

The Spirit Of Carnival The Spirit Of Carnival

Ahmed Musa

The Spirit Of Carnival The Spirit Of Carnival:

The Spirit of Carnival David Danow, 2021-05-11 The world of literature responds to the spirit of carnival in ways that are both social and cultural mythological and archetypal Literature provides a mirror in which carnival is reflected and refracted through the multifarious perspectives of verbal art In his original wide ranging book David K Danow catches the various reflections in that mirror from the bright life affirming magical side of carnival as revealed in the literature of Latin American writers to its dark grotesque death embracing aspect as illustrated in numerous novels depicting the dire experience of the Second World War The remarkable meshing of these two diametrically opposed yet inextricably intertwined facets of literature and of life makes for an intriguing sphere of investigation for the carnival spirit is animated by a human need to dissolve borders and eliminate boundaries including symbolically those between life and death in an ongoing effort to merge opposing forces into new configurations of truth and meaning Expanding upon the seminal ideas of Mikhail Bakhtin carnival argues Danow is designed to allow one extreme to flow into another to provide for one polarity official culture to confront its opposite unofficial culture much as individuals engage in dialogue In this case the result is dialogized carnival or carnivalized dialogue In their artmaking Danow claims human beings are animated by a periodic predisposition toward the bright side of carnival matched by an equally strong far darker predilection Carnival forms of thinking are firmly embedded within the human psyche as archetypal patterns In this engaging exploratory book we are shown the distinctive imprint of these primordial structures within a multitude of seemingly disparate literary works The Spirit of Carnival David Keevin

Danow, 1995 **Carnival of the Spirit** Luisah Teish, 1994 Combining her own family traditions with those celebrated by the tribes of Africa and the Caribbean the author of Jambalaya explores African spirituality folk tales festivals and daily sacred celebrations Original 15 000 ad promo Tour **Cultural Festivals: Experiencing the Spirit of Celebrations Worldwide**

The True Spirit of Carnival Students for Change, U.W.I.,1976

The Riddling between Oedipus and the Sphinx Yuan Yuan,2016-04-12 The issue of the other has always been an urgent one especially since 1980 s when the political debates over race gender class culture ethnicity and post colonialism took the central stage The Riddling between Oedipus and the Sphinx Ontology Hauntology and Heterologies of the Grotesque probes the polemic status of the other and the dubious nature of the subject from a heterodox perspective of an emblematic grotesque figure the Sphinx the mystical trickster and the guardian of sacred knowledge in Egyptian culture In Greek mythology Oedipus the epitome of Western logos solved the Sphinx s riddle with a single word Man This evocation for the phantom of a solipsistic subject discloses in effect Oedipus latent grotesque disparity The book explores the encounter of this unlikely pair to inquire the riddling relationship between the singular subject and the grotesque other in the context of modern discourses of the subject and postmodern theories of the other

Rabelais and His World Mikhail Mikhaïlovich Bakhtin,1984 This classic work by the Russian philosopher and literary theorist Mikhail Bakhtin 1895 1975 examines popular humor and folk culture in the Middle Ages and the Renaissance One of the essential texts of a theorist who is rapidly becoming a major reference in contemporary thought Rabelais and His World is essential reading for anyone interested in problems of language and text and in cultural interpretation

Masks of the Spirit Peter T. Markman,Roberta H. Markman,1989-01-01 Drawing on secondary works in archaeology art history folklore ethnohistory ethnography and literature the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica Chapters 1 the metaphor of the mask in Pre Columbian Mesoamerica the mask as the God in ritual and as metaphor II metaphoric reflections of the cosmic order and III the metaphor of the mask after the conquest syncretism the Pre Columbian survivals the syncretic compromise and today s masks Over 100 color and black white photos

The Spirit of 1914 Jeffrey Verhey,2000-05-04 This book first published in 2000 is a systematic analysis of German public opinion at the outbreak of the Great War and the first treatment of the myth of the spirit of 1914 which stated that in August 1914 all Germans felt war enthusiasm and that this enthusiasm constituted a critical moment in which German society was transformed Jeffrey Verhey s powerful study demonstrates that the myth was historically inaccurate Although intellectuals and much of the upper class were enthusiastic the emotions and opinions of most of the population were far more complex and contradictory The book further examines the development of the myth in newspapers politics and propaganda and the propagation and appropriation of this myth after the war His innovative analysis sheds light on German experience of the Great War and on the role of political myths in modern German political culture

Misrule and Reversals Rozaliya Yaneva,2013-10-30 How do Christopher Marlowe s plays relate to interpretations of carnival as being either a beneficial repression inspired by anxiety or a deliberate expression of resistance towards all that is

established and permanent Where can one place carnival in his dramatic works Renaissance drama invited a consideration of various forms of collective life and while great religious festivities of the Catholic calendar were affected by Reformation efforts to control festivity and detach it from religious worship festive energies on Marlowe's stage seem to have persisted This book views Doctor Faustus Tamburlaine the Great The Jew of Malta and Edward the Second through concepts of irreverence clowning the high and the low in culture degradation laughter and feasting while viewing the plays worlds in terms of misrule inversion and reversal Who are the clowns in the plays is the time for revelries restricted and how do the principle of the grotesque and the forces of debasement work are some of the intriguing questions to be pursued **The**

