The Struggle For America S Soul The Struggle For America S Soul:

Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown's *The Da Vinci Code*. The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available. The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations, attacks, and commentaries, but one thing is certain: the book has had an enormous impact on American society, culture, and religious understanding, not to mention the publishing industry, which scrambles to find similar religious books to feed to an eager public. But *The Da Vinci Code* is not the only book of its type on the market today. In recent years there has been an explosion in the market for fiction on religious topics and themes, with an entire series devoted to the impending Rapture as described in the *Left Behind* series. Some fiction does not take an explicitly religious theme as these books do. Instead, writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters. Regardless of the specific approach, what is not in doubt is that American readers have made the authors of these works wealthy, as bookstores cannot stock their shelves with enough copies. Why the recent surge of interest in Christian fiction? How does it reflect trends in our culture and our lives? How has it changed our society and our understanding of spirituality and religion? How accurate are these books in terms of the theology they espouse? The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, *Faith and Fiction* examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available.

The Soul of America Jon Meacham, 2018-05-08 1 NEW YORK TIMES BESTSELLER Pulitzer Prize winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. Gripping and inspiring, *The Soul of America* is Jon Meacham's declaration of his faith in America. Newsday ONE OF OPRAH'S BOOKS THAT HELP ME THROUGH A BEST BOOK OF THE YEAR NPR The Christian Science Monitor Southern Living Our current climate of partisan fury is not new, and in *The Soul of America*, Meacham shows us how what Abraham Lincoln called the better angels of our nature have repeatedly won the day.

Painting surprising portraits of Lincoln and other presidents including Ulysses S Grant Theodore Roosevelt Woodrow Wilson Franklin D Roosevelt Harry S Truman Dwight Eisenhower and Lyndon B Johnson and illuminating the courage of such influential citizen activists as Martin Luther King Jr early suffragettes Alice Paul and Carrie Chapman Catt civil rights pioneers Rosa Parks and John Lewis First Lady Eleanor Roosevelt and Army McCarthy hearings lawyer Joseph N Welch Meacham brings vividly to life turning points in American history He writes about the Civil War Reconstruction and the birth of the Lost Cause the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s the fight for women s rights the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II the anti Communist witch hunts led by Senator Joseph McCarthy and Lyndon Johnson s crusade against Jim Crow Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back to assert hope over fear a struggle that continues even now While the American story has not always or even often been heroic we have been sustained by a belief in progress even in the gloomiest of times In this inspiring book Meacham reassures us The good news is that we have come through such darkness before as time and again Lincoln s better angels have found a way to prevail

The Soul's Economy Jeffrey P. Sklansky, 2002 Sklansky traces a shift in American social thought as the gradual demise of the household economy rendered proprietary independence an increasingly embattled ideal Amid the widening class divide nineteenth century social theorists devised a new science of American society that reconceived freedom in terms of psychic self expression instead of economic self interest and they redefined democracy in terms of cultural kinship rather than social compact

Skepticism, Relativism, and Religious Knowledge Michael G. Harvey, 2013-11-06 Skepticism Relativism and Religious Knowledge shows where responses to skepticism and relativism by Karl Barth and Reformed epistemology have led to impasses and reconstructs their insights in a more robust response that does not depend on making excessive claims about our epistemic capacities This response is based on a more nuanced conception of the relationship between trust doubt faith and reason and a Kierkegaardian perspective on religious knowledge that stresses the role of the will and the intellectual and theological virtues

Heaven on Earth Stephanie White, 2009-06-04 The orders always came to her in their usual way Here is the target extinguish it you have forty eight hours to reply Sounded like a cheap imitation of a cheesy spy movie to her but then again why change things when they work so well

The Metaphysics of Sex ...in a Changing World! Christopher Alan Anderson, 2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is

about a construct for sexual balance that any reader can understand and use as a guide for his or her life

Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing

Christianity, LGBTQ Suicide, and the Souls of Queer Folk Cody J. Sanders,2020-05-15 While garnering the attention of professionals across disciplines from medicine to public health to psychology and frequently covered as a topic of public concern in the news media the elevated occurrence of suicide attempts among LGBTQ persons has received little attention within the literature of theology and religious studies This book fills that lacuna by addressing the role that religious spiritual and theological narratives play in shaping the souls of queer folk Taking a narrative approach to qualitative interview material from LGBTQ individuals who survived their suicide attempts Cody J Sanders argues that theological narratives can operate violently upon the souls of LGBTQ people in ways that make life precarious and at time seem unlivable The book critically addresses the violence of theological narratives upon queer souls filling a crucial void in scholarship concerning the role of religion specifically Christianity in LGBTQ suicide Ultimately the author draws upon the interview material to move readers toward constructive methods of contributing to the resistance and resilience of queer souls in relation to soul violence asking how we can intervene with practices of care in order to cultivate livability of life for queer people

The Mystery of the Kingdom of God or the Forgotten Path of True Knowledge of God Archpriest John Zhuravsky,

