The Social World Of Deuteronomy A New Feminist Commentary

Abera M. Mengestu

The Social World Of Deuteronomy A New Feminist Commentary:

The Social World of Deuteronomy Don C Benjamin, 2017-04-27 The book of Deuteronomy is not an orphan It belongs to a diverse family of legal traditions and cultures in the world of the Bible The Social World of Deuteronomy A New Feminist Commentary brings these traditions and cultures to life and uses them to enrich our understanding and appreciation of Deuteronomy today Don C Benjamin uses social scientific criticism to reconstruct the social institutions where Deuteronomy developed as well as those that appear in its traditions He uses feminist criticism to better understand and appreciate how powerful elite males in Deuteronomy view not only the women daughters mothers wives and widows in their households but also their powerless children liminal people slaves prisoners outsiders livestock and nature Through the lens of feminist theory Benjamin explores important aspects of the daily lives of these often overlooked peoples in ancient Israel

The Oxford Handbook of Deuteronomy Don C. Benjamin, 2025-01-31 The Oxford Handbook of Deuteronomy is a gateway to what legal traditions teach about the cultural identity and social world of the people of YHWH how they thought about themselves and about their world and how they faced and resolved the challenges of daily life This Handbook introduces readers to significant topics in the thriving conversation and the rich diversity in the academic community studying Deuteronomy

Adopting the Stranger as Kindred in Deuteronomy Mark R. Glanville, 2018-11-02 Investigate how Deuteronomy incorporates vulnerable displaced people Deuteronomy addresses social contexts of widespread displacement an issue affecting 65 million people today In this book Mark R Glanville investigates how Deuteronomy fosters the integration of the stranger as kindred into the community of Yahweh According to Deuteronomy displaced people are to be enfolded within the household within the clan and within the nation Glanville argues that Deuteronomy demonstrates the immense creativity that communities may invest in enfolding displaced and vulnerable people Inclusivism is nourished through social law the law of judicial procedure communal feasting and covenant renewal Deuteronomy's call to include the stranger as kindred presents contemporary nation states with an opportunity and a responsibility to reimagine themselves and their disposition toward displaced strangers today Features Exploration of the relationship of ancient Israel's social history to biblical texts An integrative methodology that brings together literary historical legal sociological comparative literary and theological approaches A thorough study of Israelite identity and ethnicity

Deuteronomy Johanna W. H. van Wijk-Bos, 2025-11-15 Deuteronomy the final book of the Torah is ostensibly addressed to males but it does not mean it lacks a concern for women In this commentary on Deuteronomy Johanna W H van Wijk Bos provides serious feminist engagement with the complete text paying specific attention to the effect it may have on women's perspectives and considers ways the text highlights female presence or absence In this commentary van Wijk Bos encourages readers to question not only the patriarchal practices reflected in Deuteronomy but also modern misogynist and androcentric assumptions that they may bring to the world of the text Divided into eleven sections Deuteronomy offers insight for our present time as well as an

opportunity to hear new voices examine cultural and gender biased interpretations and draw other conclusions to open up new avenues of understanding God and ourselves

Handbook of Biblical Social Values, Third Edition John J. Pilch, Bruce Malina, 2016-11-04 Values are culturally specific This handbook explains select biblical social values in their Mediterranean cultural contexts Some examples of values are altruism freedom family centeredness obedience parenting and power Though the English words for the values described here would be familiar to readers e g altruism the meanings of such words differ between cultures In the Mediterranean world for instance altruism is a duty incumbent upon anyone who has surplus It is interpersonal and group specific In the West especially in the United States altruism is impersonal and universally oriented generosity that operates in a highly organized context This handbook not only presents the Mediterranean meanings of these value words but also contrasts those meanings with Western ones

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike

T&T Clark Handbook of Anthropology and the Hebrew Bible Emanuel Pfoh, 2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible

Moses Anthony Rees, 2023-05-30 Utilizing the theory of hegemonic masculinity and homosociality Moses Man Among Men explores the relationships that Moses shares with other male characters While the dynamic nature of hegemonic masculinity is recognized

Anthony Rees builds on the categories of masculinity already well established within the existing literature on masculinity in Old Testament characterization. The author argues that almost uniformly Moses is presented in ways which elevate him at the expense of these other male characters. Recognizing the social dimension of gender performance and in particular the homosocial nature of masculine identity, this book also pays attention to the social nature of these relationships in particular those of Moses' family members.

Quiet Voices Victor H. Matthews, 2024-11-05. Silence occurs between words during conversation and between musical notes in a composition and is an indicator of mood and emotion. Examining silence in the context of the Bible gives the reader the opportunity to ask significant questions about why silence occurs, its value to life and how it relates to our understanding of God.

