Women Photographers From Julia Margaret Cameron To Cindy Sherman:

Women Photographers Boris Friedewald, 2018-10-02 This thorough and accessible introduction to the greatest women photographers from the 19th century to today features the most important works of 55 artists along with in depth biographical and critical assessments Since the inception of photography as an art form nearly 200 years ago women have played an important role in the development of the genre often pushing boundaries and defying social convention This comprehensive volume features 55 of the most important women photographers Each artist is profiled in spreads featuring splendid reproductions of key works and an in depth overview of her career and contributions to the art of photography Biographical information and a contextual essay focusing on the impact of women in the history of the medium makes this an excellent illustrated reference

A History of Women Photographers Naomi Rosenblum, 1994 In a work of staggering beauty and immense learning Rosenblum presents a comprehensive history of women's accomplishments in photography around the world and throughout the entire history of the medium from the mid 1800s to the present She explores the work of some 240 photographers from Anna Atkins Julia Margaret Cameron and Frances Benjamin Johnston to Tina Modotti Lisette Model Margaret Bourke White Louise Dahl Wolfe Susan Meiselas and Cindy Sherman Includes 263 photographs 30 in color Extensive bibliography Annotation copyright by Book News Inc Portland OR

The Domestic Interior and the Self in Contemporary Photography Jane Simon, 2023-09-18 By carefully conceptualising the domestic in relation to the self and the photographic this book offers a unique contribution to both photography theory and criticism and life narrative studies Jane Simon brings together two critical practices into a new conversation arguing that artists who harness domestic photography can advance a more expansive understanding of the autobiographical Exploring the idea that self representation need not equate to self portraiture or involve the human form artists from around the globe are examined including Rinko Kawauchi Catherine Opie Dayanita Singh Moyra Davey and Elina Brotherus who maintain a personal gaze at domestic detail By treating the representation of interiors domestic objects and the very practice of photographic seeing and framing as autobiographical gestures this book reframes the relationship between interiors and exteriors public and private and insists on the importance of domestic interiors to understandings of the self and photography The book will be of interest to scholars working in photographic history and theory art history and visual studies

The Gender of Photography Nicole Hudgins, 2020-09-02 It would be unthinkable now to omit early female pioneers from any survey of photography's history in the Western world Yet for many years the gendered language of American British and French photographic literature made it appear that women's interactions with early photography did not count as significant contributions Using French and English photo journals cartoons art criticism novels and early career guides aimed at women this volume will show why and how early photographic clubs journals exhibitions and studios insisted on masculine values and authority and how Victorian women engaged with photography despite that dominant trend Focusing on the period before 1890 when women were yet to

develop the self assurance that would lead to broader recognition of the value of their work this study probes the mechanisms by which exclusion took place and explores how women practiced photography anyway both as amateurs and professionals Challenging the marginalization of women s work in the early history of photography this is essential reading for students and scholars of photography history and gender studies The Art of Feminism Lucinda Gosling,Hilary Robinson,Amy Tobin,2018-12-25 A survey of feminist art from suffrage posters to The Dinner Party and beyond Lavishly produced images indispensable to scholars critics and artists Art Monthly Once again women are on the march And since its inception in the nineteenth century the women s movement has harnessed the power of images to transmit messages of social change and equality to the world From highlighting the posters of the Suffrage Atelier through the radical art of Judy Chicago and Carrie Mae Weems to the cutting edge work of Sethembile Msezane and Andrea Bowers this comprehensive international survey traces the way feminists have shaped visual arts and media throughout history Featuring more than 350 works of art illustration photography performance and graphic design along with essays examining the legacy of the radical canon this rich volume showcases the vibrancy of the feminist aesthetic over the past century and a half Women Photographers Boris Friedewald,2014 This introduction to the greatest women photographers from the 19th century to today features the most important works of 60 artists along with in depth biographical and critical assessments **Women's Camera Work** Judith Fryer Davidov,1998 Gertrude Kasebier Imogen Cunningham Dorothea Lange Laura Gilpin author Judith Fryer Davidov examines the influence of the lives and work of a particular network of women photographers linked by time interaction and friendship In presenting one of the most important strands of American photography this richly illustrated book will interest students of American visual culture women s studies and general readers alike 220 photos Women Photographers and Feminist Aesthetics Claire Raymond,2017-04-21 Women Photographers and Feminist Aesthetics makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender *The Art of Feminism, Revised Edition* Helena Reckitt,2022-11-01 Featuring a new package and an additional 60 pages of material this revised edition of The Art of Feminism covers an even more impressive

range of artworks artists movements and perspectives Since the debut of the original volume in 2018 *The Art of Feminism* has offered readers an in depth examination of its subject that is still unparalleled in scope The comprehensive survey traces the ways in which feminists from the suffragettes and World War II era workers through twentieth century icons like Judy Chicago and Carrie Mae Weems to the contemporary cutting edge figures Zanele Muholi and Andrea Bowers have employed visual arts in transmitting their messages With more than 350 images of art illustration photography and graphic design this stunning volume showcases the vibrancy of the feminist aesthetic over two centuries The new updated edition of the book features revised and expanded material in each of the book's original sections as well as entirely new material dedicated to the art pieces that have shifted the landscape of feminist art today This new material includes women artists of the Bauhaus grassroots and experimental curatorial efforts a broader range of performance artists and recent art shows and works such as Kara Walker's *Fons Americanus* which debuted at London's Tate Modern museum in 2020

UNIQUE IN SCOPE The breadth and inclusiveness of this volume sets it apart and makes it the definitive book on international feminist art The new edition brings the book into the current moment ensuring that this groundbreaking volume remains relevant and fresh It features an astonishing roster of artists including Barbara Kruger Sophie Calle Marina Abramovic Judy Chicago Faith Ringgold Cindy Sherman Ana Mendieta Zanele Muholi Mickalene Thomas Louise Bourgeois Shirin Neshat Andrea Bowers Pina Bausch JEB Amrita Sher Gil Luchita Hurtado Ayana Jackson Patrisse Cullors

EXPERT AUTHORS Lead author Helena Reckitt has assembled a team of experts who are superbly qualified to unpack the rich history power and symbolism of feminist art for a new modern day audience

UPDATED AND INCLUSIVE This edition of the book features an even more diverse array of artists and artworks than the original from the beautiful figurative paintings of Hungarian Indian artist Amrita Sher Gil to the thoroughly researched and extravagantly costumed self portraits of American photographer Ayana Jackson

Perfect for Feminists and activists Art history lovers College and graduate students

Journalism, Gender and Power Cynthia Carter, Linda Steiner, Stuart Allan, 2019-02-12

Journalism Gender and Power revisits the key themes explored in the 1998 edited collection *News Gender and Power* It takes stock of progress made to date and also breaks ground in advancing critical understandings of how and why gender matters for journalism and current democratic cultures This new volume develops research insights into issues such as the influence of media ownership and control on sexism women's employment and macho news cultures the gendering of objectivity and impartiality tensions around the professional identities of journalists news coverage of violence against women the sexualization of women in the news the everyday experience of normative hierarchies and biases in newswork and the gendering of news audience expectations amongst other issues These issues prompt vital questions for feminist and gender centred explorations concerned with reimagining journalism in the public interest Contributors to this volume challenge familiar perspectives and in so doing extend current parameters of dialogue and debate in fresh directions relevant to the increasingly digitalized interactive intersections of

journalism with gender and power around the globe Journalism Gender and Power will inspire readers to rethink conventional assumptions around gender in news reporting conceptual professional and strategic with an eye to forging alternative progressive ways forward
