The Speaking In Tongues Controversy:

The Speaking in Tongues Controversy Rick Walston, 2005-09-27 What others are saying As an AG minister I was especially interested in Dr Walston s discussion of this topic I found his arguments lucid biblical exegetical and convincing Rev Kevin Potts Ph D Candidate Chaplain Dr Walston has thrown a big wrench into my tongues as evidence doctrinal gears I am now working through what I thought was a foundational doctrine that I also thought was settled long ago This book should be required reading for people on both sides of this issue Dr Denny Nissley AG minister Director of Christ in Action Ministries Many books and articles have been written in defense of speaking in tongues as the unmistakable physical evidence of the Baptism in the Holy Spirit Through his careful and thorough analysis of the Pentecostal texts in the Book of Acts Dr Walston is challenging this view This book is beyond doubt one of the most thought provoking analyses on this theme I have ever read Nils Olov Nilsson Th D Swedish Missionary and Theologian with the Swedish Pentecostal Movement

Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book They Speak with Other Tongues The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift

The Controversy of Tongues Cyril Opoku, 2013-05 The subject of speaking in tongues has generated no small controversy around it in many Christian circles There still remains a lot of unanswered questions in the minds of sincere seekers Do all born again believers receive the Holy Spirit baptism at conversion Is tongues really the evidence of Holy Spirit baptism Is tongues meant for every born again Christian Do all speak with tongues What does the Bible really say about the tongues spoken by most Pentecostals today Has tongues ceased Find sound biblical answers to these questions and several others in The Controversy of Tongues Learn the truth about Holy Spirit baptism as taught in the Bible Affirm your convictions with sound footing in the Word of God so that you can confidently respond to anyone who has objections to what the Bible really says about the subject of speaking in tongues

Audacity of Speaking in Tongues Oppong Kyekyeku, 2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the

Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told The Scandal of Pentecost Wolfgang Vondey,2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity *Encyclopedia of Religious Controversies in the United States* Bill J. Leonard,Jill Y. Crainshaw,2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues

Butler,2019-10-30 Pentecostals throughout Jamaica and the Jamaican diaspora use music to declare what they believe and where they stand in relation to religious and cultural outsiders Yet the inclusion of secular music forms like ska reggae and dancehall complicated music s place in social and ritual practice challenging Jamaican Pentecostals to reconcile their religious and cultural identities Melvin Butler journeys into this crossing of boundaries and its impact on Jamaican congregations and the music they make Using the concept of flow Butler s ethnography evokes both the experience of Spirit influenced performance and the transmigrations that fuel the controversial sharing of musical and ritual resources between Jamaica and the United States Highlighting constructions of religious and cultural identity Butler illuminates music s vital place in how the devout regulate spiritual and cultural flow while striving to maintain both the sanctity and fluidity of their evolving tradition Insightful and original Island Gospel tells the many stories of how music and religious experience unite to create a sense of belonging among Jamaican people of faith *Science and the Spirit* James K. Yong,2010-08-26 What might be described as a Pentecostal worldview has become a powerful cultural phenomenon but it is often at odds with modernity and globalization *Science and the Spirit* confronts questions of spirituality in the face of contemporary science The essays in this volume illustrate how Pentecostalism can usefully engage with technology and scientific discovery and consider what might be distinctive about a Pentecostal dialogue with the sciences The authors conclude that Pentecostals with their unique perspectives on spirituality can contribute new insights for a productive interaction between theology and science *Charismatic Christianity* Helen Collins,2023-09-26 What is the essence of

charismatic Christianity a renewal movement that stresses the Holy Spirit s work the church s use of spiritual gifts and the significance of the supernatural Helen Collins gives a novel summary explanation drawn from the spiritual gifts Through Scripture and doctrinal reflection she shows that charismatic spirituality is a coherent reasonable and rich tradition with much to offer Collins demonstrates how practicing spiritual gifts embodies a distinctive theology making these practices

carriers of doctrine Using the Acts 2 narrative she summarizes seven key emphases and associated practices expectancy prophecy enchantment miracles encounter healing expression testimony equality tongues empowerment evangelism and enjoyment worship The result is a fresh introduction that is biblical theologically robust and practical helping charismatic students to learn more about themselves and others to understand the movement and what it has to contribute to global theological discussions

Acts 29 Brian Jacobs,2016-03-11 As long as people have heard the name of Jesus and believed his teachings the Holy Spirit has been at work in the hearts and minds of people If you have heard the good news about his life death resurrection and the gift of the Holy Spirit you are part of the continued work of Jesus Christ in the earth This book has been written for those who desire to better understand the role of the Holy Spirit in the life of the Christian The book of Acts contains more than a historical record of the early followers of Jesus it contains the last words and instructions of Jesus to his closest followers before his ascension into heaven As his last words Jesus made a clear emphasis on the power and indwelling of the Holy Spirit upon which generations of his disciples would depend on The central focus of this book is the nature and power of the Holy Spirit within and among his followers In the end the proof of Acts 29 is found in our living In a variety of ways the truth continues to provide an unmistakable bond between each generation of Jesus's disciples The message Jesus spoke directly to his disciples in the beginnings of Luke's historical record continues to be boldly lived out by millions of believers today Jesus's mandate to believe and be saved and then to be baptized in the Holy Spirit is still relevant for us today
