Feminist Theology and Contemporary Dieting Culture Hannah Bacon, 2019-08-08 Hannah Bacon draws on qualitative research conducted inside one UK secular commercial weight loss group to show how Christian religious forms and theological discourses inform contemporary weight loss narratives Bacon argues that notions of sin and salvation resurface in secular guise in ways that repeat well established theological meanings The slimming organization recycles the Christian terminology of sin spelt Syn and encourages members to frame weight loss in salvific terms These theological tropes lurk in the background helping to align food once more with guilt and moral weakness but they also mirror to an extent the way body policing techniques in Christianity have historically helped to cultivate self care The self breaking and self making aspects of women s Syn watching practices in the group continue certain features of historical Christianity serving in similar ways to conform women s bodies to patriarchal norms while providing opportunities for women s self development Taking into account these tensions Bacon asks what a specifically feminist theological response to weight loss might look like If ideas about sin and salvation service hegemonic discourses about fat while also empowering women to shape their own lives how might they be rethought to challenge fat phobia and the frenetic pursuit of thinness As well as naming as sin principles and

practices which diminish women's appetites and bodies this book forwards a number of proposals about how salvation might be performed in our everyday eating habits and through the cultivation of fat pride It takes seriously the conviction of many women in the group that food and the body can be important sites of power wisdom and transformation but channels this insight into the construction of theologies that resist rather than reproduce thin privilege and sizeist norms Food: The Good Girl's Drug Sunny Sea Gold, 2011-04-05 Bingeing compulsive eating food addiction emotional overeating no matter what you call it too many women wrestle day to day with what they eat It's a love hate relationship that always seems to be spiraling out of control Food The Good Girl's Drug is one recovered binge eater's attempt to inject some sanity back into the discussion about food body image and overeating Sunny Sea Gold started fighting binge eating disorder in her early teens But books on the topic were often aimed at housewives with kids and a white picket fence women she had a hard time relating to What about the girls who found themselves using all their roommate's peanut butter nibbling from the work refrigerator or hiding a stash of chocolate from boyfriends and were too ashamed to say anything Calling on top mental health professionals nutritionists and fitness experts Sunny offers real advice to a new generation fighting an age old war With humor and compassion Food The Good Girl's Drug is about experiences shared by so many women whether they've been struggling for years or have recently admitted to themselves that yes it's more than just a bad habit The Wisdom of Your Body Hillary L. McBride, PhD, 2021-10-12 2022 Word Guild Award Culture and Life Stories categories Globe and Mail Bestseller List November 2021 Self Improvement Many of us have a complicated relationship with our body Maybe you've been made to feel ashamed of your body or like it isn't good enough Maybe your body is riddled with stress pain or the effects of trauma Maybe your experiences with racism sexism ableism heterosexism ageism or sizeism have made you believe your body isn't the right kind of body Whatever the reason many of us don't feel at home in our bodies But being disconnected from ourselves as bodies means being disconnected from truly living and from the interconnection that weaves us all together The Wisdom of Your Body offers a compassionate healthy and holistic perspective on embodied living Hillary L. McBride invites us to reclaim the wisdom of the body and to experience the wholeness that has been there all along weaving together illuminating research stories from her work as a therapist deeply personal narratives of healing from a life threatening eating disorder a near fatal car accident and chronic pain End of chapter questions and practices are included

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
