Nester, 2013 But critics then and since have blasted Jefferson and his immediate successor James Madison for a series of ideologically driven blunders Jefferson envisioned a largely autarkic nation with yeoman farmers serving as its economic and political backbone That notion was at odds with an America whose wealth was increasingly gleaned from foreign markets The Republican policy of wielding partial or complete trade embargos as a diplomatic weapon repeatedly backfired inflicting grievous damage on America s economy and culminating with an unnecessary war with Britain that was devastating to America s power and wealth if not its honor Despite their philosophical and political differences Federalists and Republicans alike proved capable enough at the art of power when they headed the nation They implemented a spectrum of mostly appropriate means first to win independence and then to consolidate and eventually expand American wealth and territory

Art and Power Dawn Ades, Hayward Gallery, Centre de Cultura Contemporània de Barcelona, Deutsches Historisches Museum, 1995 This survey provides an in depth study of the relationship of art and power in what has been called the Europe of the Dictators between 1930 and 1945 published as the catalogue for a major exhibition at the Hayward Gallery which opened in late 1995 In Hitler s Germany Stalin s USSR and Mussolini s Italy art was used to reinforce the strength of the political rulers to shape and influence to celebrate and demonstrate the seductive nature of power But despite the ambitious architectural projects and public monuments the grand portraits and gigantic sculptures artistic freedom was restricted under these regimes Art movements that had flourished pre 1930 were suppressed and efforts were channelled into new populist forms that expressed the ideals of the state With over 450 illustrated examples ranging from painting and sculpture to large scale architecture from cinema and photography to literature this volume examines in essays by some of today s leading art historians the often uneasy relationship between art and power Including biographies of all the artists and architects an illustrated chronology and extracts from contemporary reviews and journals this text should be a valuable resource for students and art historians and an important study for anyone interested in the history of the period Thomas
