Darowski, 2014-09-24 Created in 1941 by the psychologist William Marston Wonder Woman would go on to have one of the longest continuous runs of published comic book adventures in the history of the industry More than 70 years after her debut Wonder Woman remains a popular culture icon Throughout the intervening years many comic book creators have had a hand in guiding her story resulting in different interpretations of the Amazon Princess In this collection of new essays each examines a specific period or storyline from Wonder Woman comic books and analyzes that story in regard to contemporary issues in American society *Heroines of Comic Books and Literature* Maja Bajac-Carter, Norma Jones, Bob Batchelor, 2014-03-14 Despite the growing importance of heroines across literary culture and sales figures that demonstrate both young adult and adult females are reading about heroines in droves particularly in graphic novels comic books and YA literature few scholarly collections have examined the complex relationships between the representations of heroines and the changing societal roles for both women and men In *Heroines of Comic Books and Literature Portrayals in Popular Culture* editors Maja Bajac Carter Norma Jones and Bob Batchelor have selected essays by award winning contributors that offer a variety of perspectives on the representations of heroines in today s society Focused on printed media this collection looks at heroic women depicted in literature graphic novels manga and comic books Addressing heroines from such sources as the Marvel and DC comic universes manga and the Twilight novels contributors go beyond the account of women as mothers wives warriors goddesses and damsels in distress These engaging and important essays situate heroines within culture revealing them as tough and self sufficient females who often break the bounds of gender expectations in places readers may not expect Analyzing how women are and have been represented in print this companion volume to *Heroines of Film and Television* will appeal to scholars of literature rhetoric and media as well as to broader audiences that are interested in portrayals of women in popular culture *The Ages of Wonder Woman* Joseph J. Darowski, 2013-12-02 Created in 1941 by the psychologist William Marston Wonder Woman would go on to have one of the longest continuous runs of published comic book adventures in the history of the industry More than 70 years after her debut Wonder Woman remains a popular culture icon Throughout the intervening years many comic book creators have had a hand in guiding her story resulting in different interpretations of the Amazon Princess In this collection of new essays each examines a specific period or storyline from Wonder Woman comic

books and analyzes that story in regard to contemporary issues in American society [A Perfect Beast-After Earth](#) Michael Jan Friedman,Robert Greenberger,Peter David,2013-04-30 The official prequel novel of the epic film After Earth directed by M Night Shyamalan and starring Jaden Smith and Will Smith After their exodus from Earth the last humans settled a remote planet Nova Prime When an alien force known as the Skrel descended from the skies the United Ranger Corps an elite defense unit valiantly resisted Centuries passed without an attack and many colonists believed that with other security measures in place the resources devoted to maintaining their military strength would be better spent elsewhere Little did they know that trouble was coming to Nova Prime and it had a taste for blood The latest in a long line of decorated warriors Conner Raige is one of the Rangers most promising young cadets although his brash confidence and tendency to act on instinct have earned him as many skeptics as admirers Conner s ancestors were on the front lines of humanity s victory against the Skrel But when a deadly ground war breaks out Conner s up against an entirely different beast because this time the Skrel have brought a secret weapon ferocious killing machines designed to eliminate humanity from Nova Prime and the universe **BONUS** Includes the first three novellas of Ghost Stories the thrilling eBook original prequel series **Wonder Woman** Regina Luttrell,2022-10-12 A remarkable exploration of Wonder Woman s creation mysterious identity and evolution and her extraordinary impact on her legions of fans For generations Wonder Woman has been a symbol of equality and female empowerment her complex saga deeply rooted within the feminist movement A staple of the comic book industry she is arguably the best known female superhero of all time In Wonder Woman Warrior Disrupter Feminist Icon Regina Luttrell details this legendary superhero s origins history and evolution from an ambassador of peace and love to the fiercest warrior in the DC Universe Luttrell reveals how Wonder Woman s journeys are a reflection of each wave within the feminist movement and how her impact on culture and society continues to be felt today Wonder Woman has become the epitome of technological sophistication globalization and modern day feminism She is truly a warrior a disrupter and a feminist icon Luttrell s fascinating history includes the perspectives of famed feminist Gloria Steinem in her essay Wonder Woman as well as personal interviews with creator William Moulton Marston s surviving family members Featuring a captivating examination of the oft overlooked contributions of Marston s life partners and inspirations Elizabeth Holloway Marston and Olive Byrne Wonder Woman is an incredible in depth exploration of this iconic feminist superhero **Comic Book Crime** Nickie D. Phillips,Staci Strobl,2013-07-15 Superman Batman Daredevil and Wonder Woman are iconic cultural figures that embody values of order fairness justice and retribution Comic Book Crime digs deep into these and other celebrated characters providing a comprehensive understanding of crime and justice in contemporary American comic books This is a world where justice is delivered where heroes save ordinary citizens from certain doom where evil is easily identified and thwarted by powers far greater than mere mortals could possess Nickie Phillips and Staci Strobl explore these representations and show that comic books as a historically important American cultural medium participate in both reflecting and shaping an

American ideological identity that is often focused on ideas of the apocalypse utopia retribution and nationalism Through an analysis of approximately 200 comic books sold from 2002 to 2010 as well as several years of immersion in comic book fan culture Phillips and Strobl reveal the kinds of themes and plots popular comics feature in a post 9 11 context They discuss heroes calculations of deathworthiness or who should be killed in meting out justice and how these judgments have as much to do with the hero s character as they do with the actions of the villains This fascinating volume also analyzes how class race ethnicity gender and sexual orientation are used to construct difference for both the heroes and the villains in ways that are both conservative and progressive Engaging sharp and insightful *Comic Book Crime* is a fresh take on the very meaning of truth justice and the American way
