The Stranger On The Road To Emmaus:

The Stranger on the Road to Emmaus John R. Cross, Here is a book that explains the greatest of Bible themes clearly and logically The Stranger on the Road to Emmaus John R. Cross,2008 **The Stranger on the Road to Emmaus** Dr John R Cross,2015-10-01 Now with links to video content online It s been called the most misunderstood book in history Wars have been fought in its name scandals have been precipitated by it politics shaped and reshaped at its word Theologians have both defended and reviled it Skeptics have done the same If you are a typical member of the human race you have often been perplexed by all the fuss surrounding the Bible The question remains What does it really say Here is a book that explains the greatest of Bible themes clearly and logically Rather than focusing on one part and missing the whole the author chronologically binds together the entire text into one great universal drama looking at events from the perspective of those who experienced history in the making The results are sometimes comical sometimes frightening but always true to the intent of the text When you are done reading it you may find yourself believing the Book like you never have before Or you may decide not to The author s objective approach leaves that decision up to you Even though I had attended church for over 30 years the Bible never made sense to me It was just a bunch of disjointed stories Now the Bible all fits together in a clear logical manner It really is incredible John R Cross writes from knowledge gained in a life long study of the Bible He has extensive experience travelling and living abroad John and his family are from Canada *The Stranger on the Road to Emmaus (French)* John R. Keifert,1992 This book is an astute rethinking of theology and pastoral ministry that overcomes sentimental notions of hospitality **Rivers of Refreshing** Timothy T. Ajani,2009-08 In RIVERS OF REFRESHING Dr Ajani combines twenty three brand new poems with the original thirty five published in STREAMS OF REFRESHING to give the reader a cocktail of refreshingly engaging poems that is bound to whet the appetite of any poetry lover Also some of the previous titles have been revised and fine tuned in this significantly expanded volume The current edition is subdivided into fifteen thematic sections which makes it easy to directly access any specific title or group of poems that may be needed for any particular mood circumstance or occasion There are poems about CHRISTMAS the Second Coming Times Divine Guidance Faith Hope Joy Peace Praise Prayer Deliverance The Times of the End and much much more This book also doubles as a devotional with each poem preceded by a relevant Bible

verse that captures both the spirit and content of the poem it introduces **The Compassionate Christ** Sherri Hughes-Gragg, 2025-11-04 Grow in your faith as you witness and experience the abundant love of Jesus through powerful storytelling Too often Christians and non Christians alike view Jesus as someone who is far off aloof judging their misdeeds and unwilling to embrace them until they have sorted out their lives and figured out their faults But that distorted perception could hardly be further from the truth The beautiful reality is that Christ is kinder and gentler more tender and more caring more loving and more compassionate than we have ever hoped or dared to imagine In *The Compassionate Christ* author Sherri Hughes Gragg invites you to embark on a transformative journey to witness firsthand the abundant and welcoming love of Jesus Through emotive storytelling a form of fictional narrative that mixes biblical history with Scripture Sherri transports you back in time to vividly bring to life the biblical stories of Jesus interactions with people For thirty one days you will walk alongside the Savior witness miraculous healings and events and experience His compassion and mercy by thinking and feeling along with the people whose lives have been instantly transformed by His love and grace Your heart will be warmed as these stories help you Encounter the kindness and grace of Jesus in a whole new way Realize the breadth and depth of the love and forgiveness your Savior offers Feel a first person experience of what it might have been like to walk with Jesus when He was on the earth With every turn of the page *The Compassionate Christ* invites you to step into the shoes of men and women who experienced Jesus radical love and acceptance These stories highlight Jesus as a figure of unparalleled kindness who offers His tender loving presence to us today Draw closer to Jesus the One who still welcomes you to Himself and lavishes His grace upon you *The Stranger on the Road to Emmaus (Chinese, Traditional)* GoodSeed International, 2003 [The Road to Emmaus](#) Jan Wojcik, 1989 Separate chapters deal with narrative techniques in gnostic literature the reception of Luke's Gospel throughout the ages and the author's own highly sensitive reading of Luke's Gospel He shows how gnostic enlightenment functions in the development of Jesus as a character as well as in his own teaching technique toward his disciples Wojcik demonstrates how the implied author of Luke's Gospel uses these same techniques to withhold information and foster insight in the reader The final chapter isolates the essential differences between canonical and non canonical biblical scholarship and contains an impassioned argument for the value of scholarly analysis of the Bible from a literary standpoint [Welcoming the Other](#) J. Greg Sinclair, 2025-10-17 As the church in Canada faces a post Christendom future the welcome and inclusion of diaspora communities offers opportunities for revitalization In 2022 J Greg Sinclair went on a yearlong ethnographic journey to understand the experience of hospitality at Willowdale Christian Reformed Church a sixty three year old congregation of Dutch ethnic heritage in Toronto Canada Using a pastoral cycle of experience exploration reflection and action and an ethnographic research method Sinclair sought to understand and reflect on Willowdale's experience of welcoming many newcomers from Iran Using Zoom interviews and in person observation this qualitative study investigates the changing nature of one congregation in Canada and the challenges and opportunities of

welcoming increasing cultural and linguistic diversity Willowdale's experience points to the potential of hospitality as a culture and habitus to move a congregation from an us versus them dynamic to mutuality This book is for church members seeking new modes of hospitality and presents a hopeful vision of a multicultural revitalized and faithful church in Canada
