It was me against the world and I was ready for battle After the divorce was final and I was kid free my drinking drugging and partying spiraled out of control This led me to people who helped me turn things around Regardless of how bad things got my club brothers never turned their backs on me That s why joining a motorcycle club was one of the best decisions I ever made It didn t hurt that when I met the sergeant at arms I wanted one hot night with him However after I got to know him I wanted him all to myself We started as best friends and our relationship was solid It was definitely tested From my children returning home my multiple arrests and my bad relationship with his family Through it all he had my back I had spent the majority of my life masking Riddled with addictions to stealing food alcohol drugs sex money and gambling I had a lot of self reflecting and growing to do All this was made possible with a stretch in the penitentiary I had to start with separating religion and spirituality Religion was forced on me It was time for me to decide My physical being may have been trapped in a cage but my mental stability was far worse I needed to free myself and my mentality from bondage and truly begin to heal and grow My life may have been an uphill battle but I made it to the top a much better Mz Talented
