

This land is your land This land is my land
From California to the New York island;
From the red wood forest to the Gulf Stream waters
This land was made for you and Me.

As I was walking that ribbon of highway,
I saw above me that endless skyway:
I saw below me that golden valley:
This land was made for you and me.

I've roamed and rambled and I followed my footsteps
To the sparkling sands of her diamond deserts;
And all around me a voice was sounding:
This land was made for you and me.

When the sun came shining, and I was strolling,
And the wheat fields waving and the dust clouds rolling,
A voice was chanting and the fog was lifting:
This land was made for you and me.

This land is your land This land is my land
From California to the New York island;
From the red wood forest to the Gulf Stream waters
This land was made for you and Me.

When the sun came shining, and I was strolling,
And the wheat fields waving and the dust clouds rolling,
A voice was chanting and the fog was lifting:
This land was made for you and me.

This Land Is Your Land:

This Land Is Your Land Robert Santelli, 2012-03-13 This Land Is Your Land is the most iconic folk song in American history and is the masterwork of one of America's greatest artists Woody Guthrie Written in 1940 and first recorded in 1944 the song became an instant hit and then a point of controversy and finally a cross generation anthem It's been co-opted and rewritten in many other countries Praised for its heartfelt lyrics and accompanying pride and spirit no folk song has made such a lasting impression on American culture or stirred as much controversy The book will publish to coincide with Woody at 100 a partnership between the Grammy Museum and the Guthrie Archives to stage numerous celebratory events throughout 2012 nationwide and beyond This Land Is Your Land is a remarkably detailed account of the journey of America's most celebrated folk song It also details Guthrie's legendary journey from Oklahoma across the Heartland to New York City where he wrote many of his works including This Land Is Your Land With more than forty rare black and white photographs from the Woody Guthrie archives plus original interviews with Bob Dylan Bruce Springsteen Willie Nelson Pete Seeger John Mellencamp and more This Land Is Your Land delivers a revealing portrait of an American treasure [This Land Is Your Land](#) RD Moore, 2023-06-10 This land was made for you and me This is the emphatic refrain of Woody Guthrie's iconic anthem a profound rendering of one of our nation's most sacred truths Yet for far too many and for far too long this hasn't felt like a land made for them or one that even wants them And that's just not sustainable This Land Is Your Land TLIYL is a telling of our social story through the lens of the American people how we became who we are and who we're in the process of becoming It's about the systems we built both generative and degenerative from democracy and equality to slavery and social supremacy and how everything about us is changing Right this minute we're in the midst of the greatest sociological shift in U.S. history one where in every way we currently measure we'll soon be a post majority nation By 2045 incumbent majorities from racial whiteness to Christianization to heteronormativity will all be downgraded to minority status This Time of Turmoil one where everything's shifting is why we're experiencing so much unrest and instability from rising poverty to increasingly caustic elections to diminishing human regard But it's also why getting this right has never been more important or mattered more A combination of personal vignettes and cultural analysis TLIYL covers 300 years of shared history one that's been shaped by nearly 550 million lives lived and explores how together we move forward It's a story with three parts Part One How the American Race Construct ARC and other toxic frameworks impaired us Part Two How the Degenerative Cycle DGC and other predatory processes imperiled us Part Two and Part Three How through personal practices like the Four Actions each of us can help us become a society that embraces all of us Today we find ourselves in a bit of a tough place But instead of an ending this shift we're undergoing might actually be a beginning a chance to both make our founding dreams real and gift the future a future And in doing so we transform ourselves into a new land one as Woody sang made for you and me [This Land Is Our Land](#) Ken Ilgunas, 2018-04-10 Private property is everywhere Almost anywhere you walk in

the United States you will spot No Trespassing and Private Property signs on trees and fence posts In America there are more than a billion acres of grassland pasture cropland and forest and miles and miles of coastlines that are mostly closed off to the public Meanwhile America's public lands are threatened by extremist groups and right wing think tanks who call for our public lands to be sold to the highest bidder and closed off to everyone else If these groups get their way public property may become private precious green spaces may be developed and the common good may be sacrificed for the benefit of the wealthy few Ken Ilgunas lifelong traveler hitchhiker and roamer takes readers back to the nineteenth century when Americans were allowed to journey undisturbed across the country Today though America finds itself as an outlier in the Western world as a number of European countries have created sophisticated legal systems that protect landowners and give citizens generous roaming rights to their countries green spaces Inspired by the United States history of roaming and taking guidance from present day Europe Ilgunas calls into question our entrenched understanding of private property and provocatively proposes something unheard of opening up American private property for public recreation He imagines a future in which folks everywhere will have the right to walk safely explore freely and roam boldly from California to the New York island from the Redwood Forest to the Gulf Stream waters **From patriot song to protest song** Philip Meir Siblo-Landsman,2009 Globe American Anthology Se 92 C Globe,1950 Classic and contemporary works by authors such as Maya Angelou Laura Ingalls Wilder Langston Hughes and Robert Frost help students comprehend and enjoy fiction nonfiction poetry and drama In addition each book has a controlled reading level and a strong vocabulary strand Reading Level 5 9 Interest Level 6 12 *The Whispering Roots* Cecil Day Lewis,1896 **This Land is Your Land** ,1997-01-01 Consists of Guthrie's songs for kids of all ages with animation that makes each song's story come alive **This is Music for Today** William Raymond Sur,1971 **All of Us** Harvey S.