The Empowered Life + Part 2 Cassandra Blizzard,2014-06-15 Ready to change your life So empowering Loved the book The book is well written and keeps you interested It brings new approaches as well as reminds us of lessons already learned but put aside Just buy it There are very few people who escape this physical life without having the experience of feeling like giving up Life can get so hectic and out of control at times that we feel like we don t have any control at all What we believe about ourselves becomes our reality and in so many ways what we believe about ourselves forms our future I m not speaking in airy fairy New Age terms here I am talking about the real deal Our paradigms drive us one way or the other You have to willfully choose how you want to be steered If you are the captain of your boat called life then your hands need to firmly remain on the wheel that moves the rudder You can t be the captain of your boat called life if you allow other people to form your paradigms your beliefs about Self Don t allow others to shape your beliefs about yourself Read The Empowered Life Success coach Cassandra Blizzard offers an intensive look at how we inadvertently give away our personal power and how we can regroup and bring ourselves back into balance This book is the culmination of years of working with people and teaching clients how to trust in their Soul live a more balanced life and find fulfillment and happiness in the world Build a bridge of trust with your own Soul become self actualized and take charge of your life like never before Learn how to get rid

of old baggage and break up old belief systems that hold you back and be bold about moving forward in positive ways You can have the good life a balanced life and an emotionally healthy life Cassandra shows readers how to appreciate respect and value Self how to lay down positive boundary lines in relationships and how to transform your life overall Break through wrong thinking overcome obstacles restore hope and create personal success Using this book together with The Empowered Life The Workbook you can transform yourself and your life reconnect with your Soul and develop inner peace Wouldn't you like to feel better about your life Empowerment is just a choice away Sometimes we make major changes in life just by taking one small step or making one simple decision But those decisions are not always easy to make We tend to cater to other people's whim or we are afraid of hurting someone's feelings Afraid to take a risk to step out of that dead end job and aim for something higher Afraid to make a decision to get out of a bad relationship Afraid fearful anxious Too often these are the emotions that rule our lives and make our decisions for us But it doesn't have to be that way You can empower yourself to be more in control of your life to be more centered to make more positive decisions for self and to understand how the soul works in your life to bring you to a better place always Whether in business relationship or just within yourself you can learn how to take control and be a much more balanced much happier person Relationship Self Esteem Depression Empowerment Healing Confidence Personal Power Intuition Soul's Spiritual Travails Aalok,2023-07-25 This book attempts in making inroads in to Spirituality for the usage of a common man in personal and professional lives Initially the book introduces Terminologies needed to grasp the Concept of Spirituality The book takes us on the journey of Decision Making a critical aspect of human lives Our actions are dependent on the decisions that we make We know that actions create Karmas Actions are preceded by Thoughts and have two back stage operators Emotions and Intent Karmas are thus initiated moment Intents and Emotions are set in Did you also know that our Intents and Emotions have a source in our EGO The book goes on to provide Simple and Short acronyms for its readers to delve into to practice them in their routine daily life and to make their lives more effective The book takes us to application of Spirituality in the daily routine of one day of living This entails raising our energies high enough even to manifest what we wish to attain and that which we wish to discard Before coming to nine meditations in the last Chapter of the book it also covers How to attain Oneness and Universal Consciousness much needed for living in Awareness This would lead us to be Balanced and Discriminative This ensures us to understand our own selves better and make us more contributing to the society around us Meditation makes us Focus and Concentrate initially on 3 D Object's then to a Line 2 D to a Point 1 D and finally on The Subtle SELF The book paves the path for us to move beyond Maya Ignorance which binds and limits the human through development and usage of Intellect This would make us unlimited free balanced and make us apply infinitude and oneness in our routine lives **The Lutheran Companion** ,1918

Developing a Model of Islamic Psychology and Psychotherapy Abdallah Rothman,2021-07-29 At a time when there is increasing need to offer psychotherapeutic approaches that accommodate clients religious and spiritual beliefs and

acknowledge the potential for healing and growth offered by religious frameworks this book explores psychology from an Islamic paradigm and demonstrates how Islamic understandings of human nature the self and the soul can inform an Islamic psychotherapy Drawing on a qualitative grounded theory analysis of interviews with Islamic scholars and clinicians this unique volume distils complex religious concepts to reconcile Islamic theology with contemporary notions of psychology Chapters offer nuanced explanations of relevant Islamic tradition and theological sources consider how this relates to Western notions of psychotherapy and common misconceptions and draw uniquely on first hand data to develop a new theory of Islamic psychology This in turn informs an innovative and empirically driven model of practice that translates Islamic understandings of human psychology into a clinical framework for Islamic psychotherapy An outstanding scholarly contribution to the modern and emerging discipline of Islamic psychology this book makes a pioneering contribution to the integration of the Islamic sciences and clinical mental health practice It will be a key resource for scholars researchers and practicing clinicians with an interest in Islamic psychology and Muslim mental health as well as religion spirituality and psychology more broadly

Topography and Deep Structure in Plato Clinton DeBevoise Corcoran, 2016-11-15 A literary and historical analysis of the structure and meaning of recurrent symbols images and actions employed in Plato's dialogues In this book Clinton DeBevoise Corcoran examines the use of place in Plato's dialogues Corcoran argues that spatial representations such as walls caves and roads as well as the creation of eternal patterns and chaotic images in the particular spaces times characterizations and actions of the dialogues provide clues to Plato's philosophic project Throughout the dialogues the Good serves as an overarching ordering principle for the construction of place and the proper limit of spaces whether they be here in the world deep in the underworld or in the nonspatial ideal realm of the Forms The Good since it escapes the limits of space and time equips Plato with a powerful mythopoetic tool to create settings frames and arguments that superimpose different dimensions of reality allowing worlds to overlap that would otherwise be incommensurable The Good also serves as a powerful ethical tool for evaluating the order of different spaces Corcoran explores how Plato uses wrestling and war as metaphors for the mixing of the nonspatial eternal forms in the world and history and how he uses spatial images throughout the dialogues to critique Athens's tragic overreach in the Peloponnesian War Far from merely an incidental backdrop in the dialogues place etches the tragic intersection of the mortal and the immortal good and evil and Athens's past present and future
