Candice Ransom, 2023-04-25 It s time to graduate Kindergarten in this Step 1 Reader featuring the family from Pumpkin Day Apple Picking Day and all the DAY books The school year is nearly over and little bro is ready to graduate kindergarten He and big sis head off for the very last day of school He learned so much and can do so much on his own now His cubby is cleaned out he has his cap and gown but oh no his shoe is untied No worries he ll show everyone what he can do Step 1 Readers feature big type and easy words Rhymes and rhythmic text paired with picture clues help children decode the story For children who know the alphabet and are eager to begin reading A day with family is always a great day Read all the DAY books Apple Picking Day Pumpkin Day Garden Day Beach Day Snow Day Grandparents Day School Day The Enigmatic Coat of Fathers Yeong Hwan Choi, 2024-10-12 I am a writer And ironically I struggle with words Despite publishing books I often find more comfort in equations than in sentences Perhaps it s because I come from a background in engineering and the sciences This latest book however is about my father Korean fathers unlike their Western counterparts are shaped by Confucian traditions They are stoic burdened with the weight of financial responsibility and rarely express emotion An emotionally detached son like me never truly understood his father And now this son is attempting to write about him But much like the first paragraph of this text this one also feels awkward How can someone who neither understands the emotions of others nor expresses his own write about family ties It s a contradiction I live with every day My father every day as he left for work wore a strange coat And now as his son a man defined by an XY chromosome and an inability to grasp emotions I find myself standing before his death attempting to decipher our emotions through numbers and formulas As you know South Korea faces a grave demographic challenge with low birth rates and an aging population The youth are avoiding marriage even shying away from relationships altogether Why is that Could it be in some way due to the mysterious coat When I was young Korean fathers seemed like towering mountains imposing distant unapproachable But when I faced my father s cold lifeless body why did those once broad shoulders seem so small and frail In this wheel of emotional contradictions can we ever truly understand one another This is the story of a son and his father intertwined in the equations of pain and the waves of emotion Have you solved the mystery yet Savage J.C. Staudt, 2017-11-07 Yeah I killed
