The Society Of Blood Obsidian Heart :

The Society of Blood Mark Morris, 2015-10-13 Transported through time to the dank streets of Victorian London Alex Locke seeks to unravel the mysteries of the Obsidian Heart the enigmatic object to which his fate is inextricably bound When a string of grisly murders takes place across the capital Alex follows a trail that will lead him through the opium dens of Limehouse into the dark and twisted world of the Society of Blood and ever closer to unlocking the secret of the Heart

Wrapped in Skin Mark Morris, 2016-02-16 A fantastic collection from the author of *It Sustains* Each of the stories here is proudly horror Morris is still at the top of his game This Is Horror A woman haunted by a mysterious upside down door A meeting between a famous punk rocker and a voodoo priestess A group of friends who willingly place themselves in the path of bullets that travel through time Praised by Clive Barker as one of the finest horror writers at work today Mark Morris wraps his stories in strange skin Skin suffused with regret and grief and anger Skin that twitches with bad dreams and appalling memories Skin that is so thin it is unable to prevent the terrors of the past from breaking through After spending a few days wandering through the wastelands of *Wrapped in Skin* I m in awe of the sheer breadth of talent Morris brings to the table He s exploring new avenues but he doesn t shy away from the standard tropes either here there be zombies and ghosts demons and vampires familiar elements aplenty but each told with a skill and confidence that makes them feel fresh and new Morris has given us a collection that celebrates and exploits the full potential of the genre in a way too few authors can pull off and then he brings the hammer down emphatically with the closing story *Waiting for the Bullet Cemetery Dance*

The Black Mark Morris, 2024-05-03 Kate Nolan is a successful magazine editor with a loving husband James and a five year old son Max Her life couldn t be more perfect but one day she receives a phone call from James which changes everything Clearly distressed James tells Kate to meet him at midnight outside the beach caf once owned by her long dead grandmother in the seaside town of Seahaven where they both grew up A strange request made even more sinister by the fact that in recent weeks Seahaven has become prey to a serial killer who is targeting the local children Kate keeps the midnight appointment but instead of finding her husband and son she finds herself drawn into an ever tightening web of past misdeeds and long buried secrets As hopes for her missing family fade Kate becomes involved in a desperate race against time Where are her husband and son Have they become the latest victims of the serial killer who calls himself Dominic and seems to know her intimately And what has all this to do with Kate s childhood terror of the impenetrable darkness known as the black

The Secret of Anatomy Mark Morris, 2025-02-28 David Fox fast approaching his fortieth birthday is in the throes of a mid life crisis going nowhere no purpose in life Until one day whilst walking on the beach he comes across a message in a bottle washed up at his feet The message written in 1953 is from a boy called John Marshall who claims his father is trying to kill him David feels compelled to find out what happened to the boy all those years ago and so he sets off to discover the truth But the truth is more bizarre than anything he could ever have imagined His investigations lead him to a secret society called

the Flux each of whose members has a unique and awesome secret which the Flux holds at its core David soon realises that the Flux are merely pawns unwitting participants in a process started centuries ago that has brought mankind to the very brink of destruction From one of Britain's most talented and highly acclaimed horror writers The Secret of Anatomy is Mark Morris's most powerful and original book to date [Fiddleback](#) Mark Morris,2024-11-16 how do you describe that moment when the lights go out in someone's eyes and the darkness takes over They become something you can't reason with something whose conscience you can't appeal to like a shark or a machine They look human but they're not Not in the sense that the majority of us understand anyway They have no moral code They become less than human inadequate incomplete And that incompleteness can make them dangerous even deadly When Ruth Gemmill's younger brother Alex fails to return her calls she sets off to check up on him Unable to find him in Greenwell the town where he has been living and teaching she begins her tentative enquiries She soon discovers the locals to be frustratingly unhelpful while the eerie town holds more questions than clues Why are the police so uncooperative Why is Greenwell so dark and lonely And who is the grey man the schoolchildren saw Alex with not long before he went missing As Ruth becomes concerned that something terrible has happened to her brother events escalate mysteriously dangerously out of control Then in one fearful moment she is sure she glimpses the abusive ex-boyfriend she left behind in London the man who caused her years of tortuous pain Too late Ruth realizes that her worst fears haunt her still and that she is at the center of a far darker nightmare than she could ever have imagined [The Uglimen](#) Mark Morris,2024-06-02 The uglimen are coming Watch your back They killed your dad They'll kill you too if they can Rob Loomis has everything he could wish for a beautiful girlfriend a job he loves a nice flat in London Life is sweet until the day that his mother rings him at work to tell him that his quiet thoughtful and apparently contented father has hung himself from the banister of their family home Before long Rob finds that it is not only his own and his mother's grief that he has to cope with A mysterious hissing voice on the phone informs him that his father was murdered and that his murderers the uglimen are targeting Rob as their next victim But if Rob's father really is dead why does Rob glimpse him standing between distant trees watching his own funeral Is his father a phantom A figment of Rob's imagination Or has he somehow faked his own death in order to avoid some terrible retribution To discover the truth Rob must confront and accept shocking revelations about his father must delve deep into his father's past and in particular into certain events that occurred in California in 1969 during the fabled summer of love For it was here where his father made the biggest mistake of his life where his reckless actions were to have such devastating consequences that they would destroy not only his life but the lives of all those around him **Mammoth Book Of Sherlock Holmes Abroad** Simon Clark,2015-04-02 In this wonderful anthology of new stories Sherlock Holmes travels to the far ends of the Earth in search of truth and justice A host of singularly talented writers while remaining respectful towards Conan Doyle's work present a new and thrilling dimension to Holmes's career Full list of contributors Simon Clark Andrew Darlington Paul Finch Nev Fountain Carole

