Theory Of The Partisan Intermediate Commentary On The Concept Of The Political:

Theory of the Partisan Carl Schmitt, 2020-09-20 No one suspected what the unleashing of irregular warfare would mean. No one considered what the victory of the civilian over the soldier would mean if one day the citizen put on the uniform while the partisan took it off to continue the fight without it. Theory of the Partisan consists of two lectures delivered by Carl Schmitt in 1962 addressing the transformation of war in the post European age. This accessible work analyzes the origin, evolution and practical effects of the modern partisan. With the rise of political terrorism and the universal acceptance of critical theory, Schmitt's Theory of the Partisan emerges today more relevant than ever. The C J Miller translation is the third complete English translation of Carl Schmitt's Theory of the Partisan, being made available in 2020 to the general public through Antelope Hill Publishing. This translation is more faithful to the original German and avoids any commentary or apologia for the plain words of this formidable legal and political thinker.

Politics and the Concept of the Political James Wiley, 2016-05-26 A recent trend in contemporary western political theory is to criticize it for implicitly trying to conquer, displace or moralize politics. James Wiley's book takes the next step from criticizing contemporary political theory to showing what a more politics centered political theory would look like by exploring the meaning and value of politics in the writings of Max Weber, Carl Schmitt, Paul Ricoeur, Hannah Arendt, Sheldon Wolin, Claude Lefort and Ernesto Laclau and Chantal Mouffe. These political theorists all use the concept of the political to explain the value of politics and defend it from its detractors. They represent state centered, republic centered and society centered conceptions of politics as well as realist, authoritarian, idealist, republican, populist and radical democratic traditions of political thought. This book compares these theorists and traditions of the political in order to defend politics from its critics and to contribute to the development of a politics centered political theory. *Politics and the Concept of the Political* will be a useful resource to general audiences as well as to specialists in political theory.

The Political Discourse of Carl Schmitt Montserrat Herrero, 2015-08-06 Carl Schmitt is a key figure in modern political thought but discussion of his work often focuses upon specific elements or themes within his texts. This book provides a wide ranging discussion of Carl Schmitt's discourse and provides a new perspective on his contribution, presenting the idea of Nomos of the Earth as the key idea that organizes his political and legal discourse. This book creates a reverse genealogy of Schmitt's theoretical system starting from his legal and political concept of nomos so as to reconstruct his understanding of order. It connects the different topics the Carl Schmitt developed along his intellectual trajectory which have generally been approached in separate ways by scholars: the legal theory, the concept of the political, the theory of international relations and political theology. The text considers the whole of Carl Schmitt's work including writings that have been previously unknown to the English speaking academy: old journals with just three or four pages, newspaper articles, manuscripts of conferences and Festschriften. It provides a balanced examination of the whole complex of Carl Schmitt's political discourse.

The International Political Thought of Carl Schmitt Louiza Odysseos, Fabio

Petito,2007-03-06 Presenting the first critical analysis of Carl Schmitt's *The Nomos of the Earth* and how it relates to the epochal changes in the international system that have risen from the collapse of the Westphalian international order. There is an emerging recognition in political theory circles that core issues such as order, social justice, rights need to be studied in their global context. Schmitt's international political thought provides a stepping stone in these related paths offering an alternative history of international relations of the genesis, achievements and demise of the Westphalian system. Writing at a time when he believed that the spatial, political and legal order, the *nomos* of the earth had collapsed, he highlighted the advent of the modern state as the vehicle of secularization, tracing how this interstate order was able to limit and rationalize and humanize war. Providing a large number of case studies including global terrorism, humanitarian intervention and US hegemony, this book will give further impetus to and expand the nascent debate on the significance of Schmitt's legal and political thought for international politics. *The International Political Thought of Carl Schmitt* will be of interest to students and scholars of international relations, law and history.

