This Happy Life A Novel:

My Happy Life Lydia Millet, 2009-03-01 At the opening of My Happy Life the unnamed narrator has been abandoned in a locked room of a deserted mental hospital She hasn't seen the nice man who brings her food in days so she's eaten the soap the toothpaste and even tried to eat the plaster on her walls a dietary adventure that ended none too well This woman's story covering decades and spanning continents is tragic yet she is curiously at peace even happy Despite a lifetime of neglect physical abuse and loss she's incapable of perceiving slight or injury She has infinite faith in the goodwill of others loves even her enemies and finds grace and communion in places most people wouldn't dare to brave Lauded by both critics and readers My Happy Life consistently surprises and excites with its original vision of a unique woman whose rich interior life protects her from the horrors of external reality

Passion, Humiliation, Revenge Lapidus, 1955-01-01 This book reveals the phenomenon in Russian prose in which a male protagonist finds himself perpetuating a cycle of passion humiliation and revenge within his relationships with women By examining the mental and emotional state of the male protagonist who finds himself in a sexual situation Rina Lapidus explores how his passion for a woman leads the man into an encounter that causes him humiliation and ends up eliciting a powerful desire on his part to punish the woman who initially arouses his erotic feeling The male protagonist directs his fury at the woman seeking vengeance because of the shame he has suffered Lapidus shows how the man sees himself as a highly spiritual being and finds it difficult to come to terms with his sexual nature The author argues that this denial of desire leads the man to take out his frustration with himself on the woman projecting all of his faults and guilt onto her When the woman brings the male protagonist low his thirst for revenge becomes a powerful driving force in his life that eventually brings about his downfall This book will be of interest to those studying in the areas of Russian literature psychology and gender studies
