Susan Youens

Theodor Körners Sämtliche Werke:

Schubert's Poets and the Making of Lieder Susan Youens, 1999-10-28 Lieder began with words with the composer's discovery of a poet and a poetic work but the scholarly study of lieder has tended to bypass those origins Schubert's choice of poets has traditionally come under fire for the preponderance of mediocre talent and yet many of these writers were highly esteemed in their day In her highly acclaimed study Susan Youens has chosen four such poets Gabriele von Baumberg Theodor Körner Johann Mayrhofer and Ernst Schulze in order to re-examine their lives works and Schubert's music to their verse All four poets were vivid inhabitants of a vivid era and their tribulations afford us added insight into the upheavals the manners and mores of their day *Sämtliche Werke* Friedrich Hebbel, 1902 [The National Union Catalog, Pre-1956 Imprints](#) Library of Congress, American Library Association. Mosse, 2020-09-08 This landmark work by George L. Mosse first published in 1985 examines the history of sexuality through the lens of bourgeois respectability and nationalism Using a daring breadth of German and English sources Nationalism and Sexuality pioneered the use of gender stereotypes as a methodology for studying the history of sexuality in mainstream European history Mosse's innovative inquiries on gender remain central to discussions about modern constructions of national belonging and the workings of the state This edition of Mosse's classic volume includes a new critical introduction by Mary Louise Roberts whose books include *What Soldiers Do* Sex and the American GI in World War II France [Theodor Körner sämtliche Werke](#) Theodor Körner, 1820 **Fanny von Arnstein: Daughter of the Enlightenment** Hilde Spiel, 2013-09-15 Berlin born Fanny von Arnstein married a financier to the Austro-Hungarian imperial court and in 1798 her husband became the first unconverted Jew in Austria to be granted the title of baron Soon Fanny hosted an ever more splendid salon which attracted the leading figures of her day including Madame de Staël and Arthur Schopenhauer Hilde Spiel's biography provides a vivid portrait of a brave and passionate woman illuminating a central era in European cultural and social history Von Arnstein represents one of the most fascinating and paradoxical eras in modern Jewish history For an American Jewish reader Fanny von Arnstein is fascinating above all as a cautionary tale and a reminder of our luck at having avoided the excruciating choices that Fanny and so many Jews like her had to face Adam Kirsch Tablet Magazine This book is indispensable for those interested in the history of culture the role of women and the transition of the Jewish community out of the ghetto toward the center of European life Leon Botstein President of Bard College author of *Judentum und Modernität* and co-editor of *Vienna Jews and the City of Music* In capturing the fascination of Fanny von Arnstein and her times Hilde Spiel provides both a finely drawn portrait of a defining figure of her era but also of the times themselves John Kornblum former U.S. Ambassador to Germany **A Catalog of Books Represented by Library of**
