Kurzman, 2017-10-02 The rapid expansion of doctoral education in social work is changing academia and expanding the expectations of education for professional practice This volume focuses on the early development gradual evolution and present status of social work doctoral education Relevant for social work students and educators globally it represents an authoritative statement authored by widely recognized educators who are on the cutting edge of doctoral education Documenting the current state of the art this comprehensive book demonstrates the rapidly growing importance of doctoral level education in the social work profession The authors look closely at current trends and address the emerging

pedagogical issues that will likely frame the future This book was originally published as a special issue of the Journal of Teaching in Social Work *EBOOK: Doctoral Study in Contemporary Higher Education* Howard Green, Stuart Powell, 2005-07-16 How can the full range of doctoral study in the UK be best described What are the key features that are driving change to the system What are the implications of current initiatives and the increasingly international context of research degree study This book covers the differing kinds of doctorate award that exist currently and discusses critically issues that arise from the ways in which related forms of doctoral study are organized and assessed It focuses on doctoral study in all its forms in the higher education sector in the United Kingdom while being contextualised within an international dimension Drawing on both quantitative and qualitative data the book focuses on the diversity in doctoral study It examines the current state of the full range of doctoral awards describes them and then critically analyses tensions that exist For example it assesses the definitions and relations between different kinds of doctoral award the pedagogy that surrounds them and the examination phases of each The book also offers suggestions of ways to resolve the tensions associated with different forms of study and indicates possible future directions *Doctoral Study in Contemporary Higher Education* is an essential text for those who manage fund and deliver education at doctoral level *Graduate Programs in Business, Education, Information Studies, Law & Social Work 2014 (Grad 6)* Peterson's, 2013-12-20 Peterson's Graduate Programs in Business Education Information Studies Law Social Work 2014 contains comprehensive profiles of more than 11 000 graduate programs in disciplines such as accounting finance business administration management education human resources international business law library information studies marketing social work transportation management and more Up to date info collected through Peterson's Annual Survey of Graduate and Professional Institutions provides valuable data on degree offerings professional accreditation jointly offered degrees part time evening weekend programs postbaccalaureate distance degrees faculty students requirements expenses financial support faculty research and unit head and application contact information There are helpful links to in depth descriptions about a specific graduate program or department faculty members and their research and more Also find valuable articles on financial assistance the graduate admissions process advice for international and minority students and facts about accreditation with a current list of accrediting agencies **An Online Doctorate for Researching Professionals** Swapna Kumar ,Kara Dawson, 2018 The interest and demand for online terminal degrees across disciplines by professionals wishing to conduct research and fulfill doctoral degree requirements at a distance is only increasing But what these programs look like how they are implemented and how they might be evaluated are the questions that challenge administrators and pedagogues alike This book presents a model for a doctoral program that bridges theory research and practice and is offered completely or largely online In their described program model Kumar and Dawson enable researching professionals to build an online community of inquiry engage in critical discourse within and across disciplines learn from and with experts and peers and generate new knowledge

Their program design is grounded in the theoretical and research foundations of online adult and doctoral education curriculum design and community building implementation and evaluation The authors who draw on their experience of implementing a similar program at the University of Florida not only share data collected from students and faculty members but also reflect on lessons learned working on the program in diverse educational contexts An important guide for program leaders who wish to develop implement and sustain an online professional doctorate An Online Doctorate for Researching Professionals will also be a valuable resource for higher education professionals seeking to include e learning components in existing on campus doctoral programs The SAGE Handbook of Learning and Work Margaret Malloch, Len Cairns, Karen

Evans, Bridget N. O'Connor, 2021-10-13 The first two decades of the 21st century have contributed a growing body of research theorisation and empirical studies on learning and work This Handbook takes the consideration of this topic into a new realm moving beyond the singular linking of identity learning and work to embrace a more holistic appreciation of learners and their life long learning Across 40 chapters learners learning and work are situated within educational organisational social economic and political contexts Taken together these contributions paint a picture of evolving perspectives of how scholars from around the world view developments in both theory and practice and map the shifts in learning and work over the past two decades Part 1 Theoretical perspectives of learning and work Part 2 Intersections of learning and work in organisations and beyond Part 3 Learning throughout working lives and beyond Part 4 Issues and challenges to learning and work **THE ROLE OF PROFESSIONAL DOCTORATES IN ADVANCING HIGHER**

EDUCATION AND WORK-BASED LEARNING Carlo Lazzari, Elda Nikolou-Walker, Liang Lou, 2024-11-07 The current book is a short synopsis of Professional Doctorates DProf programs It provides a practical illustration of the content of these programs how they are structured how to craft the required dissertations and how students can succeed in these programs Mostly tailored for professionals in advanced practice DProf and the cognate programs of DProf by Publications or Public Works are growing in popularity as they offer candidates the opportunity to merge practical experience with academic skills DProf programmes enhance work based learning and reflective practice skills while implementing scholarly works This book shaped as a practical study guide describes the major aspects of DProf programmes how to create a successful thesis and how to be effective in extracting scholarly research from candidates daily practice Therefore the Masters and Doctorates in Professional Practice MProf DProf emphasise study inquiry in a professional setting while fostering critical reflection and career advancement through practice based research projects DProf postgraduate programs encourage a reflective approach into candidates settings of practice to develop projects and policies to change these settings and advance the quality of services provided to their customers or clients Methodologies and methods for creating DProf dissertations and research are discussed in detail such as modes of knowledge production reflectivity reflexivity critical incident analysis middle range theories qualitative inquiry reflective cycles and autoethnography Doctoral Education in Social Work Jeane W.

Anastas,2012-01-25 Doctoral education in social work is said to be in crisis While there is a glut of available programs there is a shortage of doctoral graduates for faculty positions in social work education requiring that the field prepare more high quality graduates for these positions There is also an increasing need for doctoral level social workers in leadership roles outside of schools of social work such as in think tanks professional associations public and organizational administration and practice Based on findings from a national survey of doctoral students in social work this volume discusses the purpose of doctoral education in a practice profession as well as past and current controversies about what that should be Survey findings about student demographics and their reasons for seeking the doctoral degree are discussed in comparison to national data from related fields In addition their program experiences are considered and parsed including specifics on what they like and do not like such as the dissertation research and writing experience and preparation for the PhD job market While most programs are designed to prepare stewards of the discipline it turns out that the resources available in social work doctoral programs including student aid are quite variable The book identifies a variety of recommendations that can enhance the profession s ability to prepare the next generation of intellectual leadership This is essential reading for anyone interested in or already working towards a social work doctorate and for faculty and directors of schools of social work determined to understand and shape the future of doctoral education in social work

Encyclopedia of Canadian Social Work Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide
