Wouldnt It Be Nice My Own Story By Wilson Brian 1996 Paperback:

Why the Beach Boys Matter Tom Smucker, 2018-10-02 An excellent introduction to the band that might have evolved the author suggests into the Beatles New York Journal of Books Of all the white American pop music groups that hit the charts before the Beatles only the Beach Boys continued to thrive throughout the British Invasion to survive into the 1970s and beyond The Beach Boys helped define both sides of the era we broadly call the sixties split between their early surf car and summer pop and their later hippie counterculture and ambitious rock No other group can claim the Ronettes and the Four Seasons as early 1960s rivals the Mamas and the Papas and Crosby Stills and Nash as later 1960s rivals and the Beatles and the Temptations as decade spanning counterparts This is the first book to take an honest look at the themes running through the Beach Boys art and career as a whole and to examine where they sit inside our culture and politics and why they still grab our attention

Wouldn't It Be Nice Charles L. Granata, Tony Asher, 2016-10-01 When he first started working on Pet Sounds Brian Wilson said that he was going to write the greatest rock album ever made That album released in 1966 fifty years ago changed the face of popular music From conception and composition to arrangement and production Pet Sounds was the work of one extraordinary man Turning his back on the protest songs and folk rock of his contemporaries and even on the bright surf sound of his own creation Brian Wilson reached deep within himself to make music that struck an emotional chord and touched people's souls Embracing the rapidly advancing recording technology of the time he expertly created an original studio sound that would inspire generations of listeners and musicians Featuring a detailed track by track analysis of the songs and extensive interviews with key personalities Wouldn't It Be Nice reveals the influences musical personal and professional that together created this groundbreaking album Now revised to include new information and recent developments this is the definitive book on one of the greatest albums ever made

The Poetics of Rock Albin Zak, 2001-11-20 This title provides a fascinating exploration of recording consciousness and compositional process from the perspective of those who make records

Popular Musicians: Sonny and Cher-ZZ Top. Indexes, 1999

Inside the Music of Brian Wilson Philip Lambert, 2007-03-19 Inside the Music of Brian Wilson is as author Phillip Lambert writes in the prologue completely and intensely focused on the music of Brian Wilson on the musical essence of his songs and the aesthetic value of his artistic achievements It acknowledges the familiar biographical contexts of his songs but it tells completely new stories about the birth and evolution of his musical ideas identifying important musical trends in his work heretofore undisclosed inter song connections within his music or between his music and that of others and the nature and extent of his artistry It aims not just to identify great songs but to explain exactly what makes them so Lambert a renowned musicologist brings to this work to life with both his professional expertise and an infectious personal appreciation of the power of pop music His clear engaging tone and accessible writing style allows even a musically inexperienced reader to follow him as he traces Wilson's musical evolution with a particular focus on the years leading up to the writing and recording of Pet Sounds

and SMiLE albums which many consider to be the masterpieces of his oeuvre Inside the Music of Brian Wilson is the definitive book on Wilson's music and is essential reading for fans of Brian Wilson the Beach Boys and great pop music Includes THREE amazing Appendixes Appendix 1 Brian Wilson Song Chronology Appendix 2 Four Freshmen Albums 1955 1961 Appendix 3 Favorite Songs and Influences Through 1961 The most complete song chronology ever published *The Virgin Illustrated Encyclopedia of Pop & Rock* Nic Oliver, 2002 Cut through the haze of rock reference with the updated second edition of this illustrated encyclopedia There are over 1800 entries on the stars who have shaped rock history whether they were destined to become icons or bygones influential or infamous Each entry provides essential facts and opinion on songwriters musicians and producers and includes a sidebar of star rated recommended albums There are over 600 images to complement the text and a full album listing for each act at the back of the book *Dark Mirror* Donald Brackett, 2008-09-30 Singer songwriters lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed here including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their profoundly unique voices appear to be the only ones capable of conveying their unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak so eloquently for all the rest of us Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life *Dark Mirror* explores the intricate nature of isolation and self absorption in the singer songwriter's creative work Lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed in this volume including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their voices appear to be the only ones capable of conveying their own unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak so eloquently for all the rest of us This work is divided into three principal sections part one delves into the singer songwriters who function primarily as solo artists part two explores singer songwriters who function primarily as part of a team and who wouldn't write quite the same material for a different partner and part three surveys those who function as members of a larger thematic community or stylistic tribe within which they share certain creative

sentiments Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life *Dark Mirror* explores the intricate nature of isolation and self absorption within the singer songwriter s creative work
