[A Reasonable Doubt](#) Phillip Margolin, 2020-03-10

A magician linked to three murders and suspicious deaths years ago disappears in the middle of his new act in New York Times bestseller Phillip Margolin's latest thriller featuring Robin Lockwood. Robin Lockwood is a young criminal defense attorney and partner in a prominent law firm in Portland, Oregon. A former MMA fighter and Yale Law graduate, she joined the firm of legal legend Regina Barrister not long before Regina was forced into retirement by early-onset Alzheimer's. One of Regina's former clients, Robert Chesterfield, shows up in the law office with an odd request: he's seeking help from his old attorney in acquiring patent protection for an illusion. Chesterfield is a professional magician of some renown, and he has a major new trick he's about to debut. This is out of the scope of the law firm's expertise, but when Robin Lockwood looks into his previous relationship with the firm, she learns that twenty years ago he was arrested for two murders: one attempted murder and was involved in the potentially suspicious death of his very rich wife. At the time, Regina Barrister defended him with ease, after which he resumed his career as a magician in Las Vegas. Now, decades later, he debuts his new trick only to disappear at the end. He's a man with more than one dark past, and many enemies; his disappearance is tied to one of the many people who have good reason to hate him. Was he killed, and his body disposed of, or did he use his considerable skills to engineer his own disappearance? Robin Lockwood must unravel the tangled skein of murder and bloody mischief to learn how it all ties together. **A Matter of Life and Death** Phillip Margolin, 2021-03-09

A genuine whodunnit. Kirkus Reviews Phillip Margolin, the master of the courtroom thriller, returns with *A Matter of Life and Death*, a classic mind-bending puzzle. As Attorney Robin Lockwood must face her most challenging case yet, with everything stacked against her client and death on the line, Joe Lattimore, homeless and trying desperately to provide for his young family, agrees to fight in a no-holds-barred illegal bout only to have his opponent die. Lattimore now finds himself at the mercy of the fight's organizers, who blackmail him into burglarizing a house. However, when he breaks in, he finds a murdered woman on the floor, and the police have received an anonymous tip naming him the murderer. Robin Lockwood, an increasingly prominent young attorney and former MMA fighter, agrees to take on his defense. But the case is seemingly airtight: the murdered woman's husband, Judge Anthony Carasco, has an alibi, and Lattimore's fingerprints are discovered at the scene. But everything about the case is too easy, too pat, and Lockwood is convinced that her client has been framed. The only problem is that she has no way of proving it, and since this is a death case, if she fails, then another innocent will die.
