Dr Toal s work contains what is in effect the spiritual inheritance of every Christian The four volumes together give Sunday by Sunday and for the greater festivals and fasts selected sermons of the great Fathers and Doctors of the Church In the framing of the great corpus of Catholic doctrine and theology the authority and the influence of the Fathers are secondary only to those of the Apostles and Evangelists themselves To one we owe the true interpretation of facts or phrases to another the unfolding of a doctrine out of a single word to all of them the handing on and enrichment of a tradition which runs back to the foundation of the Church Their homilies on the liturgical Gospels for Sundays and the greater feasts and fasts cannot fail to add clarity and depth to any reader s wlderstanding of these key passages from holy scripture and this treasury of their commentaries will above all be of constant help to priests whose office it is to preach and expound the Gospel in the continuance of the tradition An especially valuable point is the inclusion after the printed text of each Gospel reading of the relevant passage of the Catena Aurea or Golden Chain the great commentary on the Gospels compiled by St Thomas Aquinas from the writings of all the Fathers and Doctors of the Church This has not hitherto been available in English The four volumes correspond with the four liturgical divisions of the year This first volume was recently published in a large format under the title Patristic Homilies on the Gospels and is now reissued in a small and handy pocket size The subsequent volumes will appear in the same small format for the individual user and simultaneously in a large format for libraries

The supreme mission imposed by Christ on His Apostles was to preach the Gospel to every creature In virtue of this mission they to whom the command was given and those to whom it descends speak with authority and power in the things of God the power being in the word given them I Cor ii 4 And this alone do men wish to hear from those so commanded the word of God in the Gospel of Christ It is now their birthright that wherein they hope the source of faith the bond of charity for it is in the Gospel that the form of Catholic faith and the rule of the whole Christian life is chiefly laid down But it may happen that where the Faith is well established the preaching of the Gospel may no longer be regarded as an urgent task Indeed it has come about that many whose duty this is do not fulfil it though not as a rule through indifference or neglect Various immediate reasons for this do arise through particular circumstances but there may possibly be a general underlying reason a deterrent simple effective but not realized arising from the manner in which the Gospel sermons are prepared In training the future preachers of the Gospel there is a fairly general tradition of dependence as to form on the great court preachers of
