Women Living With Self Injury:

Women Living With Self-Injury Jane Hyman,1999-09-27 A compassionate view of a stigmatized condition Women Living With Self-Injury Jane Hyman,2010-06-17 A compassionate view of a stigmatized condition **Understanding Repeated Self-Injury** Digby Tantam,Nick Huband,2009-03-31 Why do some people repeatedly injure themselves How common is this form of self harm How can professionals offer appropriate intervention and support to those whose lives are troubled by it either directly or indirectly This authoritative and systematic book adopts a holistic approach to the problem of repeated self injury and the difficult emotions and experiences that it gives rise to Bringing together theory research and a wealth of case vignettes Understanding Repeated Self Injury examines both the psychological and physical aspects of self injury The authors explain how deliberate cutting or burning of the skin is used by many as a way to overcome and temporarily escape bad feeling and thus transcend the limits of their identity In particular the book Presents a unifying model for theory and practice based on the phenomenology of self injury Examines the important role of identity and dissociation in perpetuating self injury Considers the wider impact of self injury on family and friends and on staff Addresses treatment strategies and self help resources Each chapter draws on the authors considerable clinical experience across a range of contexts and is written with professionals and trainees particularly in mind This book is an essential introduction and indispensable resource for those working or considering to work in counselling therapeutic and health care settings where they are or might be confronted with the complexities of self injury *New Directions in Treatment, Education, and Outreach for Mental Health and Addiction* Thalia MacMillan,Amanda Sisselman-Borgia,2018-02-20 This practice enhancing volume assembles the latest innovative thinking on working with clients who have both mental health diagnoses and substance use disorders Diagnosis is a central focus of the coverage untangling the often knotty considerations surrounding dual diagnosis and the complex issues surrounding treatment even in frequently seen combinations e g depression alcohol abuse The section on practice emphasizes meeting patients where they are and making use of their community cultural and spiritual contexts in crafting interventions And the book s ambitious chapters on professional development describe training programs with the potential to produce the next generation of responsive knowledgeable and flexible therapists Among the topics covered Comprehensive assessment of substance abuse and addiction risk in adolescents The relationship between attachment and addiction Addiction in the community the role of emergency services Substance use during and after major crisis and disaster a practitioner s guide Practice advocacy and outreach perspectives on addiction services Teaching the importance of developing the therapeutic relationship *New Directions in Treatment Education and Outreach for Mental Health and Addiction* equips health and clinical psychologists social workers and addiction counselors and educators with a well rounded understanding of a growing population and a wealth of perspectives on effective new interventions Healing the Hurt Within 3rd Edition Jan Sutton,2007-11-12 Skillfully woven together with empathic insight into the lives and minds of

those who self injure Healing the Hurt Within is replete with the latest developments in the field informative statistical data instructive diagrams carefully selected resources case studies expert testimonies and practical self help activities The author s warmth compassion and regard for those caught in the cycle of self injury shines through the pages of this profoundly enlightening and extensively updated 3rd edition Healing the Hurt Within offers solace hope and direction to those who self injure guidance to family and friends supporting a loved one who self injures and guidelines to professionals and voluntary caregivers on how to respond to clients that self injure *Gender and Globalization in Asia and the Pacific* Kathy E.

Ferguson, Monique Mironesco, 2008-08-01 What is globalization How is it gendered How does it work in Asia and the Pacific The authors of the sixteen original and innovative essays presented here take fresh stock of globalization s complexities They pursue critical feminist inquiry about women gender and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis The work is generated from within Asian and Pacific spaces bringing to the fore local voices and claims to knowledge The geographic emphasis on Asia Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages Although the book focuses on global gendered flows it expands its investigation to include the media and the arts intellectual resources activist agendas and individual life stories First rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated Taking feminist political thinking beyond simple oppositions the authors ask specific questions about how global practices work how they come to be who benefits and what is at stake Contributors Nancie Caraway Steve Dern Cynthia Enloe Kathy Ferguson Maria Ibarra Gwyn Kirk Sally Merry Virginia Metaxas Min Dongchao Monique Mironesco Rhacel Parrenas Lucinda Peach Vivian Price Jyoti Puri Judith Raiskin Nancy Riley Saskia Sassen Teresia Teaiwa Chris Yano Yau Ching [A History of Self-Harm in Britain](#) Chris

Millard, 2015-07-31 This book is open access under a CC BY license and charts the rise and fall of various self harming behaviours in twentieth century Britain It puts self cutting and overdosing into historical perspective linking them to the huge changes that occur in mental and physical healthcare social work and wider politics **Living Inside Prison Walls**

Victoria R. DeRosia, 1998-12-09 Are advantaged offenders defenseless against the harshness of prison life Based upon a qualitative study of the prison adjustment of advantaged offenders those who prior to prison possessed college degrees and held high status occupations with commensurately high incomes this book challenges the special sensitivity hypothesis and concludes that these offenders adjust well to incarceration The author compared a group of advantaged offenders to a similar group of nonadvantaged offenders both drawn from New York State prisons and discovered that the advantaged offenders exhibited little if any engagement in institutional misconduct They also adopted effective coping strategies DeRosia presents

a thematic analysis of in depth focused interviews with both subsamples as well as vignettes based upon those interviews Her findings reveal that advantaged offenders hold a perspective on doing time including prescriptions for avoiding trouble and make conscious efforts to avoid trouble by using time beneficially This study contains the most current statistics available on corrections in the U S including its organization the overcrowding crisis and prisoner profiles The nature of life in prison and prior research on adjustment are also examined The Truth about Rape Teresa Lauer,2002 If you were raped recently or even years ago you know that desperate feeling of wanting to get your life back together If it feels like everything is broken and you re all alone this book is a safe and reliable guide to recovery From Victim To Survivor Juliann Whetsell Mitchell,Jill Morse,2015-12-22 First published in 1998 A research based resource for helping professionals dealing with women who were sexually abused by female perpetrators mainly mothers and grandmothers this text focuses on the female perpetrator defining what treatments have been found workable and providing an overview of the available literature Secondly the authors share the results from interviews with 85 women adult women survivors Their journals poems and artwork have been collated with what the women themselves have found to be both helpful and counterproductive methods of healing The authors outline intentions and procedures for nonverbal methods of treatment that have proved effective in practice
