Building Occupational Citizenship

Guy Standing

Work After Globalization Building Occupational Citizenship

Jamie Peck, Nik Theodore

Work After Globalization Building Occupational Citizenship:

Work After Globalization Guy Standing, 2010-01-01 This is a scholarly and erudite work There is a wealth of detail all illustrated with plenty of fascinating examples It is impossible to give the full flavour of this thoughtful and stimulating book in even a long review but it deserves to be widely accessible and read Citizen s Income this is the greatest book ever about work in all its forms Work after Globalization offers us the kind of foundation we need to launch a new social democratic program do yourself a favour don t take my word for it You need to read this book for yourself If you re ever going to read a book about work make it this one Peter Hall Jones New Unionism Network This is an important book It shifts emphasis from the role of capital to the creativity of labour in the creation of value in the real economy A central role is accorded to each and all of the skills and occupations which contribute to the construction of an economy and a civic culture governed by the public interest Guy Standing has made an original contribution to the validation of human creativity in the economic process The work owes an acknowledged debt to the vision of Karl Polanyi Kari Polanyi Levitt McGill University Canada Standing has written a comprehensive account of what the forces and developments that govern the contemporary world such as states employers trade unions the globalization of labor markets financial market crises etc do to workers and the conditions under which they work and live It is rare for a social science work that is full of empirical information to be as accessibly written as this one It is even rarer to find all three of the things that good social science can deliver fine grained description original explanation sophisticated normative reflection in the pages of a single volume One of the richest accounts of the fates of labor since Polanyi 1944 Claus Offe Hertie School of Governance Germany In Work after Globalization Guy Standing one of the most knowledgeable and theoretically sophisticated scholars in the area of labor relations today paints a rich panorama of contemporary labor practices around the world to demonstrate that we are in the midst of a societal shift of historical dimensions Standing s concept of occupational citizenship provides a way to re capture both human agency and community thereby reconciling the individual with society and flexibility with new forms of social security This book is a tour de force for its sweeping scope incisive analysis and predictive power Katherine Stone University of California Los Angeles US In this ground breaking book Guy Standing offers a new perspective on work and citizenship rejecting the labourist orientation of the 20th century Karl Polanyi s The Great Transformation marked the rise of industrial citizenship which hinged on fictitious labour de commodification Since the 1970s this has collapsed and a Global Transformation is under way in which inequalities and insecurities are becoming unsustainable Guy Standing explains that while a struggle against paternalism is essential the desirable egalitarian response to the problems caused by globalization is a strategy to build occupational citizenship This is based on a right to universal economic security and institutions to enable everybody to develop their capabilities and work whilst respecting the ecological imperatives of the 21st century The book also explores a phasing out of labour law and a re orientation of collective bargaining towards collaborative bargaining highlighting the increased importance of the

relationship between groups of workers and citizens as well as between workers and capital Work after Globalization offers a new perspective on work rejecting the labourist orientation of the 20th century Social scientists interested in globalization and labour market issues will warmly welcome this book It will also strongly appeal to students

Social Advantage and Disadvantage Hartley Dean, Lucinda Platt, 2016-01-21 Social advantage and disadvantage are potent catch all terms They have no established definition but considered in relation to one another they can embrace a wide variety of more specific concepts that address the ways in which human society causes exacerbates or fails to prevent social divisions or injustices This book captures the sense in which any conceptualisation of disadvantage is concerned with the consequences of processes by which relative advantage has been selectively conferred or attained It considers how inequalities and social divisions are created as much by the concentration of advantage among the best off as by the systematic disadvantage of the worst off The book critically discusses from a global and a UK perspective a spectrum of conceptual frameworks and ideas relating to poverty social exclusion capability deprivation rights violations social immobility and human or social capital deficiency It addresses advantage and disadvantage from a life course perspective through discussions of family and childhood education work old age and the dynamics of income and wealth It considers cross cutting divides that are implicated in the social construction and maintenance of advantage and disadvantage including divisions premised on gender race ethnicity migration and religion neighbourhood and the experience of crime

Basic Income Guy Standing, 2017-01-01 Shouldn't everyone receive a stake in society's wealth Could we create a fairer world by guaranteeing income to all What would this mean for our health wealth and happiness Basic income is a revolutionary idea that guarantees regular unconditional cash transfers from the government to all citizens It is an acknowledgement that everyone plays a part in generating the wealth currently enjoyed by only a few and would rectify the recent breakdown in income distribution Political parties across the world are now adopting this innovative policy and the idea generates headlines every day Guy Standing has been at the forefront of thought surrounding basic income for the past thirty years and in this book he covers in authoritative detail its effects on the economy poverty work and labour dissects and disproves the standard arguments against basic income explains what we can learn from pilots across the world and illustrates exactly why basic income has now become such an urgent necessity

Vampire Capitalism Paul Kennedy, 2016-12-25 This book argues that in recent decades an unrestrained vampire capitalism has emerged disengaged from the needs of citizens and workers leading to a deepening of social class generational gender educational and ethnic divisions The author explores how our cultural obsession with self realization undermines our capacity for collective action and ability to confront threats such as climate change and the impact of the rapid advance of technology on labour Drawing on sociology and political economy as well as worldwide case studies the chapters interrogate how we arrived at these dilemmas and how we might escape them through establishing alternative social economies Vampire Capitalism will be of interest to students and scholars across a range of

disciplines including sociology social theory globalisation studies development studies political economy geography politics and social policy