Politics without Violence? Jenny Pearce,2019-10-31 This book explores the potential for imagining a politics without violence and evidence that this need not be a utopian project. The book demonstrates that in theory and in practice we now have the intellectual and scientific knowledge to make this possible. In addition, new sensibilities towards violence have generated social action on violence, turning this knowledge into practical impact. Scientifically, the first step is to recognize that only through interdisciplinary conversations can we fully realize this knowledge. Conversations between natural sciences, social sciences and the humanities, impossible in the twentieth century, are today possible and essential for understanding the phenomenon of violence, its multiple expressions and the factors that reproduce it. We can distinguish aggression from violence, the biological from the social body. In an echo of the rational Enlightenment of the eighteenth century, this book calls for an emotional Enlightenment in the twenty-first and a post-Weberian understanding of politics and the State.

Carl Schmitt, Mao Zedong and the Politics of Transition Qi Zheng,2015-10-22 This book develops a new way of reading and benefiting from Schmitt's legal and political theories. It explores Schmitt's theories from the perspective of what I refer to as the politics of transition. It also contributes to identifying the real theoretical relationship between Schmitt and Mao.

Critiquing Sovereign Violence Gavin Rae,2019-04-10 Gavin Rae offers an original approach to sovereign violence by looking at a wide range of thinkers which he organises into three models. Benjamin Schmitt, Arendt, Deleuze and Guattari form the radical juridical perspective; Foucault and Agamben the biopolitical; Derrida the bio-juridical, which Rae argues produces the most nuanced account. Rae engages with new translations of *The Beast and the Sovereign* and *The Death Penalty* to show that Derrida offers a radical and alternative angle in which violence is placed between law and life, simultaneously creating and regulating each through the other.

Spatiality, Sovereignty and Carl Schmitt Stephen Legg,2011-05-17 The aim of this book is to bring together geographers and Schmitt experts who are attuned to the spatial dimensions of his work to discuss *The Nomos of the Earth* in

the International Law of the Jus Publicum Europaeum Schmitt 1950 2003 Faustian Pact in International Law Edwin Bikundo,2024-05-31 The book provides an original and captivating perspective on international law and Giorgio Agamben's work The manuscript is profoundly aesthetic textual in its approach as exemplified in its deft and insightful close readings of drama Goethe's Faust prose fiction Melville's Bartleby and Benito Cereno and lyric be it devotional Laudes Regiae Handel The Lord is a Man of War or otherwise Edwin Starr's War Boy George's War Song Attentive to language plot theme and characterisation these readings not only read the texts in question but they also read them anew yielding fresh innovative and unique cultural legal interpretations Perilous Futures Peter Uwe Hohendahl,2018-10-15 No detailed description available for Perilous Futures **Small Wars and Insurgencies in Theory and Practice, 1500-1850** Beatrice Heuser,2017-10-02 In early modern times warfare in Europe took on many diverse and overlapping forms Our modern notions of regular and irregular warfare of major war and small war have their roots in much greater diversity than such binary notions allow for While insurgencies go back to time immemorial they have become conceptually fused with small wars This is a term first used to denote special operations often carried out by military companies formed from special ethnic groups and then recruited into larger armies In its Spanish form guerrilla the term small war came to stand for an ideologically motivated insurgency against the state authorities or occupying forces of another power There is much overlap between the phenomena of irregular warfare in the sense of special operations alongside regular operations and irregular warfare of insurgents against the regular forces of a state This book demonstrates how long the two phenomena were in flux and fed on each other from the raiding operations of the 16th century to the small wars or special operations conducted by special units in the 19th century which existed alongside and could merge with a popular insurgency This book is based on a special issue of the journal Small Wars Insurgencies **Race and Political Theology** Vincent Lloyd,2012-04-25 In this volume senior scholars come together to explore how Jewish and African American experiences can make us think differently about the nexus of religion and politics or political theology Some wrestle with historical figures such as William Shakespeare W E B Du Bois Nazi journalist Wilhelm Stapel and Austrian historian Otto Brunner Others ponder what political theology can contribute to contemporary politics particularly relating to Israel's complicated religious racial national identity and to the religious currents in African American politics Race and Political Theology opens novel avenues for research in intellectual history religious studies political theory and cultural studies showing how timely questions about religion and politics must be reframed when race is taken into account *The Legal Theory of Carl Schmitt* Mariano Croce,Andrea Salvatore,2013-10-11 The Legal Theory of Carl Schmitt provides a detailed analysis of Schmitt's institutional theory of law mainly developed in the books published between the end of the 1920s and the beginning of the 1930s By reading Schmitt's overall work through the lens of his institutional turn the authors offer a strikingly different interpretation of Schmitt's theory of politics law and the relation between these two domains The book argues that Schmitt's adhesion to legal institutionalism

