The understanding of some major prophetic events is crucial as a guide to comprehending where we stand chronologically in God's plan. The Bible is the lone trustworthy guide in these

matters *The Non-Prophet's Guide to the End Times* Todd Hampson, 2018-10-02 I Believe Jesus Will Return What More Do I Need to Know Do you tend to avoid studying books of the Bible like Revelation and Ezekiel Does it feel like words such as rapture and apocalypse fly right over your head It s common to dismiss these and other topics related to Bible prophecy as irrelevant and well too complicated But God s Word says Blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 Prepare to be blessed in an entertaining and meaningful way The Non Prophet s Guide to the End Times combines engaging illustrations with down to earth explanations to help you navigate the ins and outs of Bible prophecy There s no better time to grasp God s plans for the future and for you than this very moment **Bible Study Course: Lesson 5 - Is There Hope For Human Survival?** United Church of God, 2017-11-20 Many of these threats to human survival play prominent roles in prophecies in the Bible Inside this Bible study lesson Threats to Physical Survival First the Good News Can We Know the Future Do Not be Deceived A Dangerous and Dying World A Sudden and Dangerous Turn of Events A Solemn Warning to Believers The Book of Revelation Timetable for the End Time An Unseen Evil Influence An Evil Influence Removed Does Bible Prophecy Tell Us When Jesus Christ Will Return Story Flow of the Book of Revelation Chapter Outline of the Book of Revelation Was Jesus the Promised Messiah Glossary Points to Ponder <http://www.ucg.org/bible-study-course> How to Understand the Bible United Church of God, 2010-10-12 The Bible is the world s most popular book but at the same time the most misunderstood How can you understand the Bible The Bible itself gives the keys to understand it But you must read this Book with the right attitude and perspective So how can you properly read the scriptures What principles and methods of study should you follow What tools are available to help you How can you grow in spiritual understanding while reading the Word of God This Bible Study aid ebook How to Understand the Bible will explore a number of important points that will help you grasp the Bible s message and meaning and make it relevant in your life Chapters in this ebook Introduction How to Understand the Bible Approach the Bible With a Proper Attitude Keys to Understanding the Bible In Their Own Words Great Men and Women Who Highly Respected the Bible Does the Bible Contain Errors Actively Read and Study the Bible Seven Scriptural Threads for More Complete Understanding Are There Mistakes in the King James Version of the Bible Bible Study Software and Online Resources Live What You Learn Inside this Bible Study Aid ebook Even though we might possess the world s brightest minds if God does not act to open our minds the Bible will remain closed to us One vital key we must come to understand is that the Bible interprets itself We must be careful not to force our own interpretations onto it For us to understand the Bible we must first learn about and respect God s law Enigma: An Interpretative Commentary of Revelation Dr. Nathan Ogan, 2019-01-16 This has been offered to the reader as if to say that from the very outset any study of Revelation that is done or offered without the direct application of Jesus teaching specifically His sermon on the Mount of Olives is incomplete at best The argument that God conclusively broadened His redemptive purpose beginning with the Jewish people then spread

to all races as promised in Matthew 28 19 rings true in Revelation when understood in the context of what Jesus taught What s more the development of temple based worship into a simpler spiritual based worship as expected in John 4 21 24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of Revelation as predicted by Jesus in His Mount of Olives sermon My Journey With Christ Bob Francis,2025-11-23 Christianity is declining in the West in stark contrast to other countries particularly in the East where it faces suppression Yet many are turning to our Lord In Iran it is claimed that hundreds of thousands of Christians have secretly joined the Body of Christ at great peril and churches are growing daily In contrast here in the West Christianity is rapidly becoming a minority religion During the Reformation Bible critics planted the seeds that transformed the Church into a lukewarm entity However nineteenth century missionaries brought God s grace particularly to the United Kingdom which initiated a significant event in the early twentieth century The Bible is filled with prophecies that leaders of our assemblies do not regularly teach Prophecy aims to give the Church hope and encourages us to look forward to our Lord s return This account describes the unravelling of a crimson cord from Genesis to Revelation The creation narrative is not just about how God created the heavens and the earth but also outlines God s plan for redemption The pattern of creation by design is connected to the first Passover Lamb Jesus crucifixion and resurrection illustrating how Jesus is the First Fruits and took paradise to Heaven In short Genesis chapter 1 is both enlightening and prophetic We will explore the possibility of a hidden day in the creation narrative Prophecy is also linked to the Last Supper which established a New Covenant and a Betrothal It foreshadows the reality of the Church s rapture Framing this within culture context and audience enhances its prophetic nature *That You Might Believe - Study on the Gospel of John* Robert L. Deffinbaugh,2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29 Rushing Ahead to Armageddon Christopher M. Jones,2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well

documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38 39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38 39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time

Why Believe It? John Huffman,2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God s infallible Word This book endeavors to bring the author s insight and spiritual gifts to its pages to share God s message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ
