This book describes a culturally sensitive pre-K and kindergarten curriculum in the context of literacy, technology, mathematics, social studies, science, the arts and play and also discusses how to use the seven integrated conditions for learning to meet and exceed content learning standards, how to organize for differentiated instruction and to integrate multiple forms of assessment, how to teach literacy tools and skills in fresh ways, how to work with families, colleagues and community. Building off of author Doris Fromberg's groundbreaking earlier work, *The All-Day Kindergarten and Pre-K Curriculum* presents a practical curriculum centering on how young children develop meanings.