was a key theoretical achievement based on serious reconsideration of the main flaws of his own decisionist paradigm in the light of the French and Italian institutional theories of law In so doing the authors elucidate how Schmitt was able to unravel many of the impasses that affected his previous conceptual framework The authors also make comparisons between Schmitt and other leading legal theorists H Kelsen M Hauriou S Romano and C Mortati and explain why the current legal debate should take into serious account his legacy

What Is Political Theology? Vincent W. Lloyd, Luke Bretherton, Valentina Napolitano, 2025-12-16 Political theology is widely discussed but little understood Across the humanities and critical social sciences even in popular discussion of current events it has become a buzzword Yet there is no consensus about its very definition This field changing interdisciplinary book brings together three of the leading voices in political theology a Christian theologian a critical theorist and an anthropologist to offer new entry points to understand religion and politics They explore similarities and differences in their approaches guiding readers through scholarship in their own fields while also advancing a shared vision that speaks to crucial questions of justice in the contemporary world Rejecting the notion that political theology is a closed field with an established canon the authors show it to be an open ended lively conversation that welcomes new participants They demonstrate how voices and approaches from decolonial theory Black studies feminist and queer theory new materialism and ethnography both in the Global North and in the Global South are transforming the field This book addresses concerns about political theology's ties to authoritarian and antidemocratic movements demonstrating that an engaged political theology sheds critical light on volatile topics such as populism racism and ethnoreligious nationalism At once accessible to students and groundbreaking for scholars What Is Political Theology provides a state of the art global understanding

Cultivating New Post-secular Political Space Roger Haydon Mitchell, 2020-06-29 This comprehensive volume provides crucial insights from contemporary academics and practitioners into how positive interventions might be made into post secular political spaces that have emerged in the wake of the economic political and social upheavals of the 2008 global financial crisis The failure of liberal democracy to deal effectively with such challenges has led to scapegoating of the poor immigrants and Muslims and contributed to the populist electoral success of among others the Leave campaign during the 2016 United Kingdom European Union membership referendum and Donald Trump's Presidential campaign These shocks have highlighted contemporary political spaces defined by what has been termed all the posts postmodern post Christendom post liberal post political and post secular This collection examines emerging attempts to understand and advance the cause of wellbeing within this context The authors address a variety of key issues including re configuring mythologies for the common good deploying love and friendship politically motivating new social movements valuing the other recovering displaced and devalued political narratives finding alternatives to the previously dominant neo liberalism listening deeply for social transformation and overcoming adversarial party politics This book was originally published online as a special issue of the journal *Global Discourse*

