David M. Bell

The Temporality Of Political Obligation Routledge Innovations In Political Theory:

The Temporality of Political Obligation Justin C. Mueller, 2015-12-22 The Temporality of Political Obligation offers a critique and reconceptualization of the ways in which our political obligations what we owe to political authorities and communities and the reasons why we ought to obey their rules have been traditionally conceptualized justified and contested Drawing from theories of time and temporality Justin Mueller demonstrates some of the unacknowledged assumptions and theoretical blind spots shared among these ostensibly opposed positions and the problems and contradictions that this neglect of time poses Enriching the literature on the philosophers Henri Bergson and Gilles Deleuze Mueller demonstrates how their theoretical frameworks on time can be used to analyze a political problem that is usually confined to the concerns of normative liberal democratic theory Politically this book provides readers with the means to better identify and analyze the diverse temporalities they encounter in everyday life and better understand their experiences of them A welcomed and timely read which will be of interest to scholars involved in recent efforts to engage with the social and political dimensions and consequences of time and temporality

The Temporality of Political Obligation Justin C. Mueller, 2015 The Temporality of Political Obligation offers a critique and reconceptualization of the ways in which our political obligations what we owe to political authorities and communities and the reasons why we ought to obey their rules have been traditionally conceptualized justified and contested Drawing from theories of time and temporality Justin Mueller demonstrates some of the unacknowledged assumptions and theoretical blind spots shared among these ostensibly opposed positions and the problems and contradictions that this neglect of time poses Enriching the literature on the philosophers Henri Bergson and Gilles Deleuze Mueller demonstrates how their theoretical frameworks on time can be used to analyze a political problem that is usually confined to the concerns of normative liberal democratic theory Politically this book provides readers with the means to better identify and analyze the diverse temporalities they encounter in everyday life and better understand their experiences of them A welcomed and timely read which will be of interest to scholars involved in recent efforts to engage with the social and political dimensions and consequences of time and temporality

Hugo Grotius and the Modern Theology of Freedom Jeremy Seth Geddert, 2017-02-24 Human rights are thought to guarantee pluralism by protecting individual liberty from imposed religious conceptions of virtue Yet critics often argue that this secular focus on merely avoiding violations can also enable unfettered individualism and undermine appeals to the common good This book uncovers in secular rights pioneer Hugo Grotius a rights theory that points toward the enlargement of individual responsibility It grounds this connection in Grotius unexplored theological corpus which reveals a dual metaethics and jurisprudence Here a deontological natural law undergirds a secular theory of rights that is self aware of its own limitations A teleological practical reason then guides the exercise of these rights so as not to compromise the political order that defends them The book then illustrates this symbiosis of rights and responsibilities in five areas consent theories of government rights of rebellion

criminal punishment war and international responsibility and Atonement theology This reassesses Grotius legacy as a secularist opponent of classical political thought and suggests that modern liberalism and universal human rights are compatible with a world of resurgent religion

Claus Offe and the Critical Theory of the Capitalist State Jens Borchert, Stephan Lessenich, 2016-04-28 Back in 1972 German political sociologist Claus Offe published a book on the Structural Problems of Late Capitalism which for almost two decades inspired and stimulated an international and transdisciplinary debate on the role of the state in contemporary capitalism An academic debate which paradoxically began to wane as the issues about which Offe had been writing became even more prominent the Contradictions of the Welfare State the title of a collection of Offe's main contributions to the debate published in English in 1984 and democratic capitalism's reality of the permanent crises of crisis management Since 2008 it has again become a widely shared diagnosis that advanced capitalism is in crisis However there is either scholarly disagreement or more often so mere perplexity when it comes to understanding this crisis and to explaining the prevalent patterns in dealing with it In this volume Jens Borchert and Stephan Lessenich critically combine a reconstruction Claus Offe's approach to state theory with an analysis of the current constellation of democratic capitalism based on that same theory In doing so they expertly argue that his relational approach to state theory is much better equipped analytically to grasp the contradictory dynamics of the financial crisis and its political regulation than competing contributions This is why systematically revisiting the theory of late capitalism is not only of a historical concern but constitutes an essential contribution to a political sociology of our time

Critical Urban Theory, Common Property, and "the Political" Dan Webb, 2017-05-18 Dan Webb explores an undervalued topic in the formal discipline of Political Theory and political science more broadly the urban as a level of political analysis and political struggles in urban space Because the city and urban space is so prominent in other critical disciplines most notably geography and sociology a driving question of the book is what kind of distinct contribution can political theory make to the already existing critical urban literature The answer is to be found in what Webb calls the properly political approach to understanding political conflict as developed in the work of thinkers like Chantal Mouffe Jodi Dean and Slavoj Žižek This properly political analysis is contrasted with and a curative to the predominant ethical or post political understanding of the urban found in so much of the geographical and sociological critical urban theory literature In order to illustrate this primary theoretical argument of the book Webb suggests that common property is the most useful category for conceiving the city as a site of the properly political When the city and urban space are framed within this theoretical framework critical urbanists are provided a powerful tool for understanding urban political struggles in particular anti gentrification movements in the inner city

