

The background of the cover is a photograph of a young girl sitting on a wooden crate. She is wearing a blue jacket, a red patterned skirt, and blue boots. She is holding several apples in her hands. The crate she is sitting on has some text on it, including "E. WILLIAM". There are more apples scattered on the ground around her. The overall tone is warm and nostalgic.

Rankin,2018-11-20 Our planet is in peril Our species is in captivity We alone hold the key We have become disconnected from
the love song of our living planet and as a result she has become severely out of balance as she spirals through her evolution
It is not beyond our power to regain a harmonious relationship with our plentiful Mother Earth and as we reweave the web of
symbiosis we were born with humanity may once again experience a life without limitation We are meant to be integral
components of the wild not slaves of the systematic destruction of it and as the veil of our incarceration is lifted we will rise
to the occasion of tearing down the walls that contain us This is the story of one water protector s path to understanding his
struggle to find what it means to live in a good way and the incredible world that his adventure reveals along the journey
From Rattlesnakes to frybread to space dust to space funk the music of the universe has a most compelling story to share and
as we ride the wave of this fundamental vibration we become enlightened to the astounding complexity of creation We are
the dreamers we are the creators we have the ability to manifest our own reality as we travel throughout this material
existence and it is up to us to believe in the abundance of tomorrow We have become lost in a cloud of fear as we insist on
imagining the worst possible outcomes for our children s future The powers that be are attempting to subdue our awakening
but we are emerging from this nightmare and rediscovering the true nature of the spirit within Life is meant to be lived every
moment is meant to be cherished and you are meant to be you The language of human supremacy has convinced us that we
are powerless but we alone hold the key to unlocking the cages of our planet and as we shed this illusion of scarcity the
magic of the garden will once again be free to bloom And we re gonna make the best late night snacks Also available in print
