Womens Health Across The Lifespan A Comprehensive Perspective:

Handbook of Cultural Health Psychology Shahe S. Kazarian, David R. Evans, 2001-08-24 The Handbook of Cultural Health Psychology discusses the influence of cultural beliefs norms and values on illness health and health care The major health problems that are confronting the global village are discussed from a cultural perspective These include heart disease cancer HIV AIDS pain and suicide The cultural beliefs and practices of several cultural groups and the unique health issues confronting them are also presented The cultural groups discussed include Latinos Aboriginal peoples people of African heritage and South Asians The handbook contributes to increased personal awareness of the role of culture in health and illness behavior and to the delivery of culturally relevant health care services Many societies are culturally diverse or becoming so the cultural approach is a unique and necessary addition to the health psychology area Satisfies the ever increasing appetite of health psychologists for cultural issues in health and women s health issues Major and global health concerns are covered including heart disease cancer HIV AIDS pain suicide and health promotion The health beliefs and practices of Latinos people of African heritage Aboriginal peoples and South Asians are presented without stereotyping these cultural groups The handbook provides excellent information for health care researchers practitioners students and policy makers in culturally pluralistic communities References are thorough and completely up to date *Women's Health and Wellness Across the Lifespan* Ellen Olshansky, 2014-10-07 Women s Health and Wellness Across the Lifespan offers the innovative approach to care that today s patients often demand combining traditional medicine and alternative approaches It covers women s wellness care and specific issues during puberty through young adulthood midlife and old age In addition it provides information essential to enabling your patients to achieve their full health potential covering wellness for special populations physical activity and nutrition oral health herbal medicine and pharmacologic approaches methods to promote healing healthy sleep and peaceful dying *Women's Health in Canada* Marina Morrow, Olena Hankivsky, Colleen Varcoe, 2008-05-03 In recent years healthcare professionals have recognized the distinctly different healthcare needs and concerns of men and women Women s health in particular has come into its own in the last two decades In Canada however there has been little available in the way of a general text on women s health This volume works toward filling that gap by providing a resource for teaching and understanding women s health in this country To lay out the methodological and theoretical foundations for their study editors Olena Hankivsky Marina Morrow and Colleen Varcoe bring together an interdisciplinary group of scholars and practitioners from economics anthropology sociology nursing political studies women s studies and psychology Contributors draw on the rich history of the Canadian women s health movement providing analysis of that history and of the emergent theory policy and practice Aimed at undergraduate and graduate students as well as practitioners the collection adopts an intersectional approach looking closely at social factors such as gender race ethnicity class sexuality and gender identity and analysing how they relate both to each other and to women s health Connections

between the social economic and cultural contexts of women s lives and their physical spiritual and mental well being are a primary focus Providing a much needed resource for teachers students and practitioners of women s health in Canada this comprehensive volume makes an important contribution to the literature Women's Health Across the Lifespan Karen Moses Allen,Janice Mitchell Phillips,1997 This text should serve as a foundation for anyone studying women s health Relevant issues and concerns as well as health problems of women from adolescence to mature years are covered Physiological problems such as cancer osteoporosis infertility and hypertension receive attention Special chapters address health promotion and prevention cultural diversity and social issues and provide information on the health status of women

Women's Health Across the Lifespan Laura Marie Borgelt,2010 Factors influencing women s health care Sex and gender differences Menstrual and ovarian conditions Contraceptive methods Pregnancy health care Select conditions and disorders over the lifespan Select infectious diseases Cancer in women *Domestic Abuse Across the Lifespan* Christine Helfrich,2014-06-11 Domestic abuse has reached epidemic proportions in the United States Are you prepared to work with the people whose lives it has changed Domestic Abuse Across the Lifespan The Role of Occupational Therapy reframes the problem of domestic violence taking it out of the home and into the practice of occupational therapy It identifies the effects of all types of domestic abuse spousal child elder etc as well as frameworks to address dysfunction that has occurred secondary to the abuse This book shows that the effects of domestic abuse are indeed in the realm of occupational therapy practice and that just as occupational therapists would consider other environmental concerns i e kitchen and bathroom safety they must also consider abuse and its effects Domestic Abuse Across the Lifespan The Role of Occupational Therapy provides you with definitions and illustrative examples of each type of domestic violence risk factors for becoming a victim or an abuser an examination of the occupational therapist s role with victims of abuse reasons why women may decide to refuse intervention a discussion of the connection between victim advocacy and occupational therapy a case study detailing the clinical findings and treatment of a six month old infant with shaken baby syndrome who received in patient occupational therapy a case study of a child witness of domestic abuse and the use of the Occupational Therapy Psychosocial Assessment of Learning OT PAL in measuring the psychosocial aspects of his performance in a nontraditional classroom setting a checklist for occupational therapists who encounter elder abuse and a case study that illustrates its use and much more The number of people whose lives are scarred by domestic abuse is vast and growing every day Occupational therapists working in many different settings will encounter children adults elders and individuals with disabilities who have experienced intimate violence and abuse Domestic Abuse Across the Lifespan The Role of Occupational Therapy is the tool to help you help them
