The World That Was Before Adam!

Worldthat Was Before Adam

John Mumba

World that Was Before Adam:

The World Before Adam; Or, Geological Footprints of Jehovah. [Illustrated.] A. Beanland, 1876 *Men before Adam. Or a discourse upon the twelfth, thirteenth, and fourteenth verses of the fifth chapter of the epistle of the Apostle Paul to the Romans. By which are prov'd that the first men were created before Adam. (A theological system upon that presupposition that men were before Adam. The first part.) [Translated from the "Præadamitæ" of I. de la Peyrère.]*, 1656 **Pre-Adamite World Revealed in God's Word** James D. Elliott, 2011-07-19 none *Understanding Your Spirit World* John Mumba, 2014-12-15 There are dominion forces in our atmosphere that people can be subjected to and these forces can make them alien to natural and evil forces that dominate human life This dynamic enablement comes about when a person's soul anchors itself to the real source of life The soul is a spiritual embodiment of knowledge and emotion in man A soul is a search engine in man it seeks a resting place to which it can attach itself so it can draw out the virtues of knowledge and emotion When a person's soul is changed everything about that person takes a different route Man's nature changes only when a complex soul is achieved The soul draws from blood its ability to unite with another soul to form a complex soul Without blood the soul cannot find its resting place and cannot be changed This is why the first requirement in the salvation of man is blood And the blood of salvation needed to have different contents from the usual human blood on earth The contents of the blood of Jesus can make people live like Martians in this world Common human blood is highly wicked and only leads man to unite himself with wicked spiritual forces to form a soul that is dominated by evil *The last vials: being a series of essays upon the subject of the second advent. Publ. separately in the year 1846. By a clergyman [R.A. Purdon]. 10th ser.; 17th year, no.1-28th year, no.4* Robert A. Purdon, 1855 *The Sacred and Profane History of the World Connected ... Revised, Corrected, and Greatly Improved, by James Creighton ... The Fifth Edition, Illustrated with a New and Correct Set of Maps and Plans, and an Extensive Index. Vol. 1, 2, 4* Samuel SHUCKFORD, 1858 The Good News of the Kingdom for a Modern World Elaia Luchnia, 2013-05-10 Nearly 2000 years ago the Good News of the Kingdom began to be preached throughout the Mediterranean by a carpenter's son Jesus of Nazareth His teachings restored dignity and religious freedom to all who heeded his message of hope However within 400 years Christianity had lost its way and reverted back to the old ways of clergy laity distinctions Ecclesiastical authority brought divisions and sects and pitted Christian against Christian The individual disciple lost his spiritual autonomy and was relegated to a position of servitude to a church rather than as a dynamic free son of God As a result the Good News as Jesus conceived it has to a large extent been submerged under so much dogma Christianity today languishes for lack of a new vision of Jesus life and the religion that he practiced Modern man will refuse to accept a religion which is inconsistent with known facts and out of harmony with his highest conceptions of truth beauty and goodness He will not acquiesce to a religion based on superstitious bondage and religious fear Therefore what is needed is a new revelation of Jesus life illuminated with a new understanding of his Good News of eternal salvation The purpose of this book

is to reintroduce Jesus to mankind The world needs new leaders spiritual men and women who will dare to depend solely on Jesus and his incomparable teachings Until then worldwide harmony will continue to be the illusive dream of a hopeful minority instead of the tangible reality of a God knowing human race And when this Good News is preached in all the inhabited earth the end of wickedness sorrow distress and anguish will come Matthew 24 14 *Out of the Depths* Edward Charles Murrell,2017-03-05 When Evangelist Edward Charles Murrell asked a young man if he were saved the man said he was thinking about it but two questions were bothering him Where did the dinosaurs come from and where did Cain get his wife Over the next 30 years Murrell searched for answers to those questions and more In *Out of the Depths* Murrell looks at the Bible and more obscure works such as *The Second Book of Enoch* and *Life of Adam and Eve* to answer questions about the heavens and the three worlds God created The world of giants which God the Father made for his son Satanail who fell from grace The world of Adam whom God created to be the door for Jesus to come through to redeem the world The world of Noah our world which God promised not to destroy by flood again Murrell offers some surprising answers He shares how giants came into being explains how the dinosaurs died identifies Jesus as the archangel Michael and explains God's power to change women into sons of God **The Bible, Genesis & Geology** Gaines R. Johnson,2010-05-23 Does a time gap exist between the first two verses of Genesis In this book you will learn about a controversial lesser known literal interpretation of the Genesis narrative that does not contradict the scientific evidence for an Old Earth Commonly called the Gap Theory or Ruin Reconstruction interpretation it is a theological interpretation much older than Darwin's Theory of Evolution It is based on the Scriptural fact that in the second verse of Genesis the Holy Bible simply and clearly states that the planet Earth was already here but in a ruined state before the creative process of the seven days even begins The Bible itself provides insight into a great mystery in Earth's natural history at what is known as the Pleistocene Holocene boundary Science remains at a loss to definitively explain the Ice Age and the anomaly of the mysterious mega fauna extinctions across the face of the Earth about 12 000 to 10 000 Radio Carbon years ago Geologic evidence from that period indicates extraordinary global massive volcanism gigantic tidal waves seismic activity on a vast scale and extreme temperature swings on the Earth over a geologically brief period of time It is no coincidence that the Bible at Genesis 1 2 describes the Earth as flooded desolate and in darkness in the time frame closely corresponding to these catastrophic events in the Earth's natural history Clearly these two mysteries are linked The Earth has an ancient natural history that can be deciphered from the geologic record but it also has an equally important ancient spiritual history that can only be deciphered from Rightly Dividing the Holy Bible Knowledge of both is required to correctly reconcile Geology and the Book of Genesis Pre-Adamite Death proved to be a geological delusion Thomas HUTTON (F.G.S., Captain, Bengal Army.),1863
