

A group of approximately eight young people, mostly seen from the back, are standing in a loose circle outdoors. They are all wearing bright yellow t-shirts and blue jeans. The person on the far right is wearing a white baseball cap. They appear to be in a group hug or a supportive circle. The background is a bright, slightly overcast sky. why you're even doing youth ministry in the first place. If you've ever stopped to ask, "What's the point of youth ministry?" In *Taking Theology to Youth Ministry*, Andrew Root invites you along on a journey with Nadia, a fictional youth worker who is trying to understand the why behind her ministry. Her narrative along with Root's insights help you uncover the action of God as it pertains to your own youth ministry and encourage you to discover how you can participate in that action. As you join this theological journey, you'll find yourself exploring how theology can and should influence the way you do youth ministry.

Navigating Student Ministry Tim McKnight, 2022-03-01 *Navigating Student Ministry* is a multi-contributor introductory textbook designed to help those who are discerning a call to student ministry, new to serving in this area of the church or training others as they minister to students.

101 Ideas for Making Disciples in Your Youth Group Kent Julian, Julian C. Kent, 2008-06-29 Create a missional youth ministry where disciple making happens naturally by exploring the idea of ACTS: Adoration, Community, Truth, and Grace, and Serving and Sharing Through ACTS. You'll see Jesus' style of ministry and how to apply it to yours. With 101 ideas that are easy to implement, your ministry can start looking the way you envisioned.

God at the Mall Pete Ward, 1999 Ward combines theologically based theory and practical application to encourage youthworkers to meet kids where they're at, befriend them, and then begin to introduce them to Christ. Helpful discussion questions follow each chapter. Ward's passion for God's word and youth is evident. He has a unique, uncompromising ability to maintain an integrity and consistency in theology while making ministry to teenagers practical and culturally relevant.

Steve Gerali, Judson College. A fresh perspective: Ward integrates the theology, sociology, and missiology of youthwork in a way that will force church leaders to rethink youth ministry and youthworkers to rethink the church.

Paul Borthwick, Director, World Evangelical Fellowship Commission. Too much of today's youth ministry is shaped by a thin brew of pragmatism and panic that talks about how without ever talking about why. The end result is a generation of youthworkers who have been well trained in general to do nothing in particular.

In *God at the Mall*, Pete Ward's keen mind and warm heart offer us that rare combination of thoughtfulness and passion that asks not only how do we get there but also where are we going and what kind of cultural landscape are we passing through to get there. I don't know of any youth ministry thinker who has done more to translate in depth sociological research into the world of everyday real-life youthwork. Don't read this book unless you're ready to think and pray and rethink the way you do youth ministry.

Duffy Robbins, Chair, Department of Youth Ministry, Eastern College. Pete Ward is uniquely gifted as a cultural observer, as one who can relate especially to rebellious young people, and as a leader of leaders, as well as of youth.

Dean Borgman, Charles E. Culpeper Professor of Youth Ministries, Gordon-Conwell Theological Seminary, from the foreword.

Unleashing God's Word in Youth Ministry Barry Shafer, 2009-05-26 Whether Bible studies are a regular part of your ministry or you're thinking about how to bring Bible study into your ministry in a more significant way, chances are that you want to help your students enter into God's word in a way that challenges them and changes their lives. That's a goal worth working towards, but sometimes you will feel like it's a goal that you may never reach. *Unleashing*

God's Word in Youth Ministry is designed to help you develop a Bible study approach that engages students on a deeper level even if you're an avid curriculum user or someone who creates all your own discipleship materials from scratch. As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God's Word, you'll discover that Bible study for your students can be taken to a whole new level. In the pages of this book, you'll get beyond the typical Bible discussions and learn to confidently engage students in an in-depth search of God's Word. Teach teens how to study the Bible on their own. Be invigorated in your own personal interaction with the Bible. Gain confidence and competence in leading teens deeper in Bible studies and much more. If you want to take your students deeper into the Bible, discover what it takes to unleash God's Word in your own ministry and watch your students and youth ministry be transformed. **Youth**

Ministry in the 21st Century (Youth, Family, and Culture) Chap Clark, 2015-08-11. There are many philosophies and strategies that drive today's youth ministry. To most people, they are variations on a single goal: to make faithful disciples of young people. However, digging deeper into various programs, books, and concepts reveals substantive differences among approaches. Bestselling author Chap Clark is one of the leading voices in youth ministry today. In this multiview work, he brings together a diverse group of leaders to present major views on youth ministry. Chapters are written in essay-response fashion by Fernando Arzola, Greg Stier, Ron Hunter, Brian Cosby, and Chap Clark. As the contributors present their views and respond to each of the other views, they discuss their task and calling, giving readers the resources they need to develop their own approach to youth ministry. Offering a model of critical thinking and respectful dialogue, this volume provides a balanced, irenic approach to a topic with which every church wrestles. *The Complete Book of Youth Ministry* Warren S.

Benson, Mark H. Senter, III, 1987. *Practicing Baptism* Bård Eirik Hallesby Norheim, 2014-02-19. Where is Jesus Christ? This fundamental question is the starting point of this book, which investigates the shape of Christian life and ministry in a post-Christendom context. Over the last decades, there has been a shift in much of Western theology towards focusing on Christian practices in ministry and theological education. This may be seen as a way to deal with theological anxiety in an era of heightened personal autonomy. In *Practicing Baptism*, Bard Norheim critically analyzes the engagement in Christian practices. As a response to this engagement, Norheim develops a missional and diaconal theology for ministry focusing on the presence of Christ in Christian practices. Fundamentally, this is an attempt to answer a pressing question for today: What do Christians do? Norheim draws on Martin Luther's theology and his notion of the three modes of Christ's presence: the present tense of baptism and Luther's idea of the marks of the church. Based on this reading of Luther's theology, Norheim suggests that Christian life and ministry could be interpreted through the concept practicing baptism. **Perspectives on Family**

Ministry Timothy Paul Jones, 2019-11-15. Formational Children's Ministry (ēmerision: Emergent Village resources for communities of faith) Ivy Beckwith, 2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children's ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children's ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children's imaginations not just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children's ministry the book offers examples of how Ivy and other practitioners are implementing a formational model