slipping from one patch of shadow to another Her primary focus both as Nora and as Indigo has become a murderous criminal cult called the Children of Phonos Children are being murdered in New York and Nora is determined to make it stop even if that means Indigo must eliminate every member But in the aftermath of a bloody battle a dying cultist makes claims that cause Indigo to question her own origin and memories Nora's parents were killed when she was nineteen years old She took the life insurance money and went off to explore the world becoming a student of meditation and strange magic in a mountaintop monastery in Nepal a history that many would realize sounds suspiciously like the origins of several comic book characters As Nora starts to pick apart her memory it all begins to unravel Her parents are dead but the rest is a series of lies Where did she get the power inside her In Indigo an all star lineup of New York Times bestsellers and award winners Jonathan Maberry Kat Richardson Seanan McGuire Tim Lebbon Cherie Priest James A Moore Charlaine Harris Christopher Golden Kelley Armstrong and Mark Morris join forces to bring you a crime solving novel like you've never read before

The Dragon Society Lawrence Watt-Evans, 2020-12-12 Dragons had preyed on humans since time immemorial and no one had ever found a way to kill them Now though Arlian had learned the secrets the dragons had hidden from humanity for centuries He knew how the dragons could be destroyed forever and he intended to see it done The only catch was that several humans including Manfort's most powerful men and women had to die to make it happen Some of them did not intend to cooperate Indeed they preferred to cooperate with the dragons instead to protect themselves no matter how many innocents might die as a result And Arlian would have to defeat this unholy alliance if he ever hoped to end the draconic threat

Sacred Sites, Sacred Places David L. Carmichael, Jane Hubert, Brian Reeves, Audhild Schanche, 2013-04-15 Sacred Sites Sacred Places explores the concept of sacred and what it means and implies to people in differing cultures It looks at why people regard some parts of the land as special and why this ascription remains constant in some cultures and changes in others Archaeologists legislators and those involved in heritage management sometimes encounter conflict with local populations over sacred sites With the aid of over 70 illustrations the book examines the extreme importance of such sacred places in all cultures and the necessity of accommodating those intimate beliefs which are such a vital part of ongoing cultural identity Sacred Sites Sacred Places therefore will be of help to those who wish to be non destructive in their conservation and excavation practices This book is

unique in attempting to describe the belief systems surrounding the existence of sacred sites and at the same time bringing such beliefs and practices into relationship with the practical problems of everyday heritage management The geographical coverage of the book is exceptionally wide and its variety of contributors including indigenous peoples archaeologists and heritage professionals is unrivalled in any other publication

Rivers of Blood, Rivers of Gold Mark Cocker, 2001 The past five centuries have witnessed a shocking series of confrontations between European nations and millions of indigenous peoples and these cultural encounters still resonate strongly to this day Rivers of Blood Rivers of Gold is an essential book for understanding the true impact of imperialism Beautifully and passionately written it provides a judicious and exhaustively researched indictment of European exploitation Focusing on four collisions between Europeans and indigenous cultures the conquest of Mexico the British onslaught on the Tasmanian Aborigines the uprooting of the Apaches and the German campaign against the tribes of Southwest Africa Mark Cocker illuminates the fundamental experiences that underlay the colonial experience around the globe Beyond making a persuasive and balanced case against colonialism Cocker also sustains a riveting often harrowing story Rivers of Blood Rivers of Gold is narrative history in its most impressive form engaging accessible and thought provoking
