Think Tanks The Brain Trusts Of Us Foreign Policy:

Think Tanks Kubilay Yado Arin, 2013-11-27 Think tanks and their researchers provide much needed explanation of foreign policy Many US Presidents have consulted think tanks for policy advice and for ideological coherence Indeed the American Presidents have employed experts from think tanks to serve in senior positions in their government Policy makers look for advice to think tanks and their scholars resulting from the decentralisation and fragmentation of the American political system In a system based on separate branches sharing powers and one in which policy makers are not limited by the programs of political parties think tanks can communicate their ideas through multiple channels to several hundred lawmakers The author examines the war of ideas waged by the neoconservative think tanks against their liberal counterparts

Conservative Brain Trust Howard J. Wiarda, 2009-01-16 Conservative Brain Trust traces the rise fall and rise again of the American Enterprise Institute for Public Policy Research AEI More than that it is the story of one of Washington's leading think tanks what it's like to work there how Washington works and how AEI influences policy including policy on the controversial Iraq War This is a wide ranging review of the Washington think tank world focused particularly on AEI The book is a social science and political study of the role of think tanks in Washington policy making and in part a personal memoir of the author's adventures and perceptions in seeking to link academic research and American foreign policy What emerges is a portrait of AEI as an influential but also troubled think tank with access to the highest levels of the US government Irreverent as well as analytic the author recounts his adventures and experiences in the think tank and policy worlds

US Foreign Policy Towards Russia in the Post-Cold War Era David Parker, 2019-06-07 This book discusses how the ideas expectations and mind sets that formed within different US foreign policy making institutions during the Cold War have continued to influence US foreign policy making vis vis Russia in the post Cold War era with detrimental consequences for US Russia relations It analyses what these ideas expectations and mind sets are explores how they have influenced US foreign policy towards Russia as ideational legacies including the ideas that Russia is untrustworthy has to be contained and that in some aspects the relationship is necessarily adversarial and outlines the consequences for US Russian relations It considers these ideational legacies in depth in relation to NATO enlargement democracy promotion and arms control and sets the subject in its wider context where other factors such as increasingly assertive Russian foreign policy impact on the relationship It concludes by demonstrating how tension and mistrust have continued to grow during the Trump administration and considers the future for US Russian relations

Imperial Brain Trust Laurence H. Shoup, 1977

The Making of US Foreign Policy John Dumbrell, David M. Barrett, 1997 Including two post Cold War case studies on foreign policy in Somalia and Northern Ireland this book seeks to explain the shaping of US diplomacy through a variety of windows The structures and traditions which went into it are examined in detail and the conflicts and interactions between various governmental institutions are explored The tensions between US expansive internationalism and a native isolationism

is also looked at and helps to form an analysis of the relationship between process and substance in foreign policy Another major theme of the book is the relationship between the making of policy and democratic practices Distributed by St Martin s Press Annotation copyrighted by Book News Inc Portland OR **Think Tank Traditions** Diane Stone,Andrew Denham,2004 As think tank numbers explode they have become an integral part of political life Political leaders corporations and non governmental organisations draw upon their expert advice to advance their causes in the battle of ideas *American Foreign Service Journal* ,1996 **Philanthropy and Cultural Imperialism** Robert F. Arnove,1982-09-22 Philanthropy and Cultural Imperialism is intended as a source book on the origins workings and consequences of modern general purpose foundations The text encompasses the activities of foundations principally Carnegie Rockefeller and Ford in the production of culture and the formation of public policy Particular attention is given to the policies of the big foundations in the fields of education and social science research The authors write from the perspectives of history sociology comparative education and educational policy studies Their chapters are based on original research While the contributors do not share a uniform ideological framework they do have in common a structural point of view they examine foundations with regard to their functioning in society They analyze the implications of foundations organizational characteristics modus operandi and substantive decisions for social control or social change A distinguishing feature of Philanthropy and Cultural Imperialism is its systematic critical analysis of the sociopolitical consequences of these powerful institutions A central thesis is that foundations like Carnegie Rockefeller and Ford have a corrosive influence on a democratic society they represent relatively unregulated and unaccountable concentrations of power and wealth which buy talent promote causes and in effect establish an agenda of what merits society s attention The Washington Post Index ,1989 **Philanthropic Foundations and Public Policy** Mary Anna Culleton Colwell,1980 **The Elite Transition** Patrick Bond,2000-02-20 In Elite Transition Patrick Bond examines the economic and social compromises that have been and are being made between the past and present powers in South Africa A former adviser to the ANC Bond investigates how groups such as the ANC went from being a force of liberation for all people to a vehicle now perceived as serving the economic interests of an elite few Bond covers a range of socioeconomic factors under both the old and new South Africa highlighting the reasons for the transition s development failure and drawing on case studies on key issues social contracts black economic empowerment housing and corporate power He explores the idea that progressive policymaking is being compromised by the new petit bourgeoisie and ruling elite and assesses the view that as change slows down official policy is increasingly one of lower expectations *Think Tank Directory* Lynn Hellebust,1996 Who Rules America Now? G. William Domhoff,1986 The author is convinced that there is a ruling class in America today He examines the American power structure as it has developed in the 1980s He presents systematic empirical evidence that a fixed group of privileged people dominates the American economy and government The book demonstrates that an upper class comprising only one half of one percent of the population

occupies key positions within the corporate community It shows how leaders within this power elite reach government and dominate it through processes of special interest lobbying policy planning and candidate selection It is written not to promote any political ideology but to analyze our society with accuracy *Monthly Review* ,1978 *South Asian Studies : a Biannual Journal on South Asian Affairs* ,1987 Pacific Research & World Empire Telegram ,1975 Constructing National Interests Jutta Eleonore Weldes,1993 **Democracy and Its Discontents** Howard J.