Democracy Beyond the Nation State Joe Parker, 2017-06-26 Democracy promises rule by all not by the few Yet electoral democracies limit decision making to representatives and have always had a weakness for inequality How might democracy serve all rather than the few Democracy Beyond the Nation State Practicing Equality examines communities that

govern their own lives without elites or centralized structures through assemblies and consensus Rather than claiming equality by abstract rights or citizenship these groups put equality into practice by reducing wealth and health divides or landlessness or homelessness and equalizing workloads These practices are found in rural India and Brazil in Buenos Aires London and New York and among the Iroquois the Zapatistas and the global networks of La Via Campesina farmers and the World Social Forum Readable accounts of these horizontal democracies document multiple political frames that prevent democracy from being frozen into entrenched electoral systems producing modern inequalities Using practice to rewrite political theory Parker draws on collective politics in Spivak and Derrida and embodied relations from Povinelli and Foucault to show that equal relations are not a utopian dream not nostalgia and not impossible This book provides many practical solutions to inequality It will be useful to students and scholars of political theory and social movements and to those who are willing to work together for equality

Post-Politics in Context Ali Riza Taskale, 2016-04-28 As disciplines Politics and International Relations remain dominated by ideas drawn from traditions of liberal internationalism and political realism in which political imagination is preoccupied with command and order rather than with disruption and emancipation Yet they have failed to offer adequate answers to why political action is foreclosed in contemporary times Proposed through a historically informed engagement with seminal thinkers including Walter Benjamin Friedrich Nietzsche Gilles Deleuze and Michel Foucault and examples from films and contemporary events Ali R za Ta kale presents an original and much needed new perspective to interpret politics in our contemporary societies He argues that post politics is a counterrevolutionary logic which aims to create a society without conflict struggle and radical systemic change Post Politics in Context serves as seminal intervention upon the debate over the depoliticised conditions of contemporary neoliberal society as well as functioning as an introduction to the core theoretical frameworks of alternative tradition of social and political thought in a manner that is lacking in current debates about Politics and International Relations

Equality Renewed Christine Sypnowich, 2016-12-19 How should we approach the daunting task of renewing the ideal of equality In this book Christine Sypnowich proposes a theory of equality centred on human flourishing or wellbeing She argues that egalitarianism should be understood as seeking to make people more equal in the constituents of a good life Inequality is a social ill because of the damage it does to human flourishing unequal distribution of wealth can have the effect that some people are poorly housed badly nourished ill educated unhappy or uncultured among other things When we seek to make people more equal our concern is not just resources or property but how people fare under one distribution or another Ultimately the best answer to the question equality of what is some conception of flourishing since whatever policies or principles we adopt it is flourishing that we hope will be more equal as a result of our endeavours Sypnowich calls for both retrieval and innovation What is to be retrieved is the ideal of equality itself which is often assumed as a background condition of theories of justice yet at the same time dismissed as too homogenising abstract and rigid a criterion for political argument We must retrieve the ideal of

equality as a central political principle In doing so she casts doubt on the value of focussing on cultural difference and rejects the idea of neutrality that dominates contemporary political philosophy in favour of a view of the state as enabling the betterment of its citizens

Rethinking Utopia David M. Bell, 2017-01-20 Over five hundred years since it was named utopia remains a vital concept for understanding and challenging the world we inhabit even in or rather because of the condition of post utopianism that supposedly permeates them In Rethinking Utopia David M Bell offers a diagnosis of the present through the lens of utopia and then by rethinking the concept through engagement with utopian studies a variety of radical theories and the need for decolonizing praxis shows how utopianism might work within against and beyond that which exists in order to provide us with hope for a better future He proposes paying a subversive fidelity to utopia in which its three constituent terms *good eu place topos* and *no ou* are rethought to assert the importance of immanent affective relations The volume engages with a variety of practices and forms to articulate such a utopianism including popular education critical pedagogy musical improvisation and utopian literature The problems as well as the possibilities of this utopianism are explored although the problems are often revealed to be possibilities provided they are subject to material challenge Rethinking Utopia offers a way of thinking about and perhaps realising utopia that helps overcome some of the binary oppositions structuring much thinking about the topic It allows utopia to be thought in terms of place and process affirmation and negation and the real and the not yet It engages with the spatial and affective turns in the social sciences without ever uncritically being subsumed by them and seeks to make connections to indigenous cosmologies It is a cautious careful critical work punctuated by both pessimism and hope and a refusal to accept the finality of this or any world