Character of Human Institutions Michael Egan, 2017-07-28 This volume celebrates the life and work of Robin Fox and the idea of a biosocial science From his early studies of kinship primates the brain evolution the incest taboo and aggression to his later work on literature politics civilization law the Bible Shakespeare and the history of ideas Robin Fox inspired many with an evolutionary vision of humanity that goes beyond narrow disciplinary boundaries and embraces the universal history of mankind Fox's work represents an independent biosocial science stream of thinking that accepts the Darwinian mandate while avoiding reductionism by recognizing culture as a natural phenomenon The essays cover Fox's life and his contributions and address topics as diverse as the meaning and function of laughter the unforgiving discipline of writing popular anthropology extreme drinking rituals among young men training for the British army Darwin and close cousin marriage the universal essence of the epic form as a super attractor anthropologists autobiographies the conflict between science and anti science and the decline of British imperial education This engaging collection on a mainstream maverick has been edited by Michael Egan It includes essays by Sir Antony Jay Lionel Tiger Howard Bloom Michael McGuire Kate Fox Melvin Konner Alan Macfarlane Adam Kuper Dieter Steklis Alexandra Maryanski Bernard Chapais Jonathan Turner Linda Stone Charles Macdonald Anne Fox David Jenkins Frederick Turner Robert Trivers and an essay by Robin Fox himself

The Entremés for Performance Kerry Wilks, Ian M. Borden, 2024-02-29 This bilingual anthology brings together a collection of Spanish entremeses the comic interludes that were performed between the acts of a comedia Penned by authors such as Lope de Rueda Cervantes Calderón Quevedo and Quiñones de Benavente many of these plays appear here for the first time in English Translated for performability these plays create a panoramic view of one act plays from Spain's classical theater period Presented with discussions of dramaturgical and performance possibilities and difficulties including relevant historical cultural and social information for the plays the collection opens with two precursors to the entremés moves through the breadth of the entremés form and concludes with works from the 18th century including a sainete There are also examples of trans adaptation that show how these works can be interpreted through strong directorial concepts that relocate the plays in historical time and location The selected titles raise challenges to social mores and expectations surprise with their humor and delight with their stagecraft Whether aimed at the classroom or the stage the collection is valuable for

research pedagogy and performance **Mikhail Bakhtin** Alastair Renfrew, 2014-11-13 Mikhail Bakhtin was one of the twentieth century's most influential literary theorists. This accessible introduction to his thought begins with the questions: Why Bakhtin and Who was Bakhtin before dealing in detail with his ideas on authorship and subjecthood, language, dialogism, heteroglossia, and the novel, the chronotope, and the carnivalesque. True to their dialogic spirit, these ideas are presented not as a fixed body of knowledge but rather as living and evolving entities as ways of approaching not only the most persistent questions of language and literature but also issues that are relevant across the full range of Humanities disciplines. Bakhtin emerges in the process as a key thinker for the Humanities in the twenty-first century.

A Day for the Hunter, a Day for the Prey Gage Averill, 1997-06-21 The history of Haiti throughout the twentieth century has been marked by oppression at the hands of colonial and dictatorial overlords. But set against this, day for the hunter has been a day for the prey, a history of resistance and sometimes of triumph. With keen cultural and historical awareness, Gage Averill shows that Haiti's vibrant and expressive music has been one of the most highly charged instruments in this struggle, one in which power, politics, and resistance are inextricably fused. Averill explores such diverse genres as Haitian jazz, troubadour traditions, Vodou jazz, konpa, mini-djaz, new generation, and roots music. He examines the complex interaction of music with power in contexts such as honorific rituals, sponsored street celebrations, Carnival, and social movements that span the political spectrum. With firsthand accounts by musicians, photos, song texts, and ethnographic descriptions, this book explores the profound manifestations of power and song in the day-to-day efforts of ordinary Haitians to rise above political repression.

Musica Practica Michael Chanan, 1994-10-17 *Musica Practica* is a historical investigation into the social practice of Western music which advances an alternative approach to that of established musicology. Citing evidence from Barthes, Nietzsche, Bakhtin, Max Weber, and Schoenberg, Michael Chanan explores the communal roots of the musical tradition and the effects of notation on creative and performing practice. He appraises the psychological wellsprings of music using the insights of linguistics, semiotics, and psychoanalysis. Tracing the growth of musical printing and the creation of a market for the printed score, he examines the transformation of patronage with the demise of the ancient rite and draws on little-known texts by Marx to analyze the formation of the musical economy in the nineteenth century. Chanan sketches out an unwritten history of musical instruments as technology, from Tutankhamen's trumpets to the piano, the ancient Greek water organ to the digital synthesizer. The book concludes with reflections on the rise of modernism and the dissolution of the European tradition in a sea of postmodernism and world music. *Musica Practica* assumes no specialist knowledge of music beyond an ordinary familiarity with common terms and an average acquaintance with the music of different styles and periods. It is a fascinating commentary on the

soundtrack of daily life in the metropolis of the late twentieth century *Stern's Guide to the Cruise Vacation: 2018/2019 Edition* Steven B.