The Matriarchs of Genesis David J. Zucker, Moshe Reiss, 2015-08-27. Sarah, Hagar, Rebekah, Leah, Rachel, Bilhah, Zilpah. These are the Matriarchs of Genesis. A people's self-understanding is fashioned on their heroes and heroines. Sarah, Rebekah, Leah, and Rachel, the traditional four Matriarchs, are important and powerful people in the book of Genesis. Each woman plays her part in her generation. She interacts with and advises her husband, seeking to achieve both present and future successes for her family. These women act decisively at crucial points through their actions and words; their family dynamics change irrevocably. Unlike their husbands, we know little of their unspoken thoughts or actions. What the text in Genesis does share shows that these women are perceptive and judicious, often seeing the grand scheme with clarity. While their stories are told in Genesis in the post-biblical world of the Pseudepigrapha, their stories are retold in new ways. The rabbis also speak of these women, and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature. Using extensive quotations, we present these women through five lenses: the Bible, Early Extra-Biblical Literature, Rabbinic Literature, Contemporary Scholarship, and Feminist Thought. In addition, we consider Hagar, Abraham's second wife and the mother of Ishmael, as well as Bilhah and Zilpah, Jacob's third and fourth wives.

Equally Yoked Matthew R. Akers, 2016-03-03. During the past fifty years, Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage. As a result, more North Americans than ever marry spouses whose ethnicity or culture differs from theirs. This trend also is observable in Christian circles. Unfortunately, few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision. The purpose of this volume is to provide such a resource. *Equally Yoked* examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds.

An Introduction to the Study of the Pentateuch Bradford A. Anderson, Paula Gooder, 2017-02-23. The Pentateuch or the Torah consists of the first five books of the Bible and is a foundational scripture for millions of people, both Jews and Christians. In this book, Paula Gooder and Brad Anderson provide a clear and accessible introduction for those beginning Bible study. Key themes such as creation and the

flood exodus and liberation as well as covenant and law are presented and analyzed These themes are explored in their ancient context and from the standpoint of contemporary concerns such as liberation theology gender issues and ecology For this new edition introductory sections on the five books of the Pentateuch have been expanded and supplemented while recent developments in the quest for the origins of the Pentateuch have also been updated A new chapter on academic approaches to the study of the Pentateuch has been added along with a section on the afterlife of the Pentateuch which focuses on its place in the history of interpretation as well as in the arts and culture Reading lists and references have been updated throughout to take account of the most recent scholarship

God as Father in Paul Abera M. Mengestu, 2013-08-28

God as Father in Paul explores Paul's use of the kinship term Father to refer to God along with related familial terms children of God and Christ followers as brothers and sisters as part of a study of the use of kinship language in the identity formation of early Christianity Mengestu argues that these kinship terms are shared modes of identity constructions within the wider textual and cultural settings the Roman Empire the Roman Stoic philosophers the Hebrew Bible and ancient Jewish literature from which Paul draws on as well as contests Employing theoretical kinship and social identity theory as well as interpretative approaches imperial critical and narrative approaches to Paul he contends that Paul uses God as Father consistently strategically and purposefully in both stable and crisis situations to develop a narrative orienting framework that images the community of Christ followers as a family that belongs to God who together with the Lord Jesus Christ bestows on them equal but diverse membership in the family The narrative so constructed forms the foundation for referring to Christ followers as children of God and brothers and sisters of one another It constructs boundaries and serves as nexus of transformation and negotiation

Women in the Damascus Document Cecilia Wassen, 2005

A Pathway of Interpretation Walter Brueggemann, 2009-01-01 Writing with the pastor and student in mind Walter Brueggemann provides guidance for interpreting Old Testament texts He offers both advice for the interpreter as well as examples of working with different sorts of passages from narratives prophecies and Psalms He also demonstrates how to work thematically drawing together threads from different traditions His goal is to work through the rhetoric of these passages to reach toward theological interpretation These investigations indicate Brueggemann's conviction that the process of moving from text to interpretive outcome is an artistic enterprise that can be learned and practiced

