetry and nonfiction and a lecturer of social reform In addition to Herland this anthology volume also includes The Yellow Wallpaper which is a semi autobiographical short story also written by Charlotte Perkins Gilman and is considered by many to be her best work The Yellow Wallpaper Herland and Selected Writings Charlotte Perkins Gilman, 2018

Vigorous Reforms Jess Libow, 2025-07-10 Nineteenth century America saw profound changes in the ways people viewed their bodies their health and their corporeal connection to their environments Though much of the writing about bodies was produced by men *Vigorous Reforms* focuses on the understudied literary history of how women came to understand physicality and its connection to their everyday lives The introduction of physical education allowed women to conceive their own and others bodies not as static entities but as adaptable to their own needs goals and labor Jess Libow also shows the limits of the science of the era since bodily differences were often understood as biologically determined theories of health defined womanhood in terms of racialized bodily abilities For example settler colonial ideology coded Native women as deteriorating due to their uncivilized ways of life and proponents of slavery insisted that Black women s inherent strength made them suitable for enslavement Drawing on a wide ranging archive of ideas about exercise hygiene and nutrition Libow argues that women s writing about health was fundamental to the development of what we now think of as American feminism

Reading Confederate Monuments Maria Seger, 2022-08-24 Winner of a 2023 Edited Collection Award from the South Atlantic Modern Language Association Contributions by Danielle Christmas Joanna Davis McElligatt Garrett Bridger Gilmore Spencer R Herrera Cassandra Jackson Stacie McCormick Maria Seger Randi Lynn Tanglen Brook Thomas Michael C Weisenburg and Lisa Woolfork *Reading Confederate Monuments* addresses the urgent and vital need for scholars educators and the general public to be able to read and interpret the literal and cultural Confederate monuments pervading life in the contemporary United States The literary and cultural studies scholars featured in this collection engage many different archives and methods demonstrating how to read literal Confederate monuments as texts and in the context of the assortment of literatures that produced and celebrated them They further explore how to read the literary texts advancing and contesting Confederate ideology in the US cultural imaginary then and now as monuments in and of themselves On top of that the essays published here lay bare the cultural

and pedagogical work of Confederate monuments and counter monuments divulging how and what they teach their readers as communal and yet contested narratives thereby showing why the persistence of Confederate monuments matters greatly to local and national notions of racial justice and belonging In doing so this collection illustrates what critics of US literature and culture can offer to ongoing scholarly and public discussions about Confederate monuments and memory Even as we remove relocate and recontextualize the physical symbols of the Confederacy dotting the US landscape the complicated histories cultural products and pedagogies of Confederate ideology remain embedded in the national consciousness To disrupt and potentially dismantle these enduring narratives alongside the statues themselves we must be able to recognize analyze and resist them in US life The pieces in this collection position us to think deeply about how and why we should continue that work
