The Mormon Monster Edgar Estes Folk,1901 *The Story and Philosophy of Mormonism* James Talmage,2018-04-29 A good short treatment of Church history Story and a shorter statement of doctrine This book is a quick overview telling the story of Mormons the history of how Mormons ended up in Utah without spending a lot of time on their doctrines

The Story of "Mormonism" James Edward Talmage,2020-11-04 In the minds of many perhaps of the majority of people the scene of the Mormon drama is laid almost entirely in Utah indeed the terms Mormon question and Utah question have been often used interchangeably True it is that the development of Mormonism is closely associated with the history of the long time Territory and present State of Utah but the origin of the system must be sought in regions far distant from the present gathering place of the Latter day Saints and at a period antedating the acquisition of Utah as a part of our national domain The term origin is here used in its commonest application that of the first stages apparent to ordinary observation the visible birth of the system But a long long period of preparation had led to this physical coming forth of the Mormon religion a period marked by a multitude of historical events some of them preceding by centuries the earthly beginning of this modern system of prophetic trust The Mormon people regard the establishment of their Church as the culmination of a great series of notable events To them it is the result of causes unnumbered that have operated through ages of human history and they see in it the cause of many developments yet to appear This to them establishes an intimate relationship between the events of their own history and the prophecies of ancient times Taken from *The Story of Mormonism* written by James Edward Talmage

Unveiling Grace Lynn K. Wilder,2013-08-20 A gripping story of how an entire family deeply enmeshed in Mormonism for thirty years found their way out and found faith in Jesus Christ For thirty years Lynn Wilder once a tenured faculty member at Brigham Young University and her family lived in loved and promoted the Mormon Church Then their son Micah serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah s conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety

jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God s grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story Unveiling Grace will strengthen your faith in the true God who loves you no matter what Joseph Smith and the Beginnings of Mormonism Richard L. Bushman,1987-01-15 The core of Mormon belief was a conviction about actual events The test of faith was not adherence to a certain confession of faith but belief that Christ was resurrected that Joseph Smith saw God that the Book of Mormon was true history and not philosophy and that Peter James and John restored the apostleships The Mormon Monster, Or the Story of Mormonism Edgar Estes Folk,2017-12-27 Excerpt from The Mormon Monster or the Story of Mormonism Embracing the History of Mormonism Mormonism as a Religious System Mormonism as a Social System Mormonism as a Political System With a Full Discussion of the Subject of Polygamy To all who love our Lord Jesus Christ in sincerity and who believe in the purity of the Home this volume is ufieetiouately dedi About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Tell it All** Mrs. T. Stenhouse,1875 **Mormonism** Brigham Henry Roberts,2013-10 This is a new release of the original 1923 edition A Documentary History of the Book of Mormon ,2019-01-02 The story of the creation of the Book of Mormon has been told many times and often ridiculed A Documentary History of the Book of Mormon presents and examines the primary sources surrounding the origin of the foundational text of the Church of Jesus Christ of Latter day Saints the most successful new religion of modern times The scores of documents transcribed and annotated in this book include family histories journal entries letters affidavits reminiscences interviews newspaper articles and book extracts as well as revelations dictated in the name of God From these texts emerges the captivating story of what happened and what was believed or rumored to have happened between September 1823 when the seventeen year old farm boy Joseph Smith announced that an angel of God had directed him to an ancient book inscribed on gold plates and March 1830 when the Book of Mormon was first published By compiling for the first time a substantial collection of both first and secondhand accounts relevant to the inception of the divine revelation or clever fraud that launched a new world religion A Documentary History makes a significant contribution to the rapidly growing field of Mormon Studies Studies of the Book of Mormon Brigham Henry Roberts,1985 Published for the first time fifty years after the author s death Studies of the Book of Mormon presents a respected member of the LDS

hierarchy's investigation into Mormonism's founding scripture. Reflecting his talent for combining history and theology, B. H. Roberts considered the parallels between the Book of Mormon and Ethan Smith's *View of the Hebrews*, which predated publication of the Latter-day Saint scripture by seven years. If the Book of Mormon reflects misconceptions current in Joseph Smith's day regarding Indian origins, are its theological claims suspect? Roberts wondered.
