Womens Growth In Connection Writings From The Stone Center

**Judith V. Jordan, Alexandra G.
Kaplan, Irene P. Stiver, Janet L.
Surrey, Jean Baker Miller**

Womens Growth In Connection Writings From The Stone Center:

Women's Growth In Connection Judith V. Jordan, Alexandra G. Kaplan, Irene P. Stiver, Janet L. Surrey, Jean Baker Miller, 1991-04-19 Overly emotional hysterical dependent frivolous fickle Why have women been so consistently defined as deficient in maturity self mastery and independence according to the models of human development inspired by male culture The authors of WOMEN S GROWTH IN CONNECTION a sampling of the influential working papers from the Stone Center Wellesley College have sought to answer this question by studying developmental theory and reformulating it to reflect women s experience more accurately These papers about women s ways of being in the world frame an innovative relational perspective on women s psychological development The authors clinicians clinical supervisors and teachers have been searching for therapeutic models that take into account women s meaning systems values and organization of experiences all of which often revolves around relationships rather than the self By offering a new perspective on women s development WOMEN S GROWTH IN CONNECTION stands at the forefront of the ongoing feminist movement to examine and reshape psychological theory and practice The authors offer this volume as an invitation to the reader to join in the building of new models of women s development

Women's Growth In Connection Judith V. Jordan, Alexandra G. Kaplan, Irene P. Stiver, Janet L. Surrey, Jean Baker Miller, 1991-04-19 This book presents an innovative relational perspective on women s ways of being in the world It offers an alternative to traditional models of human development that define health and maturity in terms of separation and consistently define women as deficient Written by leading clinicians and teachers from the Stone Center at Wellesley College the book foregrounds women s meaning systems values and organization of experiences which often revolve around relationships rather than the self The authors set out basic relational principles and consider the implications for life challenges that many women face as well as for psychotherapy

Relational Theory for Clinical Practice Sharon Freedberg, 2015-01-09 Relational Theory for Clinical Practice offers students and practitioners a conceptual framework for thinking relationally about social work with clients within a biological psychological and socio cultural framework Integrating relational theory with the principles of clinical practice and demonstrating how this can be applied to social work practice this book has been revised and updated to be suitable for students Using plenty of case material to demonstrate the theory in action the new edition incorporates teaching points to aid readers in drawing out the practice principles developed in each chapter Keeping relationships at the center of the text this edition includes substantially expanded chapters on assessment and intervention and takes into account recent research on issues such as the impact of trauma and stress neuroscience and brain research and the necessity of practicing in a culturally sensitive way with diverse populations It broadens the feminist focus of relational cultural theory by extending and applying it to men also Designed for use on master s level courses in practice as well as courses on human behavior and the social environment this concise and practical book is a valuable text for social work and counseling students

The Role of Sisters in Women's

Development Sue A. Kuba Professor of Psychology at the California School of Professional Psychology, 2011-03-04

Psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships The importance of sisters has been even more marginalized Sue A Kuba explores this omission in *The Role of Sisters in Women's Development* seeking to broaden and enrich current understanding of the psychology of women This unique work is distinguished by Kuba's phenomenological method of research rooted in a single prompt Tell me about your relationship with your sister Rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan Integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients A valuable contribution to the field of mental health *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood *The Women and Language Debate* Camille Roman, Suzanne Juhasz, Cristanne Miller, 1994

How Connections Heal Maureen Walker, Wendy B. Rosen, 2004-04-22 From faculty and associates of the Stone Center's Jean Baker Miller Training Institute this practice oriented casebook shows how relational cultural theory RCT translates into therapeutic action Richly textured chapters all written especially for this volume explain key concepts of RCT and demonstrate their application with diverse individuals couples families and groups as well as in institutional settings Emphasizing that relationship is the work of therapy case narratives illuminate both the therapist and client factors that promote or interfere with movement toward connection Highlighted are the ways in which cultural contexts profoundly influence relationships how growthful connection inevitably includes conflict and how experienced therapists work on a moment by moment basis to engage with and counteract personal and cultural forces of disconnection **Envy,**

Competition and Gender Leyla Navaro, Sharan L. Schwartzberg, 2007-03-12 Envy Competition and Gender provides a unique perspective on gender difference in relation to envy and competitiveness reframing and de demonizing these difficult emotions and revealing their potentially creative power Incorporating perspectives from psychology psychiatry social work sociology and education this book provides a comprehensive overview of theories and ideas on the links between gender envy and competition The book is divided into three sections covering the individual and development therapeutic implications and therapeutic applications in broader social and cultural contexts Individual and group case stories are included throughout to illuminate discussion of crucial issues such as men masculinity and competition gender differences in envying and being envied the evolution of the female self envy and generativity owning our inner resources envy in body transference and countertransference envy and desire revenge and retaliation This interdisciplinary multicultural and international

perspective on envy and competition in relation to gender will be of great interest to all psychotherapists and related mental health professionals interested in investigating the positive potential of these powerful emotions

Dramatic Approaches to Brief Therapy Alida Gersie, 1996 Written by the directors of the world's major training programmes in dramatherapy this book presents their approach to and theory of brief dramatherapy which is offered in treatment settings for acute or chronic inpatient populations and outpatient or community health settings with a maintenance rehabilitation or personal development purpose

The Adolescent in Family Therapy Joseph A. Micucci, 2009-07-20 Rich with clinical wisdom this successful text and practitioner guide offers a comprehensive framework for treating adolescent problems in the family context Even as teenagers become increasingly independent Joseph Micucci shows they still need parental guidance and nurturance By strengthening family relationships clinicians can alleviate symptoms and promote behavioral change Vivid examples and session transcripts illustrate specific strategies for treating eating disorders depression anxiety defiance underachievement and other frequently encountered challenges Weaving together family therapy techniques with ideas from psychodynamic and cognitive behavioral approaches the book has a pragmatic focus on effective interventions for getting adolescent development back on track New to This Edition Thoroughly updated to reflect current research and reader feedback Chapter on adolescent anxiety disorders Expanded coverage of attachment issues lesbian gay and bisexual youth and racial and ethnic identity New case material one of the book's most popular features

Communication and Women's Friendships Janet Doubler Ward, JoAnna Stephens Mink, 1993 Eleven contributed essays discuss a variety of literary texts against a background of the historical and cultural aspects of women's friendships The listings of works cited and primary works discussed do not adequately substitute for an index Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR
