Miller,Beth Cornelison,Lara Lacombe,Colleen Thompson,2014-12-01 Looking for heart racing romance and high stakes suspense Want stories filled with life and death situations that cause sparks to fly between adventurous strong women and brave powerful men Harlequin Romantic Suspense brings you all that and more with four new full length titles for one great price every month COLTON HOLIDAY LOCKDOWN The Coltons Return to Wyoming By C J Miller To save Christmas in Dead River Dr Rafe Granger is working overtime to cure the deadly virus quarantining his hometown while fighting his attraction to nurse Gemma Colton But when someone sabotages their research can this reformed bad boy win the day and get the good girl THE MANSFIELD RESCUE The Mansfield Brothers By Beth Cornelison Falling for smoke jumper Amy Robinson is the last thing grieving widower Grant Mansfield has in mind But when his daughter is kidnapped Grant and Amy must work together to save his little girl Now if only he ll let Amy rescue his lonely heart LETHAL LIESbr By Lara Lacombe With his cover blown agent Alexander goes on the run with the alluring Dr Jillian Mahoney Yet with the FBI and a dangerous gang after them separating the lies from the truth becomes a matter of the heart LONE STAR SURVIVOR By Colleen Thompson When soldier Ian Rayford returns from the dead he can t remember anything but his former fianc e PTSD psychologist Andrea But when someone from Ian s hidden past targets Andrea spy secrets become deadly secrets Junior Graphic Mavis Kitcher (Mrs),2014-10-22 **The Truth** Yulonda T Griffin,2024-12-21 In The Truth take a trip through the sincere search for biblical truths that secure the Christian faith This compelling book dives deep into the core principles of Christianity providing a parallel view to manufactured religions and offering clarity and depth on foundational topics such as salvation grace and redemption Each chapter expands on insightful teachings and practical applications inviting readers to delve into scripture and discover The Truth of the transformative power of God s Word Written with a blend of scholarly rigor and heartfelt devotion The Truth illuminates the ageless wisdom of the Bible guiding believers to a deeper understanding of their faith and a closer relationship with God not religion Whether you are a seasoned Christian seeking to deepen your spiritual journey or someone exploring faith for the first time this book serves as a reliable companion in navigating the rich truths of Christianity And the deceptions of synthetic religion Look Out Above! Bob Slater,Nick Slater,2018-12-31 What a map is to the adventurer Look Out Above is to the motivated business professional an essential guide Your effectiveness at work as well as your ability to stand out while fitting in will increasingly depend on your ability to contribute write present pitch ideas lead

and advocate an ability valued in the workplace Written with clarity and humor by a young professional and a seasoned executive *Look Out Above* distills these workplace skills to their essence relates them to real world applications not taught in undergraduate and graduate business schools or in company training and presents them in one concise volume Whether you re working with a for profit or non profit business or within government and whether you re working for others or running your own business the skills you hone here and the personal transformation that follows will serve you throughout your career wherever you go and whatever you do **The Publishers Weekly** ,1982 *Illustrated sports, with which is incorporated Goy's calendar of sports* ,1884 **Tempest** Liz Skilton,2019-06-01 Liz Skilton s innovative study tracks the naming of hurricanes over six decades exploring the interplay between naming practice and wider American culture In 1953 the U S Weather Bureau adopted female names to identify hurricanes and other tropical storms Within two years that convention came into question and by 1978 a new system was introduced including alternating male and female names in a pattern that continues today In *Tempest Hurricane Naming and American Culture* Skilton blends gender studies with environmental history to analyze this often controversial tradition Focusing on the Gulf South the nation s hurricane coast Skilton closely examines select storms including Betsy Camille Andrew Katrina and Harvey while referencing dozens of others Through print and online media sources government reports scientific data and ephemera she reveals how language and images portray hurricanes as gendered objects masculine named storms are generally characterized as stronger and more serious while feminine named storms are described as unladylike and in need of taming Further Skilton shows how the hypersexualized rhetoric surrounding Katrina and Sandy and the effeminate depictions of Georges represent evolving methods to define and explain extreme weather events As she chronicles the evolution of gendered storm naming in the United States Skilton delves into many other aspects of hurricane history She describes attempts at scientific control of storms through hurricane seeding during the Cold War arms race of the 1950s and relates how Roxcy Bolton a member of the National Organization for Women led the crusade against feminizing hurricanes from her home in Miami near the National Hurricane Center in the 1970s Skilton also discusses the skyrocketing interest in extreme weather events that accompanied the introduction of 24 hour news coverage of storms as well as the impact of social media networks on Americans tracking and understanding of hurricanes and other disasters The debate over hurricane naming continues as Skilton demonstrates and many Americans question the merit and purpose of the gendered naming system What is clear is that hurricane names matter and that they fundamentally shape our impressions of storms for good and bad **The Finger of the Scribe** William M. Schniedewind,2019-10-14 One of the enduring problems in biblical studies is how the Bible came to be written Clearly scribes were involved But our knowledge of scribal training in ancient Israel is limited William Schniedewind explores the unexpected cache of inscriptions discovered at a remote Iron Age military post called Kuntillet Ajrud to assess the question of how scribes might have been taught to write Here far from such urban centers as Jerusalem

or Samaria plaster walls and storage pithoi were littered with inscriptions Apart from the sensational nature of some of the contents perhaps suggesting Yahweh had a consort these inscriptions also reflect actual writing practices among soldiers stationed near the frontier What emerges is a very different picture of how writing might have been taught as opposed to the standard view of scribal schools in the main population centers

A Social and Economic History of the Theatre to 300 BC Eric Csapo, Peter Wilson, 2020-01-16 This is the second volume of A Social and Economic History of the Theatre to 300 BC and focuses exclusively on theatre culture in Attica Rural Dionysia and the rest of the Greek world It presents and discusses in detail all the documentary and material evidence for theatre culture and dramatic production from the first two centuries of theatre history namely the period c 500 to c 300 BC The traditional assumption is laid to rest that theatre was an exclusively or primarily Athenian institution with the inclusion of all sources of information for theatrical performances in twenty two deme sites and over one hundred and twenty independent Greek and some non Greek cities All texts are translated and made accessible to non specialists and specialists alike The volume will be a fundamental work of reference for all classicists and theatre historians interested in ancient theatre and its wider historical contexts

Words To Live By 2014 Wall Calendar Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Words To Live By 2014 Wall Calendar**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
