

PM: Don't tell me about the press, I know exactly who reads the papers: The Daily Mirror is read by people who think they run the country; The Guardian is read by people who think they ought to run the country; The Times is read by people who actually do run the country; the Daily Mail is read by the wives of the people who run the country; the Financial Times is read by people who own the country; The Morning Star is read by people who think the country ought to be run by another country; and The Daily Telegraph is read by people who think it is.

Sir Humphrey: *Prime Minister, what about the people who read The Sun?*

Bernard: *Sun readers don't care who runs the country, as long as she's got big tits.*

Comedy Rules Jonathan Lynn, 2011-08-18 Jonathan Lynn's credits include creating and co-writing the long running comedy series *Yes Minister* and *Yes Prime Minister* as well as hit films *Clue*, *My Cousin Vinny*, *Nuns on the Run* and *The Whole Nine Yards*. With experience as a comedy actor, writer and director, here Jonathan Lynn shares valuable and hilarious lessons in all aspects of creating great comedy, all illustrated with brilliantly insightful and revealing anecdotes about his work and the legendary actors, writers and comedians he's worked alongside.

A Very Courageous Decision Graham McCann, 2014-10-16 A behind-the-scenes history of one of the most successful and admired British sitcoms of the 1980s. In 1977 the BBC commissioned a new satirical sitcom set in Whitehall. Production of its first series was stalled, however, by the death throes of Jim Callaghan's Labour government and the Winter of Discontent. Auntie being unwilling to broadcast such an overtly political comedy until after the general election of 1979, *Yes Minister* should have been delayed by the very events that helped bring Margaret Thatcher to power, is perhaps fitting. Over three series from 1980 and two more as *Yes Prime Minister* until 1988, the show mercilessly lampooned the vanity, self-interest and incompetence of our so-called public servants, making its hapless minister Jim Hacker and his scheming Permanent Secretary Sir Humphrey two of the most memorable characters British comedy has ever produced. The new prime minister professed it her favourite television programme, a textbook on the State in inaction, and millions of British viewers agreed. In the years since, *Yes Minister* has become a national treasure. Sir Humphrey's slippery circumlocutions have entered the lexicon, regularly quoted by political commentators, and the series' cynical vision of government seems as credible now as it did thirty years ago. Much of this success can be credited to its writers, Antony Jay and Jonathan Lynn, who drew on their contacts in Westminster to rework genuine political folly as situation comedy. Storylines that seemed absurd to the public were often rooted in actual events, so much so that they occasionally attracted the scrutiny of Whitehall mandarins. In *A Very Courageous Decision*, acclaimed entertainment historian Graham McCann goes in search of the real political fiascos that inspired *Yes Minister*. Drawing on fresh interviews with cast, crew, politicians and admirers, he reveals how a subversive satire captured the mood of its time to become one of the most cherished sitcoms of Thatcher's Britain.

PolitiPedia Nick Inman, 2007 The ultimate quirky reference work for voters, students and those in the Westminster village. It is ideal for anyone looking to discover where their vote and money actually go, or for those looking for quotes and fascinating tidbits. The book aims to capture the entertaining essence of politics without taking up too much of the reader's time.

On The Buses Craig Walker, 2011-06-21 *On The Buses* was a classic British situation comedy created by Ronald Wolfe and Ronald Chesney, which ran for seven series from 1969 to 1973 and introduced a host of much-loved memorable characters. The series followed the ups and downs of life on the buses as portrayed by two work-shy busmen, Stan Butler played by Reg Varney and his mate Jack Harper, Bob Grant as they invented new scams to wind up their long-suffering boss, inspector Cyril Blakey. Blake, Stephen Lewis. This book tells the whole *On The*

