Theories Of Personality Gregory Feist:

Theories of Personality Jess Feist, Gregory J. Feist, Dr., Tomi-Ann Roberts, 2017-02-21 *Theories of Personality* provides a comprehensive foundation on the nature of personality theory as well as its contributions to science. Coverage of each theory encompasses a biographical sketch of each theorist, related research, and applications to real life. Written by three preeminent psychology professors, Jess Feist, Gregory J. Feist, and Tomi Ann Roberts, this program is engaging and student friendly. The ninth edition provides new studies and sections on topics such as ego identity, gender studies, mindfulness, and self-actualization, and more. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master recall and apply key concepts while providing automatically graded assessments. McGraw Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook, an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content; Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course; Progress dashboards that quickly show how you are performing on your assignments and tips for improvement; The option to purchase for a small fee a print version of the book.
