who was imprisoned and betrayed by love a wife who returned again and again to her childhood home a mother who left her
children a writer who preferred silence Dagny Juel Przybyszewska existed in a borderland between myth and reality Born
into an upper class Norwegian family in 1867 she died at the age of thirty three estranged from everyone and everything she
had known shot by a neurotic young man in a hotel room in Tiflis near the Black Sea He wrote She was not of this world she
was far too ethereal for anyone to understand her true nature Dagny Juel was one of four beautiful and talented daughters of
a prominent doctor who was attendant physician to the king of Sweden In 1893 she went to Berlin to study piano and soon
she became the central figure in an avant garde group of writers painters and patrons of the arts known as Zum schwarzen
Ferkel The Black Piglet She was painted by Edvard Munch and was the model for the destructive woman of many of
Strindberg's writings In the Berlin circle she met and married the brilliant mercurial Polish writer Stanislaw Przybyszewski
But Dagny was more than the mysterious and provocative muse of two of the major European cultural centers Berlin and
Krakow She herself wrote revolutionary plays and poetry and acted as cultural agent for Scandinavian artists on the
Continent During her lifetime her plays and poems were published in Norwegian Polish and Czech and a collection of her
plays came out in Norway as recently as 1978 At once an engrossing elegantly narrated biography and a work of meticulous
scholarship Mary Kay Norseng's book is the first full length study in English to examine Dagny's writings and to explore her
relationships Attempting to sort fact from the sensationalized fiction that has grown up around this remarkable woman
Norseng has consulted all available letters and memoirs of Dagny her husband her family and her acquaintances as well as
Dagny's own writings and the wealth of material written about her The book resulting from this intensive study will change
the way the world has viewed Dagny Przybyszewska while it provides new insights into the literary and artistic environment
of fin de siècle Europe **J. M. Coetzee and the Politics of Style** Jarad Zimbler,2014-06-23 J M Coetzee's early novels

confronted readers with a brute reality stripped of human relation and a prose repeatedly described as spare stark intense and lyrical In this book Jarad Zimble explores the emergence of a style forged in Coetzee's engagement with the complexities of South African culture and politics Tracking the development of this style across Coetzee's first eight novels from *Dusklands* to *Disgrace* Zimble compares Coetzee's writing with that of South African authors such as Gordimer Brink and La Guma whilst re-examining the nature of Coetzee's indebtedness to modernism and postmodernism In each case he follows the threads of Coetzee's own writings on stylistics and rhetoric in order to fix on those techniques of language and narrative used to activate a politics of style In so doing Zimble challenges long held beliefs about Coetzee's oeuvre and about the ways in which contemporary literatures of the world are to be read and understood

Cosmos, Self, and History in Baniwa Religion Robin Wright, 1998-01-01 The Baniwa Indians of the Northwest Amazon have engaged in millenarian movements since at least the middle of the nineteenth century The defining characteristic of these movements is usually a prophecy of the end of this present world and the restoration of the primordial utopian world of creation This prophetic message delivered by powerful shamans has its roots in Baniwa myths of origin and creation In this ethnography of Baniwa religion Robin M Wright explores the myths of creation and how they have been embodied in religious movements and social action particularly in a widespread conversion to evangelical Christianity He opens with a discussion of cosmogony cosmology and shamanism and then goes on to explain how Baniwa origin myths have played an active role in shaping both personal and community identity and history He also explores the concepts of death and eschatology and shows how the mythology of destruction and renewal in Baniwa religion has made the Baniwa people receptive to both Catholic and Protestant missionaries