Buses story from its inception through to the three spin off feature films it spawned It includes details of cast crew locations and the many famous faces and catch phrases which made up one of the most popular sitcoms ever to appear on our TV screens On The Buses aired in an era where entertainment was unrestrained by politically correct rules but hilarious scripts and quality acting guaranteed the series a legion of loyal fans around the globe This book is a must have for anyone interested in learning more about On The Buses an example of British sitcom at its best *Access to History: Britain 1951-2007 Third Edition* Michael Lynch,2019-10-07 Exam board AQA OCR Level AS A level Subject History First teaching September 2015 First exams Summer 2016 AS Summer 2017 A level Put your trust in the textbook series that has given thousands of A level History students deeper knowledge and better grades for over 30 years Updated to meet the demands of today s A level specifications this new generation of Access to History titles includes accurate exam guidance based on examiners reports free online activity worksheets and contextual information that underpins students understanding of the period Develop strong historical knowledge in depth analysis of each topic is both authoritative and accessible Build historical skills and understanding downloadable activity worksheets can be used independently by students or edited by teachers for classwork and homework Learn remember and connect important events and people an introduction to the period summary diagrams timelines and links to additional online resources support lessons revision and coursework Achieve exam success practical advice matched to the requirements of your A level specification incorporates the lessons learnt from previous exams Engage with sources interpretations and the latest historical research students will evaluate a rich collection of visual and written materials plus key debates that examine the views of different historians **Satire and Politics** Jessica Milner Davis,2017-11-17 This book examines the multi media explosion of contemporary political satire Rooted in 18th century Augustan practice satire s indelible link with politics underlies today s universal disgust with the ways of elected politicians This study interrogates the impact of British and American satirical media on political life with a special focus on political cartoons and the levelling humour of Australasian satirists *Access to History: Britain 1951-2007 Second Edition* Michael Lynch,2015-08-14 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to help students understand how to apply what they have learnt This title is suitable for a variety of courses including AQA The Making of Modern Britain 1951 2007 OCR Britain 1930 1997 *Scripts People Live* Claude Steiner,1990 A clinical psychologist presents an overview of transactional analysis and a discussion of the key elements and practical applications of

Riis, 1996-01-01 With over eleven hundred performances in the United States and England between 1902 and 1905 *In Dahomey* became a landmark of American musical theater Created and performed entirely by African Americans it showcased the talent of conservatory trained composer Will Marion Cook and the popular vaudevillians Bert Williams and George Walker This edition presents the musical and textual materials of *In Dahomey* in a comprehensive piano vocal score with many musical numbers that were added or substituted in various early productions This complete array of songs makes this the first publication of its type **Nigel Hawthorne on Stage** Kathleen Riley, 2005-04-27 This book is the authorised and fully documented history of the 50 year career of the late Sir Nigel Hawthorne beloved star of *Yes Minister* *Privates on Parade* *Shadowlands* and *The Madness of George III* Enriched and illuminated by the personal insights of the

actor himself it also includes interviews with his close friends and colleagues including Alan Bennett Samuel Goldwyn Jnr Nicholas Hytner Thelma Holt Jonathan Lynn and Sheridan Morley Structured along the lines of a play the book comprises three distinct Acts the first covers the developmental phase of Nigel Hawthorne s career in South Africa in provincial rep in England and his life changing discovery by Joan Littlewood Act Two explores the distinctive qualities of the mature actor and gives fascinating details of his acting methodology how he researched and prepared roles his intense study of the play text and crucially his interaction with fellow actors writers and directors There is also an Interval which deals with Sir Nigel s own work as a director and playwright Act Three consists of uniquely detailed chronologies In focusing on the personal journey of one of Britain s finest actors Nigel Hawthorne on Stage also gives an excellent appraisal of post war English theatre including particularly valuable material about Joan Littlewood s Theatre Workshop and the controversial English Stage Company at the Royal Court **BOOK JACKET** **Training for the New Millennium** Martha Tennent,2005-02-28

Originating at an international forum held at the University of Vic Spain the twelve essays collected here attest to important changes in translation practice and the assumptions which underpin them Leading theorists respond to the state of Translation Studies today particularly the epistemological dilemma between theories that are empirically oriented and those that are inspired by developments in Cultural Studies But the volume is also practical Experienced instructors survey existing pedagogies at translator interpreter training programs and explore new techniques that address the technological and global challenges of the new millennium Among the topics considered are how to use translation technology in the classroom how to construct a syllabus for a course in audiovisual translating or in translation theory and how to develop guidelines for a program for community interpreters or conference interpreters The contributors all assume that translation whether written or oral does not occupy a neutral space It is a cross cultural exchange that produces far reaching social effects Their essays significantly advance the theoretical and practical understanding of translation along these lines **P.G.
