Their Fifteen Minutes Biographical Sketches Of The Lindbergh Case:

Their Fifteen Minutes Mark W. Falzini, 2008 In 1927 young airmail pilot Charles A Lindbergh wowed the world by being the first to fly nonstop from New York to Paris His daring accomplishment won him not only the 25 000 prize but worldwide recognition It also cost him his privacy that lasted a lifetime In 1932 the son of Charles and Anne Lindbergh was kidnapped and later found dead a crime that shocked America and the world Bruno Hauptmann was tried convicted and executed for his role in the little boy s death Their Fifteen Minutes is a unique collection of biographical essays filling in the blanks and providing background regarding the key figures involved in the case such as Henry Red Johnson the first prime suspect Hans Kloppeburg Hauptmann s best friend Jafsie also known as Dr John F Condon who served as the intermediary between the kidnappers and the family Betty Gow a servant employed by the Lindberghs Until now the lives of those touched by this case have gone virtually unrecorded Known only for their brief encounter with history Their Fifteen Minutes tells the rest of their story showing there was much more to them than their fifteen minutes of fame

The Dark Corners of the Lindbergh Kidnapping

Michael Melsky, 2021-09-20 This volume of The Dark Corners is not unlike the previous three As with the others you will find information here not found anywhere else This volume is slightly different though with much attention given to what I consider leftovers and loose ends I have also addressed some additional aspects of the Lindbergh kidnapping in which many have expressed interest This includes a chapter on the spy Jacob Nosovitsky and one on Violet Sharp a topic that I have avoided until now

F. Bales, 2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary s cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire s chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board s final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire
