Worship in the New Testament Gerald L Borchert, 2008-06-01 Gerald Borchert provides a unique survey of the New Testament by centering on its understanding teaching language and reflections of worship He seeks to show how worship language and action lie behind much of the New Testament and how the modern church can gain a new power in worship through renewed reflection on the New Testament Borchert first looks at the larger New Testament unit gospels Pauline letters pastorals etc Then he takes each book in the section passage by passage and shows how worship constantly enters into the author s style and purpose in bringing that author s unique meaning to the individual context He concludes each section with a terse Worship Summary of the biblical book and with questions for the reader to contemplate Thus Borchert invites the reader to enter into the worship discussion and find ways to give depth meaning and hope to personal and congregational worship At each step Borchert underlines the deep connection between worship and life The Letters of Paul as Rituals of Worship John Paul Heil, 2012-06-28 In this interpretation of the corpus of the thirteen New Testament letters attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message **Biblical Worship** Benjamin K.