Political Obligation Richard E. Flathman, 2019-11-19 Under what conditions are obedience and disobedience required or justified To what or whom is obedience or disobedience owed What are the differences between authority and power and between legitimate and illegitimate government What is the relationship between having an obligation and having freedom to act What are the similarities and differences among political legal and moral obligations Originally published in 1972 Professor Flathman discusses these crucial issues in political theory in a lucid and stimulating argument Though mainly concerned to develop his own modified utilitarian standing point he also reviews both the classical and modern literature from Plato and Hobbes to Hare and Rawls The treatment is philosophical but it is frequently related to practical issues of civil obedience and disobedience and in particular focuses on the relation between law obligation and social change

On Political Obligation Paul Harris, 1990 This volume discusses the relative merits of individualism and communitarianism and examines the means through which the state can coerce or persuade the individual to be obedient

Political Obligation in Its Historical Context John Dunn, 2002-04-11 Mr Dunn addresses the central questions of political philosophy from an unusually broad variety of perspectives

The Problem of Political Obligation Noel O'Sullivan, 2019-11-19 First published in 1987 This study is an attempt to distinguish the problem of political obligation as it was formulated in the ancient world from the

problem as it has presented itself in the modern world and assesses the idealist achievement in the philosophical treatment of the problem of political obligation This title will be of interest to students of philosophy and politics *Political Obligation* Dudley Knowles,2010 Political obligation is concerned with the clash between the individual s claim to self governance and the right of the state to claim obedience It is a central and ancient problem in political philosophy In this authoritative introduction Dudley Knowles frames the problem of obligation in terms of the duties citizens have to the state and each other Drawing on a wide range of key works in political philosophy from Thomas Hobbes John Locke David Hume and G W F Hegel to John Rawls A John Simmons Joseph Raz and Ronald Dworkin *Political Obligation A Critical Introduction* is an ideal starting point for those coming to the topic for the first time as well as being an original and distinctive contribution to the literature Knowles distinguishes the philosophical problem of obligation which types of argument may successfully ground the legitimacy of the state and the duties of citizens from the political problem of obligation whether successful arguments apply to the actual citizens of particular states Against the anarchist and modern skeptics Knowles claims that a plurality of arguments promise success when carefully formulated and defended and discusses in turn ancient and modern theories of social contract and consent fairness and gratitude utilitarianism justice and a Samaritan duty of care for others Against modern communitarians he defends a distinctive liberalism the state proposes the citizen disposes **Routledge**

Innovations in Political Theory ,1999 *Political Obligation* John P. Horton,1992 **Political Obligation** John Horton,2017-08-24 How should we understand the relationship between citizens and governments and what are the obligations of citizens In this substantially revised new edition of an influential text John Horton challenges dominant theories by offering an associative account focusing particularly on what it is to be a member of a political community **Political Obligation** Thomas McPherson,1967 **Lectures on the Principles of Political Obligation** Thomas Hill Green,1917

On Political Obligation Judith N. Shklar,2019-03-26 A compelling set of lectures on political obligation that contributes to ongoing debates in political theory and intellectual history This stimulating collection of lectures by the late Judith Shklar on political obligation is paired with a scholarly introduction that offers an overview of her life illuminates the connections among her teaching research and publications and explains why her lectures still resonate with us and contribute to current debates in political theory and intellectual history

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **The Temporality Of Political Obligation Routledge Innovations In Political Theory** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

The Temporality Of Political Obligation Routledge Innovations In Political Theory Introduction

The Temporality Of Political Obligation Routledge Innovations In Political Theory Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Temporality Of Political Obligation Routledge Innovations In Political Theory Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Temporality Of Political Obligation Routledge Innovations In Political Theory : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Temporality Of Political Obligation Routledge Innovations In Political Theory : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Temporality Of Political Obligation Routledge Innovations In Political Theory Offers a diverse range of free eBooks across various genres. The Temporality Of Political Obligation Routledge Innovations In Political Theory Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Temporality Of Political Obligation Routledge Innovations In Political Theory Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Temporality Of Political Obligation Routledge Innovations In Political Theory, especially related to The Temporality Of Political Obligation Routledge Innovations In Political Theory, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Temporality Of Political Obligation Routledge Innovations In Political Theory, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Temporality Of Political Obligation Routledge Innovations In Political Theory books or magazines might include. Look for these in online stores or libraries. Remember that while The Temporality Of Political Obligation Routledge Innovations In Political Theory, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local

library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Temporality Of Political Obligation Routledge Innovations In Political Theory eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Temporality Of Political Obligation Routledge Innovations In Political Theory full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Temporality Of Political Obligation Routledge Innovations In Political Theory eBooks, including some popular titles.

FAQs About The Temporality Of Political Obligation Routledge Innovations In Political Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Temporality Of Political Obligation Routledge Innovations In Political Theory is one of the best book in our library for free trial. We provide copy of The Temporality Of Political Obligation Routledge Innovations In Political Theory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Temporality Of Political Obligation Routledge Innovations In Political Theory. Where to download The Temporality Of Political Obligation Routledge Innovations In Political Theory online for free? Are you looking for The Temporality Of Political Obligation Routledge Innovations In Political Theory PDF? This is definitely going to save you time and cash in something you should think about.
