Women Together Portraits Of Love Commitment And Life:

Women Together Mona Holmlund,1999 In 29 essays about extraordinary couples and 40 compelling duotone photos Holmlund and Warwick celebrate the profound power of commitment in lesbian relationships **Women Together** Mona Holmlund,2001-01-01 In 29 essays about extraordinary couples and 40 compelling duotone photos Holmlund and Warwick celebrate the profound power of commitment in lesbian relationships *Out* ,2000-06 *Out* is a fashion style celebrity and opinion magazine for the modern gay man **Feminist Bookstore News** ,1999 *Gloria Swanson* Stephen Michael Shearer,2025-10-16 Gloria Swanson defined what it meant to be a movie star but her unforgettable role in *Sunset Boulevard* overshadowed the true story of her life Now Stephen Michael Shearer sets the record straight in the first in depth biography of the film legend Swanson was Hollywood s first successful glamour queen Her stardom as an actress in the mid 1920s earned her millions of fans and millions of dollars Realizing her box office value early in her career she took control of her life Soon she was not only producing her own films she was choosing her scripts selecting her leading men casting her projects creating her own fashions guiding her publicity and living an extravagant and sometimes extraordinary celebrity lifestyle She also collected a long line of lovers including Joseph P Kennedy and married men of her choosing including a French marquis thus becoming America s first member of nobility As a devoted and loving mother she managed a quiet success of raising three children Perhaps most important as a keen businesswoman she also was able to extend her career more than sixty years Her astounding comeback as Norma Desmond in Billy Wilder s *Sunset Boulevard* catapulted her back into the limelight But it also created her long misunderstood persona one that this meticulous biography shows was only part of this independent and unparalleled woman **International Directory of Little Magazines and Small Presses** Len Fulton,2001-10 This 37th Edition will continue to be an essential reference used worldwide by writers librarians students of modern literature and readers every where Len Fulton s legendary directory now includes over 5 000 presses and journals listed with addresses payment rates manuscript requirements and recent publications Subject and regional indexes are also provided *The International Directory of Little Magazines and Small Presses* Len Fulton,2000-10 This directory is the standard reference used world wide by writers librarians contemporary literature students and the trade for the past 35 years The Wall Street Journal calls it the bible of the business Complete with subject and regional indexing A must for serious writers and poets **Portraits of Change** Mary White Stewart,2012-12-14 *Portraits of Change* is a deep intimate look at the powerful impact of the women s movement and the widespread social upheaval of the 1960s and 1970s on women s lives The author follows four generations of women in her family from the turn of the last century to the present as they came of age married divorced and grew old Enduring parallels and family patterns tying one generation to the next were overwhelmed by the many differences erupting from the changes that swept through this country at mid century The changes were so vast so powerful that her grandmothers experiences of marriage sex work motherhood divorce and aging bore little

resemblance to her mother's or her own. Yet on the most personal levels they dreamed the same dreams, suffered the same disappointments and shared the same joys. In each generation they responded to the constraints and freedoms that would shape the next, not thinking their reactions would lead to unanticipated and often painful consequences for themselves, their daughters, and those who loved them. Relying on interviews conducted almost thirty years ago with her grandmothers as well as her own experiences and those of her mother and daughters, Mary White Stewart looks with unerring honesty at these lives and wonders at both the hard-earned freedoms and the painful unanticipated consequences of rapid historic change.

Seasons of the Heart Zenith Henkin Gross, 2000. A journalist offers an award-winning look at the issues of aging in a society that glorifies youth. Gross has culled 153 personal accounts from people over 60, including Nelson Mandela (recently remarried at 80), Carolyn Heilburn, William Segal, and Ossie Davis, and Ruby Dee.

Gay and Lesbian Families Joan Nordquist, 2000. Each bibliography includes a comprehensive list of the theorist's works and critical studies of these works in English. Each bibliography contains approximately 600 to 900 entries: books, journal articles, essays, within edited books, in the manner of *Essay and General Literature*, and dissertations are included. References are provided from a wide variety of disciplines and bibliographic sources. The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals. The topical bibliographies include the authoritative works on the subject and are arranged in useful categories. The lively part of the modern/post-modern debate is generally taking place in alternative and left journals, journals always included in the literature search in the compiling of the bibliographies.
