The Song Of Songs A New Translation

Thomas Williams

The Song Of Songs A New Translation:

The Song of Songs Ariel Bloch, Chana Bloch, 1998-01-01 Quite simply the best version in the English language Its poetic voice intimate dignified and informed by meticulous scholarship carries us into the Eden of the original Hebrew text a world in which the sexual awakening of two unmarried lovers is celebrated with a sensuality and a richness of music that are thrilling beyond words Stephen Mitchell Ariel and Chana Bloch have succeeded in an extraordinarily difficult task This is the best and most enjoyable translation of the Song of Songs that I know Their notes too offer excellent insights to readers who know Hebrew and for that matter to those who do not Elaine Pagels This translation is lucid and direct and has a lyrical purity that is delightful It seems to me a model of how such work may be done W S Merwin Marcia Falk, 1990 The Song of Songs, which is by Solomon. fertility religions of the ancient Near East the sacred marriage rite and the funeral feast A distinctive feature of his interpretation is the correlation between Love and Death Also discussed are parallel literatures possible Indian influences and the significance of the Song for women's liberation Samples of traditional Jewish and Christian allegorical interpretations are cited for each verse Numerous photographs and drawings of ancient Near East origin illustrate and authenticate this provocative and controversial interpretation of Solomon's sublime song *The Song of Songs* Levi Shay, 2023-08-09 Uncover the Lost Wisdom of King Solomon in This New Groundbreaking Translation For those longing to embrace complete humanity and harmony between the sexes your journey begins here This unique translation uncovers King Solomon's long hidden wisdom in the Song of Songs Once deemed too potent and erotic for public consumption its true meaning was lost through allegorized interpretations and textual rearrangements Now for the first time this text has been reconstructed using insights from the Dead Sea Scroll manuscripts This unprecedented translation restores the Song of Songs to its rightful beauty and form Recognized as a monumental achievement in human literature it is now ready to be enjoyed in its proper sequence Experience King Solomon's masterpiece as it was meant to be and let it guide you on a transformative journey
