Women Who Broke Rules Lincoln:

Women Who Broke the Rules: Mary Todd Lincoln Kathleen Krull, 2015-12-01 Presents information about the wife of the sixteenth president of the United States discussing her upbringing marriage and the tragedies that marred her life

Mary Lincoln for the Ages Jason Emerson, 2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln's life and thoroughly reexamines nearly every word ever written about her. In doing so, this book becomes the prime authority on Mary Lincoln, points researchers to key underused sources, reveals how views about her have evolved over the years, and sets the stage for new questions and debates about the themes and controversies that have defined her legacy. *Mary Lincoln for the Ages* first articulates how reliance on limited sources has greatly restricted our understanding of the subject, evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life. Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets, scholarly and popular articles, journalism, literature, and juvenilia. More than just listings of titles and publication dates, each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do. The volume also includes rarely used illustrations, including some that have never before appeared in print. A roadmap for a firmer, more complete grasp of Mary Lincoln's place in the historical record, this is the first and only extensive analytical bibliography of the subject. In highlighting hundreds of overlooked sources, Emerson changes the paradigm of Mary Lincoln's legacy.

Life of Abraham Lincoln Clifton Melvin Nichols, 1896 Excerpt from *Life of Abraham Lincoln: Being a Biography of His Life From His Birth to His Assassination, Also a Record of His Ancestors and a Collection of Anecdotes* Attributed to Lincoln

Illusional Loves Marsha Harris-Manley, 2021-08-09 Lincoln is a young lady lost without her father. He was the only person Lincoln has ever had a true bond with. She's trying to maneuver in a world she is not equipped to handle on her own. She is left with a self-centered mother who's only concerned with the fact she got pregnant by a soldier, Lincoln's dad, and she will always get a monthly benefit check from the army. Lincoln became her security blanket but also the biggest throne on her side. Lincoln leaves home for good as an early teen and is misguided by her own distorted thinking and her ideological thoughts of what a perfect life consists of. Lincoln meets Lance, and he has all the great qualities Lincoln felt a person should have. He had a great smile, the innocence that she felt every young person still has, and the perfect parents. He was born and raised in an apostolic church, so Lincoln just knew in her heart he was heaven-sent. Lincoln always knew she had all her ducks lined up perfectly, and marriage to Lance completes her line of ducks along with two of his children. After being married, Lincoln learns nothing is perfect in this world, and her ducks begin to waddle away one by one. Lincoln has to deal with her husband having an affair, a gambling addiction that spiraled out of control, and the men who loved her. She was unable to commit to anyone. Lincoln has to figure out a way to fix her life, which has been crumbling. She has been running

away from herself for so long that now she has caught up and has to deal with the consequences Finally Lincoln is rejoined with all her sisters on a cruise that is unforgettable

The Lincolns in the White House Jerrold M. Packard, 2013-09-17 From the day of Abraham Lincoln's inauguration a nation divided by savage conflict confronted the new president But what many don't know was that within the White House's walls the Lincoln's family would soon find itself suffering turmoil mirroring that of the nation he led Savagely criticized for her extravagance by the American public and widely distrusted because of her southern roots first lady Mary Lincoln's increasing instability would deeply strain her marriage and eventually end in her mental collapse The couple was devastated when eleven year old Willie died in the White House of typhoid fever Tad the youngest son remained the family joy despite his physical impairments Though their son Robert's success at Harvard made his parents proud his relationship with them was troubled and would result in a painful estrangement one which would eventually permanently separate him from his mother The president's assassination brutally crushed Mary's always fragile spirits After leaving the White House and following Tad's early death the former first lady retreated into increasing eccentricity and seclusion until her death in 1882 A moving and poignant portrait of the family life of America's greatest president

The Rhetoric of Lincoln's Letters Marshall Myers, 2018-07-27 Lincoln's letters have been cited in countless biographical and critical works yet have received little scholarly attention as a whole This comprehensive study reveals his letters to be fundamental to understanding his development as a writer Early on he employed Hugh Blair's popular idea of developing taste in written documents and carefully studied the letters of his contemporaries He wrote more than 5000 of his own As he became more proficient he employed more sophisticated rhetorical strategies to deal with political opponents imperious generals and critics of his policies

Mary Lincoln Stacy Pratt McDermott, 2015-01-09 One of America's most compelling First Ladies Mary Lincoln possessed a unique vantage point on the events of her time even as her experiences of the constraints of gender roles and the upheaval of the Civil War reflected those of many other women The story of her life presents a microcosm through which we can understand the complex and dramatic events of the nineteenth century in the United States including vital issues of gender war and the divisions between North and South The daughter of a southern slave holding family Mary Lincoln had close ties to people on both sides of the war Her life shows how the North and South were interconnected even as the country was riven by sectional strife In this concise narrative Stacy Pratt McDermott presents an evenhanded account of this complex intelligent woman and her times Supported by primary documents and a robust companion website this biography introduces students to the world of nineteenth century America and the firsthand experiences of Americans during the Civil War

Abraham Lincoln and the Road to Emancipation, 1861-1865 William K. Klingaman, 2001-03-19 In this comprehensive account of Abraham Lincoln's Emancipation Proclamation William K. Klingaman takes a fresh look at what is arguably the most controversial reform in American history Taking the reader from Lincoln's inauguration through the Civil War to his tragic assassination it uncovers the complex political and psychological

pressures facing Lincoln in his consideration of the slavery question including his decision to issue the proclamation without consulting any member of his cabinet and his meticulous attention to every word of the document The book concludes with a discussion of what the Emancipation Proclamation really meant to four million newly freed blacks and its subsequent impact on race relations in America *The Literary Digest International Book Review* Clifford Smyth, 1925 Women in Law Rebecca M. Salokar, Mary Volcansek, 1996-09-24 Forty three women who have made major contributions to the law through their work in the legal profession scholarly legal research and political activism directed at socio legal reforms are profiled in this bio bibliographical sourcebook The women featured are from countries and regions with a Western legal tradition including North America Europe Israel Japan the Philippines and Africa Each profile contains extended biographical information and details significant achievements and contributions to the law made by each woman followed by references Forty three women who have made major contributions to the law through their work in the legal profession scholarly legal research and political activism directed at socio legal reforms are profiled in this bio bibliographical sourcebook The women featured are from countries and regions with a Western legal tradition including North America Europe Israel Japan the Philippines and Africa Each profile contains extended biographical information their family backgrounds education and career development and their significant achievements and contributions to law The women featured include a number of those who were path breakers like Sandra Day O Connor the first woman justice of the U S Supreme Court and Bertha Wilson the first woman to sit on the Canadian Supreme Court Scholars like Margaret Somerville Canada and Beverly Blair Cook U S and political activists like Helene St Docker Germany and Leah Tsemel Israel are also included The introduction to the work presents a comprehensive and historical overview of the role of women as citizens scholars lawyers judges office holders and activists and also provides a review of the scholarship on women in law