Constituent Power Arvidsson Matilda

Arvidsson,2020-08-18 With a strong focus on constitutional law this book examines the legal as well as the political power of the people in constitutional democracies Bringing together an international range of contributors from the USA Latin America the UK and continental Europe it explores the complex relationship between constitutional democracy and the people from the angles of constitutional law legal theory political theory and history Contributors explore this relationship through the lens of radical democracy engaging with the work of key figures such as Hannah Arendt Carl Schmitt Claude Lefort and Jacques Ranciere The Meanings of Violence Gavin Rae,Emma Ingala,2018-10-17 Violence has long been noted to be a fundamental aspect of the human condition Traditionally however philosophical discussions have tended to approach it through the lens of warfare and or limit it to physical forms This changed in the twentieth century as the nature and meaning of violence itself became a conceptual problem Guided by the contention that Walter Benjamin s famous 1921 Critique of Violence essay inaugurated this turn to an explicit questioning of violence this collection brings together an international array of scholars to engage with how subsequent thinkers Agamben Arendt Benjamin Butler Castoriadis Derrida Fanon Gramsci Merleau Ponty Sartre and Schmitt grappled with the meaning and place of violence The aim is not to reduce these multiple responses to a singular one but to highlight the heterogeneous ways in which the concept has been inquired into and the manifold meanings of it that have resulted To this end each chapter focuses on a different approach or thinker within twentieth and twenty first century European philosophy with many of them tackling the issue through the mediation of other topics and disciplines including biopolitics epistemology ethics culture law politics and psychoanalysis As such the volume will be an invaluable resource for those interested in Critical Theory Cultural Studies History of Ideas Philosophy Politics Political Theory Psychology and Sociology **Ontology and World Politics** Sergei Prozorov,2013-10-23 Together these two companion volumes develop an innovative theory of world politics grounded in the reinterpretation of the concepts of world and politics from an ontological perspective Ontology and World Politics presents a new approach to political universalism grounded in the reinterpretation of world politics from an ontological perspective In the discipline of International Relations the concept of world politics remains ambivalent functioning both as a synonym of international relations and their antonym denoting the aspirations for the overcoming of interstate pluralism in favour of a universalist politics of the global community or the world state Rather than distinguish world politics from international politics by its site level or issues Prozorov interprets it as another kind of politics Drawing on Martin Heidegger s account of world disclosure and Alain Badiou s phenomenology of worlds this book posits world politics as a practice of the affirmation of universal axioms across an infinite plurality of limited and particular situations or worlds Prozorov reinterprets the familiar principles of community equality and freedom in ontological terms as attributes of pure being subtracted from all positive determinations and presents them as axioms of universalist politics valid in any world whatsoever This approach to world politics serves as the groundwork for a comprehensive reconsideration of the central themes of political and international

relations theory Systematic and accessible these works will be key reading for all students and scholars of political science and international relations Narcoepics Hermann Herlinghaus, 2013-02-14 Narcoepics Unbound foregrounds the controversial yet mostly untheorized phenomenon of contemporary Latin American narcoepics Dealing with literary works and films whose characteristics are linked to illicit global exchange informal labor violence bare life drug consumption and ritualistic patterns of identity it argues for a new theoretical approach to better understand these narratives of intoxication Foregrounding the art that has arisen from or seeks to describe drug culture Herlinghaus comparative study looks at writers such as Guti rrez J J Rodr guez Reverte films such as City of God and the narratives surrounding cultural villains heroes such as Pablo Escobar Narcoepics shows that that in order to grasp the aesthetic and ethical core of these narratives it is pivotal first to develop an aesthetics of sobriety The aim is to establish a criteria for a new kind of literary studies in which cultural hermeneutics plays as much a part as political philosophy analysis of religion and neurophysiological inquiry

Theory Of The Partisan Intermediate Commentary On The Concept Of The Political Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Theory Of The Partisan Intermediate Commentary On The Concept Of The Political PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Theory Of The Partisan Intermediate Commentary On The Concept Of The Political PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Theory Of The Partisan Intermediate Commentary On The Concept Of The Political free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Theory Of The Partisan Intermediate Commentary On The Concept Of The Political Books

1. Where can I buy Theory Of The Partisan Intermediate Commentary On The Concept Of The Political books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Theory Of The Partisan Intermediate Commentary On The Concept Of The Political book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Theory Of The Partisan Intermediate Commentary On The Concept Of The Political books?
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Theory Of The Partisan Intermediate Commentary On The Concept Of The Political audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Theory Of The Partisan Intermediate Commentary On The Concept Of The Political books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
