Women Empowered Inspiring Change In The Emerging World:

Women Empowered Phil Borges, 2007 Beautiful photographs and compelling profiles brilliantly portray the ordinary women in developing countries Afghanistan Bangladesh Ecuador Ethiopia Ghana and India among others who have chosen to break through the barriers of oppression and convention to make a positive difference in their communities *The Wellbeing Purpose* Richard Hardymont, 2018-09-03 In a turbulent world of geopolitical change declining trust in institutions and increasing scrutiny of companies the big question facing leaders is what difference does business make Lots of companies talk about social impact but few have defined what it really means This book sets out a more human form of capitalism with people at its heart The Wellbeing Purpose is the first book that explains how companies can make life better across their value chains from sourcing raw materials to innovating marketing and selling products and services This book is a blueprint for raising life satisfaction for all those touched by a business suppliers employees communities and consumers It sets out the steps for any organization to create profits wealth creation whilst simultaneously making life better wellbeing enhancement Drawing on his experience as a political adviser and business consultant Hardymont takes us on a journey across the global footprint of business There are some startling findings along the way Case studies from pioneering firms and the latest scientific research are used to explain how any organization can source make and market products that create wealth and wellbeing This is a manifesto for business to profit through helping more people to realize the good life *Many Pious Women* Harry Fox, Justin Jaron Lewis, 2011-10-27 This work is of importance to anyone with an interest in whether women especially Jewish Ashkenazic women had a Renaissance It details the participation in the Querelle des Femmes and Power of Women topos as expressed in this hagiographic work on the lives of biblical women including the apocryphal Judith The Power of Women topos is discussed in the context of the reception of the Amazon myth in Jewish literature and the domestication of powerful female figures In the Querelle our author pleads with husbands for generosity and respect for their wives piety Whether women living in the Renaissance experienced a renaissance is a debate raging since Joan Kelly raised the possibility that this historic phenomenon essentially did not affect women The question is raised with reference to the women depicted in *Many Pious Women* These topics find their expression in a richly annotated translation with extensive introductory essays of a unique 16th century manuscript in Western Yiddish Judeo German written in Italy The text will also be useful to scholars of the history of Yiddish and theorists of its development Women everywhere gender and Renaissance scholars Yiddishists and linguists will all welcome this work now available for the very first time in the original text with an English translation *Women and Positive Aging* Lisa Hollis-Sawyer, Amanda Dykema-Engblade, 2016-03-03 Women and Positive Aging An International Perspective presents the noted research in the fields of psychology gerontology and gender studies reflecting the increasingly popular and pervasive positive aging issues of women in today s society from different cohorts backgrounds and life situations Each section describes a bridge between the theoretical aspects and practical

applications of the theory that is consistent with the scientist practitioner training model in psychology including case studies and associated intervention strategies with older women in each chapter In addition to incorporating current research on aging women s issues each section provides the reader with background about the topic to give context and perspective Examines a comprehensive range of issues for aging women Details current research trends Encompasses a holistic model of women s aging Ranges from physical and mental health in response to aging changes to social relationships and sexuality Presents a how to put research into practice section in each chapter Focuses on topical issues that are relevant to women wanting to optimize their life outcomes as they live on average longer than ever before

Gender Equality and Economic Development in Sub-Saharan Africa Ms. Lisa L Kolovich,Ms. Monique Newiak,2024-04-11 Efforts to achieve gender equality will not only help sub Saharan Africa revive its inclusive growth engine but also will ensure progress towards the Sustainable Development Goals and help address the main disruptive challenges of this century This book explores the progress made in gender equality in the region highlighting both the challenges and successes in areas such as legal reforms education health gender based violence harmful practices such as child marriage and financial inclusion It takes stock of initiatives towards integrating gender into core macroeconomic and structural reforms such as through implementing gender budgeting and examines the role that fiscal and other policies can play in closing gender gaps when they are mindful of distributional impacts Drawing from extensive research across different institutions the book underscores the macroeconomic significance of gender equality emphasizing its potential to drive GDP growth enhance economic stability reduce income inequality and foster sustainable development It lays out how gender gaps interact with emerging challenges such as digitalization and explores the impact of global megatrends such as climate change on gender inequality offering strategies for inclusive policy responses including in a context where women and girls are still carrying a disproportionate care burden that is often not captured in economic measurement The book aims to serve as a roadmap for policymakers stakeholders and advocates seeking to harness the untapped potential of gender equality for its own sake and for the region s inclusive sustainable and green development It calls for concerted efforts to dismantle structural barriers

transform social norms and prioritize gender responsive policies to unlock the full economic potential of sub Saharan Africa

Latino History Day by Day Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population s rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research

Preaching God's Transforming Justice Ronald J. Allen, Dale P. Andrews, Dawn Ottoni-Wilhelm, 2013-08-16 This is the final volume in a unique new commentary series that helps the preacher identify and reflect on the social implications of the biblical readings in the Revised Common Lectionary The essays concentrate on the themes of social justice in the weekly texts and how those themes can be teachable moments for preaching social justice in the church In addition to the lectionary days there are essays for twenty two Holy Days of Justice including Martin Luther King Day Earth Day World AIDS Day and Children s Sabbath These days are intended to enlarge the church s awareness of God s call for justice and of the many ways that call comes to the church and world today

May Lee Live and In Person May Lee, 2009-12-02 May Lee proves that she is a true fighter with intense passion for what she believes in Her own transformation from a shy little girl to intrepid journalist and now entrepreneur shows us all that when intentions are genuine anything is possible even in an industry as tough as the media Anyone who reads her story will undoubtedly be inspired to follow their passion regardless of obstacles that stand in the way in order to realize their dreams Geraldine Laybourne May Lee is an inspiration She s a woman who not only has had big bold dreams but the courage to pursue them I loved this book Sex and the City meets Broadcast News If I could have even one of the many adventures May s had my life would be a heck of a lot more interesting Paul Starke You will be drawn in as I was by this very personal story showing May Lee s passion and perseverance in the face of may doubts and disappointments in the television industry in the U S and Asia The book gives a unique behind the camera look at May s first job as an intern at a U S local TV station to becoming a well known TV anchor and as she continues her journey as a media entrepreneur Michelle Guthrie As a fellow Korean American I am thrilled to see May Lee succeed not just as a pioneer in broadcast television but as an Asian woman who is constantly striving to stretch her limits and inspire others to do the same This must read book has it all honesty hope heartbreak humor and most importantly passion I m extremely fortunate to have

had the chance to meet and work with May on a professional level and very proud to call her a friend Daniel Henney A heartfelt and sometimes brutally candid view of one woman s life in the competitive business of TV news May Lee s writing is bold and honest as is she Eunice Yoon **The Science of Making Things Happen** Kim Marcille Romaner,2010 Entrepreneur speaker and consultant Kim Romaner has spent years researching the latest advances in science and technology and then working with colleagues and clients to apply those discoveries in practical and profitable ways In these pages she reveals five principles from recent and little known scientific discoveries that you can use right now to accomplish your dreams whether those dreams are focused on career relationships fitness creative projects or businessendeavors You ll learn how to wield the power of quantum neurological and biological mechanisms already in play to change your life as if by magic The big lesson of this book is that the universe is designed to turn the possibilities you choose into realities and Kim guides you through the cutting edge science of amplifying those possibilities and achieving your goals