Towards Friendship-Shaped Communities Anne-Marie Ellithorpe, 2022-04-11 A unique and incisive exploration of the place and nature of friendship in both its personal and civic dimensions In *Towards Friendship Shaped Communities A Practical Theology of Friendship* distinguished theological researcher Anne Marie Ellithorpe delivers a constructive and insightful exploration of the place and nature of friendship as innate to being human to the human vocation and to life within the broader community Of particular interest to members and leaders of faith communities this book responds to contemporary concerns regarding relationality and offers a comprehensive theology of friendship The author provides an inclusive and interdisciplinary study that brings previous

traditions and texts into dialogue with contemporary contexts and concerns including examples from Indigenous and Euro Western cultures Readers will reflect on the theology of friendship and the interrelationship between friendship and community think critically about their own social and theological imagination and develop an integrative approach to theological reflection that draws on Don Browning s Fundamental Practical Theology Integrating philosophical anthropological and theological perspectives on the study of friendship this book presents A thorough introduction to contemporary questions on friendship and discussions of co existing friendship worlds Comprehensive explorations of friendship in first and second testament writings as well as friendship within classical and Christian traditions Practical discussions of theology friendship and the social imagination including explorations of mutuality and spirit shaped friendships Considerations for outworking friendship ideals within communities of practice from the perspective of strategic or fully practical theology Perfect for graduate and advanced undergraduate students taking courses on friendship or practical theology Towards Friendship Shaped Communities A Practical Theology of Friendship will also earn a place in the libraries of scholars of practical theology and community practitioners including ministers priests pastors spiritual advisors and counselors

Marginal(ized) Prospects through Biblical Ritual and Law Bernon Lee, 2017-06-19 This book follows a reader s logic of association through a series of overlapping constructs in biblical prescription of things prized and lofty holy hair unblemished beasts sacred edibles wholesome wombs pristine precincts esteemed ethnicities and as unlikely as it seems dismembered members Thoroughly intersectional in disposition Bernon Lee uncovers not just the precariousness of the contrived dichotomies through the identity building sacred texts but also the complexities and contentions of a would be decolonizing hermeneutic bristling with its own tensions and temptations This volume is an intertextual odyssey through law and ritual from impassioned positions fraught with ambivalence reticence and anxiety

Chosen and Unchosen Joel N. Lohr, 2009-06-30 Winner of the 2011 RBY Scott Award from the Canadian Society of Biblical Studies Soci t canadienne des tudes bibliques The God of the Bible favors a national people Israel and this is at the cost of the other nations In fact not being Israel usually means humiliation or destruction or simply being ignored by God Reading the text with the grain or placing oneself within the chosen s perspective may seem very well until one considers the unchosen There is much regarding the unchosen that has not been explored in scholarly research but in this important work Lohr attempts to make sense of the question of election and nonelection in the OT as a Christian interpreter and with a concern for the history of interpretation and Jewish Christian dialogue He also corrects a Christian tendency to read election and nonelection as love and damnation respectively a perception that is altogether foreign to the OT itself The unchosen are important to the overall world view of Scripture and although election entails exclusion and God s love for the one people Israel is a love in contrast to others it does not follow that the unchosen fall outside of the economy of God s purposes his workings or his ways The unchosen often face important tests of their own and have a responsibility to God and the chosen however much this idea

defies modern day notions of fairness It is a central idea of Scripture that already appears in the original call of and promises made to Abram and something that if ignored places our larger understanding of God at risk Equally important if contemporary faith communities both Jewish and Christian form their understanding of the other on a faulty reading of Scripture regarding the unchosen chaos and hatred can ensue The political and religious climate of our contemporary world has never presented a more important time to get this matter right Scholars and students alike are finding Chosen and Unchosen to be an indispensable resource as they mull over these difficult questions **Hail Mary?** Maurice Hamington, 2014-04-23 Hail Mary examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary the mother of Jesus Maurice Hamington explores the sources for three prominent Marian images Mary as the the blessed Virgin Mary the Mediatrix and Mary the second Eve Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women In challenging dominant religious representations of Mary Hamington surveys a variety of emerging reinterpretations of Mary He then provides a framework for further study of non alienating images of Mary **Women in the Sex Texts of Leviticus and Deuteronomy** Deborah L. Ellens, 2008-03-04 This text compares two groups of sex laws in the Bible and reveals factors more narrowly focused than the general desire to control social behaviour

The Enigmatic Realm of **The Social World Of Deuteronomy A New Feminist Commentary**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. The Social World Of Deuteronomy A New Feminist Commentary Introduction

In today's digital age, the availability of The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Social World Of Deuteronomy A New Feminist Commentary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Social World Of Deuteronomy A New Feminist Commentary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for The Social World Of Deuteronomy A New Feminist Commentary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Social World Of Deuteronomy A New Feminist Commentary books and manuals for download and embark on your journey of knowledge?

FAQs About The Social World Of Deuteronomy A New Feminist Commentary Books

1. Where can I buy The Social World Of Deuteronomy A New Feminist Commentary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
