Hellstorm Thomas Goodrich, 2020-07-26 Millions murdered Millions raped Millions tortured Millions enslaved Millions of men women and children cast to the winds No matter what you have read about the Second World War no matter what you have been told about it no matter what you believe happened during the so called Good War forget it Now for the first time in over 70 years learn what the war and peace looked like to those who lost Discover what was done to Germany and her people in the name of freedom democracy and liberation In their own words in graphic detail this is their story **Hellstorm**

Thomas Goodrich, 2010 *The Fair Race's Darkest Hour* C. T. (Editor), 2018-04-17 Compared to the previous editions in this 2018 edition of *The Fair Race's Darkest Hour* I have eliminated my introductory remarks to each chapter and also a dozen essays Only the texts that have caused a considerable impact on my worldview have remained The first two pieces especially Hamilton's explain the baffling phenomenon of Aryan ethnocide However I must say that I not only abridged Hamilton's piece for this collection but other essays as well In this compilation there are two fundamental texts The first one a book review by J A Sexton of Tom Goodrich's *Hellstorm The Death of Nazi Germany 1944 1947* informs us about a Dantesque heart breaking Holocaust committed by the Allies on the Germans even after the war was over The second is a translation from Spanish of an online book authored by a Catalan blogger who uses the penname Evropa Soberana *Rome contra Judea Judea contra Rome*

The Forgotten German Genocide Peter C. Brown, 2021-07-31 The Potsdam Conference officially known as the Berlin Conference was held from 17 July to 2 August 1945 at Cecilienhof Palace the home of Crown Prince Wilhelm in Brandenburg and saw the leaders of the United Kingdom the Soviet Union and the United States gathered together to decide how to demilitarize denazify decentralize and administer Germany which had agreed to unconditional surrender on 8 May VE Day They determined that the remaining German populations in Poland Czechoslovakia and Hungary both the ethnic Sudeten and the more recent arrivals as part of the long term plan for the domination of Eastern Europe should be transferred to Germany but despite an undertaking that these would be effected in an orderly and humane manner the expulsions were carried out in a ruthless and often brutal manner Land was seized with farms and houses expropriated the occupants placed into camps prior to mass expulsion from the country Many of these were labor camps already occupied by Jews who had survived the concentration camps where they were equally unwelcome Further cleansing was carried out in Romania and Yugoslavia and by 1950 an estimated 11.5 million German people had been removed from Eastern Europe with up to three million dead The number of ethnic Germans killed during the cleansing period is suggested at 500 000 but in 1958 Statistisches Bundesamt the Federal Statistical Office of Germany published a report which gave the figure of 1.6 million relating to expulsion related population losses in Poland alone Further investigation may in due course provide a more accurate figure to avoid the accusation of sensationalism *The Morgenthau Plan* John Dietrich, 2013 Contrary to what is often reported in history books the Morgenthau Plan was a major element in postwar planning led by

Washington before the war was even over This book traces the roles played by Henry Morgenthau Jr Secretary of the Treasury to President Roosevelt and his assistant Harry Dexter White in the planning for the postwar world Close attention is given to the discussions leading up to the Second Quebec Conference in 1944 where Winston Churchill s acceptance of the plan was obtained It is clear that the effects of the policy were understood in advance The book follows the devastating consequences of the policies based on the plan and their contribution to the postwar collapse of the European economy Damning evidence shows that the Allies intentionally brought starvation and disease to large civilian populations while condemning millions of Germans to slave labor in neighboring countries and knowingly sending surrendered Russians to be sent back home for certain execution The motives of revisionist historians are suspect as they should be It is obvious that the conclusions that can be drawn from this account could be abused They could be used to condemn all Americans for the policies of some of their leaders They could also be used by people trying to justify the behavior of the National Socialists or by anti Semites However it should be pointed out that the American people paid an extremely high price for their Secretary of Treasurys interference in foreign affairs It should also be pointed out that one of the severest critics of Western postwar policy was the Jewish publicist Victor Gollancz This account is based primarily on unclassified information that has been available to the public for decades Although many accounts of the Morgenthau Plan accept the euphemisms understatements and outright fabrications offered by the individuals concerned this account will demonstrate that it was not impossible for a conscientious researcher to uncover a more accurate picture of the truth However most scholars have decided to accept at face value statements that on close inspection are obviously false Some of these misstatements concerning the Morgenthau Plan are understandable It is less understandable when a respected biographer like Robert E Sherwood intentionally distorts the historical record The contradictions between what really happened and what Americans believe and have been told are manifold It is ironic that Nazis who committed the most terrible crimes frequently received more humane treatment at the hands of the Allies than Germans who had opposed Nationalist Socialism It is also striking to note the evidence that key individuals had Communist leanings and it was the Soviet Union that benefited most from the Morgenthau Plan Many of the subjects dealt with in this manuscript are fertile ground for a researcher wanting to make a name for himself They are nearly virgin territory Why have so many of these subjects been treated as taboo When will our historians feel free to explore the implications that America s progressive establishment was frequently in alignment with Communist goals
