Third Base A Love Story:

Third Base Kenny Arena, 2015-10-21 Have you ever felt something so strongly but couldn't quite figure out why? Almost as if the universe was trying to tell you something, let you in on a little secret, yet what it actually is remained a mystery. Until the moment it wasn't a mystery anymore. This is one of those stories. A story about fate, love, baseball, and coming out to the ballgame. Jake's reality is a dream, and his dream a reality as he discovers that there's no such thing as coincidence when his past starts to explain his future. And what exactly do The New York Mets have to do with any of this? Well, a chance encounter with The Mets' third baseman winds up taking both their lives down a path neither were expecting. **Freddy: a Love Story**

Ray P. Oliver, 2011-11-15 How does a person born with mental and physical challenges become the most popular person in his community? Why did the town throw a 50th birthday party for him and name a street in his honor? Why do valedictorians mention him in their commencement addresses? Why does a person who can't use a computer get 500 Facebook friends the first week he is on it? **Freddy A Love Story** attempts to answer those questions. It is an often humorous, sometimes poignant look at the town of Clinton, Tennessee, and the man who captured the town's heart. **Running: A Love Story** Jen A.

Miller, 2016-03-22 Jen Miller has fallen in and out of love, but no man has been there for her the way running has. In **Running A Love Story**, Jen tells the story of her lifelong relationship with running, doing so with wit, thoughtfulness, and brutal honesty. Jen first laces up her sneakers in high school when, like many people, she sees running as a painful part of conditioning for other sports. But when she discovers early in her career as a journalist that it helps her clear her mind, focus her efforts, and achieve new goals, she becomes hooked for good. Jen, a middle-of-the-pack but tenacious runner, hones her skill while navigating relationships with men that, like a tricky marathon route, have their ups and downs, relying on running to keep her steady in the hard times. As Jen pushes herself toward ever greater challenges, she finds that running helps her walk away from the wrong men and learn to love herself while revealing focus, discipline, and confidence she didn't realize she had. Relatable, inspiring, and brutally honest, **Running A Love Story** explores the many ways that distance running carves a path to inner peace and empowerment by charting one woman's evolution in the sport. **Two Times Dead... Not Really a Love Story**

John Hunt, 2012-02-21 Death catches the attention of those close to it. Death has a way of opening closed doors meant to stay that way, but what happens when the dead are already dead? Our newly appointed Chief of Detectives Justine Steele just off a case that has shattered his life, tries to sit back and understand the reasons that he has seen so much personal tragedy, but before he is able to mourn his loss, Eric, his partner, drags him, struggling, into what is supposed to be a simple suicide or murder. It starts out straight forward, but before the sun has set, this case has started to draw unusual attention. The team, now working hard to solve the case, finds that for some, this death is just part of doing business. Many are ready to walk away in the name of national security, but what has national security got to do with a simple murder? Well, the body is cold, and everything seems simple until it is determined that this dead person died some years back. Well, nothing is ever really simple.