Thinking Beyond Neoliberalism Neal Harris, Onur Acaroğlu, 2021-12-11 This book brings together leading academics and activists to address the possibilities for qualitative social change beyond neoliberalism providing introductory essays on alternative societies transition and resistance Bringing together discussions on universal basic income actually existing communism parecon circular economies workers co operatives fully automated luxury communism trade unionism and party politics the volume provides one of the first scholarly interventions to systematically evaluate possibilities for transition and resistance across theoretical political and disciplinary traditions

Re-Activating Critical Thinking in the Midst of Necropolitical Realities Marina Gržinić, Jovita Pristovšek, 2022-03-09 This volume takes as its starting point the question of whether there is a pluriversal generation a younger group of scholars who do not necessarily collaborate or know each other but who are currently forming a radical structure that is viral in thought production and reflective on the current global recalibration of social relations brought about by the necropolitical and necrocapitalist governmentality emerging worldwide The 23 articles assembled in this volume transcend geographical boundaries conceive of the world as a single entity and develop strategies for radical change They are presented in five subchapters with two lines of demarcation one for entry invention and potentiality and the other for a grim threshold

The Elgar Companion to Social Economics, Second Edition John B. Davis, Wilfred Dolfsma, 2015-05-29 Social economics is a dynamic and growing field that emphasizes the key roles social values play in the economy and economic life This second edition of the Elgar Companion to Social Economics revises all chapters from the first edition and adds impo

Fast Policy Jamie Peck, Nik Theodore, 2015-04-15 We inhabit a perpetually accelerating and increasingly interconnected world with new ideas fads and fashions moving at social media speed New policy ideas especially ideas that work are now able to find not only a worldwide audience but also transnational salience in remarkably short order Fast Policy is the first systematic treatment of this phenomenon one that compares processes of policy development across two rapidly moving fields that emerged in the Global South and have quickly been adopted worldwide conditional cash transfers a social policy program that conditions payments on behavioral compliance and participatory budgeting a form of citizen centric urban governance Jamie Peck and Nik Theodore critically analyze the growing transnational connectivity between policymaking arenas and modes of policy development assessing the implications of these developments for contemporary policymaking Emphasizing that policy models do not simply travel intact from sites of invention to sites of emulation they problematize fast policy as a phenomenon that is real and consequential yet prone to misrepresentation Based on fieldwork conducted across six continents and in fifteen countries Fast Policy is an essential resource in providing an extended theoretical discussion of policy mobility and in presenting a methodology for ethnographic research on global social policy

The Politics of Ecosocialism Kajsa Borgnäs, Teppo Eskelinen, Johanna Perkiö, Rikard Warlenius, 2015-07-24 As the global economy seeks to recover from the financial crisis and warnings about the consequences

of climate change abound it is clear that we need a fundamentally new approach to tackle these issues This innovative book offers a unique perspective stressing the necessity of both ecological and social change as it discusses how to create a red green or eco socialist society Examining the current crises of welfare capitalism as well as the challenges and conflicts of an eco socialist society the book proposes a new social order that would combine the ideals of egalitarianism and of environmental sustainability It analyses the key social and ecological issues related to the welfare state including green Keynesianism ecological Marxism the limits of growth and no growth capitalist barriers to a renewable energy transition proposals for a universal basic income and the role of technology Finally the book outlines possible paths of transformation towards creating an eco socialist society drawing out lessons that can be applied internationally This book will be of great interest to students and researchers in economics environmental studies and political science

Job Quality in an Era of Flexibility Tommy Isidorsson, Julia Kubisa, 2018-09-27 This is the era of flexibility Under constant pressure to be adaptable organizations increasingly adopt employment practices such as zero hours contracts the casualization of the workforce and the use of temporary and agency labour These flexible practices are central to debates about the changing nature of job quality and its causes trends and consequences Arguing that job quality is central to understanding contemporary work this book explores the internal and external pressures for flexibility in workplaces professions and sectors and how this pressure shapes workers experiences of job quality By studying job quality dynamics via case studies from organizations and occupations in the UK Poland Belgium and Sweden the volumes illustrates the diversity of practices and experiences as well as market pressures and institutional arrangements which effect working lives Finally the editors propose a policy debate on the new concept flexiquality a combination of flexibility and job quality that can be beneficial for both management and workers

Work After Globalization Building Occupational Citizenship Introduction

In today's digital age, the availability of Work After Globalization Building Occupational Citizenship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Work After Globalization Building Occupational Citizenship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Work After Globalization Building Occupational Citizenship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Work After Globalization Building Occupational Citizenship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Work After Globalization Building Occupational Citizenship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Work After Globalization Building Occupational Citizenship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Work After Globalization Building Occupational Citizenship

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Work After Globalization Building Occupational Citizenship books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Work After Globalization Building Occupational Citizenship books and manuals for download and embark on your journey of knowledge?

FAQs About Work After Globalization Building Occupational Citizenship Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Work After Globalization Building Occupational Citizenship is one of the best book in our library for free trial. We provide copy of Work After Globalization Building Occupational Citizenship in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Work After Globalization Building Occupational Citizenship. Where to download Work After Globalization
