

The background of the book cover is a detailed illustration of a celestial globe. It features a circular horizon with a red border. Inside the globe, there are various celestial markers and lines. The word "ZENITH" is visible at the top, and "NADIR" is at the bottom. Other labels include "A N V S" and "IDIA 4 C". The globe is surrounded by clouds and small figures, possibly cherubs, at the top and bottom edges. The entire globe is framed by a red border.

Worldwide Laws Of Life 200 Eternal Spiritual Principles:

Worldwide Laws of Life John Templeton,1997

Worldwide Laws Of Life John Marks Templeton,2011-09-01

Worldwide Laws of Life is full of wisdom drawn from the major sacred Scriptures of the world and various schools of philosophical thought as well as from scientists artists historians and others Its aim is to assist people of all ages to learn more about the universal truths of life that transcend modern times or particular cultures This treasury of practical morality personal inspiration and daily guidance is perfect for people of all persuasions The organization facilitates group or personal study and spiritual development

The Essential Worldwide Laws of Life Sir John Templeton,2012-02-15 What does it mean to live a good life The major scriptures of the world various schools of philosophical thought storytellers scientists artists and historians have all offered answers to this question Surprisingly these answers are common among nearly all sources Famed investor and philanthropist Sir John Templeton called these commonalities the laws of life Templeton gathers the best of these teachings in The Essential Worldwide Laws of Life This handsome volume shows readers of all ages from all parts of the world how to make their lives more joyous and useful by learning the universal truths that transcend time and culture Each law is presented in an essay format with stories commentary and quotations to illustrate its importance The material is designed to inspire the reader to put these laws into practice and to enjoy the rewarding life that will result

The Code for Global Ethics Rodrigue Tremblay,2010-12 Humanists have long contended that morality is a strictly human concern and should be independent of religious creeds and dogma This principle was clearly articulated in the two Humanist Manifestos issued in the mid twentieth century and in Humanist Manifesto 2000 which appeared at the beginning of the twenty first century Now this code for global ethics further elaborates ten humanist principles designed for a world community that is growing ever closer together In the face of the obvious challenges to international stability from nuclear proliferation environmental degradation economic turmoil and reactionary and sometimes violent religious movements a code based on the natural dignity and inherent worth of all human beings is needed more than ever In separate chapters the author delves into the issues surrounding these ten humanist principles preserving individual dignity and equality respecting life and property tolerance sharing preventing domination of others eliminating superstition conserving the natural environment resolving differences cooperatively without resort to violence or war political and economic democracy and providing for universal education This forward looking optimistic and eminently reasonable discussion of humanist ideals makes an important contribution to laying the foundations for a just and peaceable global community

Possibilities for Over One Hundredfold More Spiritual Information Sir John Templeton,2000-08-15 Sir John Templeton challenges the reader to apply the same energy that has been devoted to scientific inquiry to the pursuit of spiritual information The world is at a state of unprecedented technical expertise but why has our knowledge and faith in our own spirituality stalled and become obsolete in recent times Possibilities for Over One Hundredfold More Spiritual Information seeks to address this question It

points out that our spiritual knowledge would also have the capacity to increase dramatically if we were to open our minds to the endless possibilities that await us in terms of our spiritual lives These include altruistic love for all people new knowledge of the Divine and a greater sense of our place in the universe In order for us as human beings to take advantage of all of the spiritual gifts that we have been given we need to be open and receptive to our individual spiritual natures and to open ourselves to the limitless spiritual possibilities available to us The book acknowledges the ancient scriptures and thinkers who have guided us for centuries Vastly expanded research and the use of scientific method would only enhance our understanding of the wisdom contained within these wise teachings The benefits of extending our spiritual knowledge might in fact exceed the benefits we have realized thus far from scientific and medical advances Possibilities seeks to reawaken our desire for spiritual knowledge pushed aside so long ago in our quest for scientific knowledge When these fields work together the world will reap greater rewards that we can ever imagine **Sir John Templeton** Robert

Herrmann,2013-11-04 The biography of the Wizard of Wall Street who has dedicated his life to advancing the scientific study of spiritual realities has been revised and updated Sir John Templeton was an inspiring and motivational force both through his personal example and through the foundation that bears his name and is dedicated to his mission This volume reviews the life of this man of vision from his childhood in rural Tennessee to his education at Yale and Oxford to his legendary years on Wall Street the birth of his children and the development and growth of humility theology science Interwoven with the stories and facts are the roots of his faith and the values that he credits for his financial success and are the catalyst for his lifelong mission Sir John s biography updates the growth of the many and varied programs of the John Templeton Foundation that support this mission It also introduces some of the scientists theologians philosophers writers and fellow investors who now serve as staff and advisors to the John Templeton Foundation striving toward Sir John s goal of one hundred fold more spiritual information gained through the application of scientific methodology and analysis **Attract Your Dreams** Amber

Dayva,2013-07-03 Everyone has dreams desires wishes Few know how to turn those dreams desires and wishes into reality Amber Dayva draws on her own life s experiences and recounts her personal journey to success through conscious dreaming as she helps guide you along your own path to realizing your dreams You will learn how to properly articulate your goals and consciously dream about how to achieve them how to determine your true desires and how to differentiate them the desire to desire You will learn how to interpret the labyrinths of your dreams and understand what your dreams are telling you You will learn how to overcome your weaknesses and past failures and trust in your inner strength and the power of your thoughts You will learn to recognize your dream thief and how to thwart his attempts to lead you astray True love financial success and a life of happiness can be within your grasp once you learn how to consciously dream of it and trust what your dreams are telling you You will learn how to turn your dream life into real life Sir John's Vision Paul Davies,George R.

Ellis,Keith Ward,2018-08-13 In 2017 the year marking the 105th anniversary of the birth of Sir John Templeton a group of

scientists scholars and advisors who knew him personally gathered in Lyford Cay in the Bahamas Their purpose to discuss how the Foundation that bears his name could best extend his philanthropic vision into the twenty first century This volume is a result of that meeting a collection of thirteen essays written by experts in fields that most fascinated Sir John The contributors assess the Foundation s fidelity to its founder s intent chart promising avenues for future grantmaking and champion Sir John s contrarian mission of unlocking life s deepest mysteries The members of the John Templeton Foundation are the custodians of Sir John s vision bold in its aspiration humble in its approach charged with using the tools of science to advance the frontiers of the spirit May the essays collected here serve as inspiration as we carry that vision forward

Globalization, Critique and Social Theory Harry F. Dahms,2015-11-16 In recent years under the impression and the burden of globalization and neoliberalism debates about the relationship between the theory and practice of progress including the theory and practice of social critique have gone through an unexpected and momentous revival renewal and rejuvenation *Wisdom From World Religions* John Marks Templeton,2008-01-01 Every religion acknowledges certain spiritual principles and records them in its sacred literature and traditions This book curates these ancient teachings and shows how they apply to modern life with the help of parables quotations and commentaries By reading *Wisdom from World Religions* people from all walks of life will be inspired to pursue their own spiritual growth and to contemplate questions central to our existence such as how through love and creativity can we be agents of divinity on earth Uplifting and instructional this is a book to be treasured studied and practiced
