Three Days Of Darkness:

The Coming Three Days of Darkness Joanne M. Ballinger, 2015-12-14 There shall come over the whole earth an intense darkness lasting three days and three nights He who out of curiosity opens his window to look out or leaves his home will fall dead on the spot The air shall be infected by demons who will appear under all sorts of hideous forms Blessed Anna Maria Taigi What is the prophecy of the three days of darkness Sacred Scripture saints and prophets have foretold days of darkness to encompass the earth towards the end of times What is the significance and meaning of this prophecy and are there current signs of the approaching darkness Will demons be released from hell Why is the number three significant Are there ways to prepare for this dark prophecy In this compelling book author Joanne Ballinger examines these prophecies of the impending chastisement Current events indicate this prophecy is closer than ever We are living in dangerous and turbulent times Divine Justice is imminent

Three Days of Darkness Janice Magner, 2009-08-10 Three Days of Darkness is based on a true prophecy circulating worldwide The prophecy is real but what happens in the story line is fiction implying that it could happen when the prophecy manifests itself Hold onto your seats with both hands as you are in for a thriller of a story beginning with Father McGrath's sermon explaining the prophecy up until the very last cliff hanger page Ms Magner teases her audience changing gears moving from one family to the next and taking her readers through what all of them had to endure during three long horrific days of darkness Three Days of darkness will make you prepare for these darkest days ahead It will bring you through all the steps you must take teaching in a subtle way what is most necessary for survival as well as teach its readers how to pray All of hell will be emptied out Ms Magner gives credence to the images of demons she so carefully describes having researched actual exorcisms and the behaviors of devils One reader remarked You scared the crap out of me Much of the prophecy described is to be taken very seriously there is a stern warning that those who scoff at it will die instantly when the dark days are at hand There is a fine line between what is real and what is fiction excellently executed The characters in Three Days of Darkness are ordinary people living ordinary lives until the great chastisement suddenly changes their lives forever The leisurely summer days in a carefree neighborhood suddenly turn into the darkest of nights filled with terror Readers have remarked this is a quick read You cannot put the book down Once you begin you have to read it to the very last page a cliff hanger ending Everyone who has read this book wants a sequel This is one of the summer's greatest thrillers It would make an excellent door buster movie Three Days of Darkness is available in print through Xlibris com Borders com Amazon com Barnesandnoble com and various websites

The Three Days of Darkness and the Time of Peace Ronald Conte, 2014-11-06 The tribulation i e the apocalypse is divided into two parts the first part occurs during this generation and the second part occurs in the distant future During the first part of the tribulation many difficulties trouble the whole world war civil unrest famine death from a variety of causes But the last afflictions of this part of the tribulation are even more severe Then all of these sufferings culminate with the most severe event of the first part of

the tribulation the Three Days of Darkness An understanding of this event can be found in Sacred Scripture if it is read with faith Many Saints and other holy persons also prophesied about this future affliction Even the Blessed Virgin Mary in the apparitions at La Salette spoke about this terrible event and the many deaths that would result And so both Divine Revelation and private revelation can inform us about the Three Days of Darkness After the Three Days of Darkness all is not lost Immediately a time of great peace and holiness ensues and the survivors rebuild society in devout fear of God For the Three Days of Darkness is the last event of the first part of the tribulation after which occurs a brief time of peace lasting about 25 years This time of peace is the beginning of the inter tribulation period This booklet is divided into three sections 1 The Three Days of Darkness in Sacred Scripture 2 The Three Days of Darkness in Private Revelation 3 A Brief Time of Peace Holiness and Rebuilding This booklet is based on the author s longer work entitled The First Part of the Tribulation Ronald L Conte Jr is the translator of the Catholic Public Domain Version of the Bible and the author of several works of Roman Catholic eschatology His other books cover diverse subjects in theology including Mariology Biblical chronology ethics and other topics

The Approaching Apocalypse and Three Days of Darkness Michael D. Fortner, 2016-04-23 God destroyed the world once with a Flood and the Bible says the next destruction will be with fire at the return of Christ God is going to send fire from heaven from several different sources from asteroid impacts coronal mass ejections and from a small 2nd sun that will come close enough to Earth to burn us with its flames Yes there are in fact many prophecies that reveal this information going all the way back to the Erythraean Sibyl These prophecies tell us what the signs in the sun moon and stars will be before the global destruction hits us Today we look at a conjunction of planets or blood moons as signs but they are not signs of the end of the world because those things have happened many times before and will happen again No the signs that Jesus told us about are astonishing and shocking Like the prophet Joel said there will be wonders in the sky This book also presents powerful evidence that a nuclear war will cause the world to be covered with dark clouds threatening to plunge the world into a nuclear winter This is the cause of the darkness and clouds at the return of Christ and the Three Days of Darkness prophesied mostly but not only by Catholics The three days are the first three days of what will be nuclear winter except Christ returns with fire that will burn up the black clouds and saves the world But that fire will itself kill many people It will be the Day of Judgment for sinners but the Day of Salvation for the righteous who are alive on Earth Many people will repent too late to make the Rapture and it is these who will continue the human race in the Kingdom of God on Earth This book is filled with many prophecies from the Book of Enoch Sibylline Oracles Apocrypha Pseudepigrapha and even Catholic and Protestant prophecies It was written to warn God s people to prepare in advance so that they can better survive those terrible days that include the Great Tribulation and the Wrath of God at the end Introduction Chapter 1 Understanding Christ s Return Chapter 2 7 Bowls of Wrath Chapter 3 Cosmic Impacts Chapter 4 Earth Changes Chapter 5 The Apocalypse of Thomas Chapter 6 The Miracle of the Sun Chapter 7 Various Catholic Prophecies Chapter 8 Protestant and Other Prophecies
