Copyright Office,1966 How to Write a Song that Matters Dar Williams,2022-09-06 An effective and inspiring guide to songwriting by prolific iconic singer songwriter Dar Williams How to Write a Song That Matters is an invaluable guide to writing music by a woman who knows how to do it and do it well iconic singer songwriter Dar Williams

For years now Williams has led songwriting retreats for musicians from beginners to professionals in which she elevates the process of songwriting over the assessment of the product This book makes those intimate experiences accessible for songwriters across the globe gifting them with the insight Williams has gleaned from her decades of experience First it encourages songwriters to find something that inspires them and then to follow that inspiration letting the clues of those first few notes or lines lead their narrative Soon the initial rhythms the unique sounds of the melody and or specific vocabulary emerge giving birth to a voice or a world that the song can exist in As the writer proceeds Williams encourages them to ask themselves Where did I go Where did I REALLY go What happened What REALLY happened What am I bringing back There are many other songwriting guides that hint to the reader that writing a hit song may be on the horizon if only the reader correctly follows the guide or program In this book however Williams shows readers how to tap into their OWN creative process using their psyches their unique life experiences and their muses to write the songs that they are meant to write By focusing on the process of creating a song that matters as opposed to producing a well constructed widget from a song factory songwriters will be able to establish their own voice and use it to make meaningful music Perfect for music lovers of all sorts who want to write songs
