love with a woman who has appeared to him many times already in dreams and visions On returning to his own country he finds his father dying and his wife conspiring with his brother to disinherit him Then found to be suffering from a disease believed to be leprosy he is driven from the court and shunned by his people In this dark time he becomes a swineherd One day he notices his pigs are free of sores after wallowing in hot mud He tries the healing waters of Sul himself is cured and returns to claim his throne His was a golden age of wisdom and magic where Otherworld beings mingle freely with the people of this world and where swans and ravens and owls take on their own special mysterious significance Full of brilliant imagination this colourful fantasy draws its strength and inspiration from the strange and beautiful realms of Celtic and Greek myth and legend *Akhenaten: Son of the Sun* Moyra Caldecott,2003-11-01 In ancient Egypt during the magnificent eighteenth dynasty the Pharaoh Akhenaten and his queen the strong and beautiful Nefertiti are engaged in a dramatic battle against the wealthy corrupt and dangerously powerful priests of Amun Haunting and full of surprises The Son of the Sun gives a fascinating glimpse into an ancient civilisation It is a story about hate and love despair and hope but more than that it is the story of extraordinary spiritual and psychic powers being tested to their limits **Weapons of the Wolfhound** Moyra Caldecott,2005-04-01 It is the 12th century AD Neil lives with his parents on a farm on the remote island of Lewis in the Outer Hebrides He is bored with his days and longs for excitement He makes friends with Brother Durston a Christian hermit living in a rocky cell nearby The hermit speaks to the boy about the virtues of forgiveness and peaceful coexistence and teaches the value of contemplation and prayer But the visit of a Viking sea captain Baldur to the island makes the boy restless He goes with Baldur to Iceland to deliver a walrus ivory chess set carved by Brother Durston to Baldur s father the Wolfhound But Baldur s father has died and his grave has been robbed of the hero s famous weapons Baldur s anger is intense and he and Neil go on a dangerous and exciting journey across Iceland to recover the stolen weapons the Weapons of the Wolfhound *Mythical Journeys, Legendary Quests* Moyra Caldecott,2007-06-01 One of the most persistent themes in myth and legend from the world s many cultures is the story of the journey the quest In Mythical Journeys Legendary Quests Moyra Caldecott shows the connection between the sacred mythic journeys as found in legend and story and the real journey of the individual soul towards enlightenment This perennial quest for reassurance in the face of human mortality is spread as wide as our existence on the planet and throughout history Indeed Carl Jung and Joseph Campbell have shown us that myth and legend are not just fantasy tales for children They are powerful expressions in code of a deep yearning towards an understanding of human existence Moyra Caldecott has selected material from many cultures to illustrate this from ancient Egypt and Sumeria to aboriginal Australia pre Columbian America Vietnam India Africa and Europe For each legend she provides background on its origin and detailed analysis of its meaning and significance **The Tower and the Emerald** Moyra Caldecott,2005-04-01 Viviane a beautiful Celtic princess unwittingly unravels the spell that binds the spirit of the evil Idoc within a circle of tall stones Once released the sorcerer priest uses his powers to deliver vengeance upon those

responsible for his original enslavement including the Princess Viviane With Idoc in possession of the body of Prince Caradawc her betrothed Viviane can no longer judge safely between friend and foe between this life and previous incarnations Yet to rescue Caradawc from his nightmare she must risk everything to reach the dreaded dark tower where Idoc waits And to ensure victory over evil she must seek out Lucifer s Emerald She journeys through dreams and nightmare beauty and horror good and evil to save her lover and destroy the sorcerer priest This is a quest for spiritual grace which is beautifully depicted and includes all the timeless ingredients of legend **Etheldreda** Moyra Caldecott,2005-01-01

