A House Divided Geoffrey W. Sutton, 2016-03-29. *A House Divided* helps answer the question: how do Christians form moral judgments about sex-linked issues? After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion, sex education, and same-sex marriage, readers will learn how a combination of four factors can lead to principled Christian morality. First, a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences. Second, a review of psychological factors can help identify prejudices, personality traits, and powerful emotions that intensify and color public debate. Third, new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments. And finally, knowledge about sexual attraction, sexual orientation, conception, and sexual health is vital to thinking ethically about the specific issues addressed in this book. **Children's Books In Print 1998** Bowker

Editorial Staff, R. R. Bowker Publishing, Bowker, 1998. **Am I Sleeping with the Enemy?** Ron Clark, 2010-07-01. When a boy cries, his father trains him in the way of the ancients. He is taught to man up and rejects anything feminine in his life. Thus he begins the process of becoming a man in the image of his culture. This transformation comes at the expense of his own calling to reflect the image of God. Men and women, however, were both created in this divine image and were meant to live in harmony rather than enmity. Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men. Clark believes that this new masculinity is in reality a return to the way of the ancients. Drawing from his experiences as a minister, domestic and sexual violence prevention advocate, and community leader, Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood, power, and oppression. **Single, Dating, Engaged, Married** Ben Stuart, 2025-01-14. Making Sense of the Father-Daughter Husband-Wife Connections Keith Mills (Pastor), 2010 There is a powerful connection within a woman's heart between her father daughter relationship and the relationship she shares with her husband This is true regardless of culture creed or religion Even the scientific world agrees What happens then when a woman doesn't receive everything from her father daughter relationship that God intended Is there any hope for a woman who never had a dad around Or what about a woman who had a great relationship with her dad but is still left with something missing Those are HUGE questions because the answers are generational God knows how to help these intertwined relationships though and this book makes it easy to understand what His plan is why it's easy to miss and how to get back on track This book will help husbands wives daughters and fathers to understand their intertwined relationships how to heal from what may be left over and how to take back what's been taken away from them Further this book answers questions such as the following in a nonjudgmental way Why can't we connect on a deeper level as husband and wife What does my daughter need from me Why does a dad back off Why do some women keep going after the wrong men What can a single mom do for her daughter if there is no dad around