Etheldreda Princess of East Anglia Queen of Northumbria and Abbess of Ely was a remarkable woman who lived in restless violent times not unlike our own when old beliefs were dying and new ones were struggling to emerge Pagan clashed with Christian as the seven kingdoms of the Germanic tribes warred against each other and against the native Celts Occasionally an uneasy peace was bought by the skilful use of the diplomatic marriage and twice Etheldreda though vowed to chastity submitted to marriage for political reasons When her second husband refused to accept the arrangement between them she fled south her escape to the Island of Ely apparently aided by storms that intervened on her behalf She lived only a few years as abbess of the religious community she founded at Ely before dying of plague Ever since pilgrims have turned to her for miracles of help and healing But this is not just the story of a seventh century Anglo Saxon saint It is about the general human struggle to comprehend the enigma of existence and to come to terms with Christ s God faced as we are by a violent and cruel world It is about the periods when we give up the struggle reverting either to the darkest negativity or to superstition and the rare but wonderful periods when we are lifted high by the inrush of spiritual certainty This edition also contains several pages of chronology genealogy place names notes and a map **The Eye of Callanish** Moyra Caldecott,2005-04-12

The Eye of Callanish is set at the beginning of the twelfth century on the Island of Lewis in the Outer Hebrides off the west coast of Scotland It tells the story of a young girl Mairi who is persecuted for being in league with the Devil She believes that she is able to communicate with the ancient people who built the temple of Tall Stones at Callanish Mairi is aided in her escape from her persecutors by Neil and the hermit Brother Durston who we first met in Weapons of the Wolfhound On the way they face many dangers and frightening situations But just who are these ancient people that Mairi is communicating with Where did the beautiful white horse appear from And whose is the dead body in the cleft Neil is fascinated by the search for Truth and at the same time terrified of it **Crystal Legends** Moyra Caldecott,2007-04-01

Crystals and gemstones have been a source of fascination since Neolithic times they endure when the bones of those they have adorned have turned to dust Such was the profundity of crystal lore that ancient peoples incorporated crystals and gemstones as dynamic and potent symbols in their legends and myths In Crystal Legends Moyra Caldecott approaches crystals from a new angle retelling stories drawn from world mythology which show the significance of crystals and precious stones as symbolic icons in a variety of traditions In addition she gives in depth commentaries on their esoteric meaning and

significance for us From Buddhist and biblical texts European and Egyptian tales Arthurian and Atlantean legends this fascinating collection will appeal to anyone with an interest in the power of crystals and the eternal journey of the soul towards enlightenment [The Green Lady and the King of Shadows](#) Moyra Caldecott,2007-05-05 An extraordinary struggle between good and evil is played out in ancient and magical Glastonbury When Lukas stumbles into a hidden tunnel under Glastonbury Tor he is unprepared for the events that follow He meets the hermit Collen and assists in the struggle against the mighty Gwyn ap Nudd a confrontation involving the Earth Goddess and ultimately the highest powers in the universe Drawing on folklore myth and legend Moyra Caldecott weaves a thrilling fantasy of the struggle between good and evil in Dark Ages Britain *The Waters of Sul* Moyra Caldecott,2007-04-01 It is 72 AD and most of Britain is under Roman domination At Aquae Sulis a place of pilgrimage and healing hot waters gush ceaselessly from the earth Since ancient times the waters have been associated with the supernatural and are under the protection of the Celtic Goddess Sul The Romans have renamed her Sulis Minerva and have tamed the steaming waters to form a complex of public baths A statue of the hated Emperor Claudius is being erected in the precincts of the Temple of Sulis Minerva The centurion Decius Brutus a Celt is ordered to return to his home town to protect the statue and prevent trouble But the local people led by his proud father and his fiery daughter Megan are threatening rebellion Meanwhile Megan s twin sister Ethne is torn between her destiny as Oracle of Sul and her love for Lucius who is caught up in his own quest for spiritual enlightenment with the help of the Orphic priest Demosthenes Twenty miles away on Glastonia Island a small Christian community struggles to establish a new religion in a hostile land away from Roman persecution Cults from Rome Greece Egypt and Judaea vie with the native Celtic beliefs and form a rich backdrop to the human dramas that unfold *The Waters of Sul* is set in a time of transition and adjustment when beliefs are questioned and loyalties are tested Love and hate conflict and reconciliation troubled romance and an uneasy traffic with the supernatural all feature in this brilliantly conceived novel from a masterful storyteller
